SIC

- **What is SIC?**

SIC, or School Improvement Council, is an advisory committee to the school's principal and faculty. Basically, it is a group of parents, community members and faculty that come together to discuss the fundamental needs of our school and expand the opportunities for improvement.

- **How often do we meet?**

The SIC meets once a month. Specifically, the first Friday of each month, at 9:30 a.m. (Give time for feedback).

- **Nominations** (To be completed no later than October 15)
  To be in compliance, we should have twice as many elected members as appointed members.
