TKA HUB Service Trip - March 21 - March 26

Mission
We will be working with local ministries to serve our community. The mission is to serve holistically from the church to our neighbor to the outer city and then our homes. The TKA hub is on mission to love their neighbor well.

Goals
- Give students an immersive trip that is in the Bay Area where they can serve locally
- Demonstrate to TKA students that meaningful service can happen locally
- Challenge the perception that "real" mission work only happens internationally
- Provide service experience for students who may have never served before
- Help privileged students recognize local needs and their ability to make an impact
