PBIS POSITIVE BEHAVIOR INTERVENTION AND SUPPORT

ClassDojo

November is the perfect time for us all to slow down, reflect, and actively express gratitude for the good things in our lives. This combination of feeling and action is key to transforming ones outlook, nurturing healthy relationships, and cultivating positive environments. When you incorporate gratitude into your daily routines at home and school, it serves as a powerful strategy that creates a ripple effect of positive thoughts and supportive behavior that spreads kindness wherever you are.

Please participate in our very quick and short PBIS Anonymous Parent Survey!

Water Bottle Rules

For safety and to prevent spills, only lightweight, BPA-free plastic water bottles or cups with secure lids should be brought to school. Stanley cups and other similar metal or heavy tumblers are not permitted, as they are prone to large spills and can pose a safety risk if dropped or misused. Please send students with spill-resistant, BPA-free plastic bottles only.
