VI. **Athletic Facility Update – Matt Weber, Athletic Director**

Mr. Matt Weber updated the Board on the current softball facility, highlighting current challenges of seating limitations, accessibility, consistent field preparations due to weather, single program use, and lack of alignment with other facilities. He reviewed proposed upgrades including field enclosure, improved seating and accessibility, improved backstop and netting, improved storage capabilities, the addition of closed warmup mounds and batting cages, and improved scoreboard technology enhancements. Mr. Matt Weber discussed an initiative to seek private donations to the Wyoming School Foundation to support the proposed upgrades, noting that the District has allocated $150,000 from Permanent Improvement Funds in FY28 to support the upgrades. With the total cost estimated to be approximately $850,000, the private funding goal is $700,000 by January 2027 in order to move forward with all proposed upgrades. If lesser funds are raised, the District contribution and donated funds will support a phased approach of the upgrades.

VII. **Student Enrollment Update – Ronda Johnson, Treasurer**

Mrs. Johnson shared an enrollment update with the Board. Current year enrollment is 1802 students, which is down 3% from last school year with the decline attributed to a smaller than average kindergarten class this year at 96 students. The average class size is 138 students with the lowest being kindergarten and the highest being the Class of 2030 – current freshman – at 177 students. Mrs. Johnson also shared declining enrollment trends in the majority of public schools in Hamilton County and across Ohio.

VIII. **ODEW District and Building Report Card Update – Tim Weber, Superintendent**

Mr. Weber shared a summary of the Building level report cards, including Performance Index (PI) breakdown by building, PI by assessment by grade, progress by building, grade level and subject, and a comparison of local similar districts and buildings.
