Dear WCUUSD Community,

We are excited to introduce ourselves as your new Co-Interim Superintendents. Collectively, we have over 75 years of experience in PreK-12 public and private education as teachers and administrators. We will use this experience, as well as our commitment to providing a nurturing and high quality educational experience for every student to serve the District well.

We understand this is a unique Superintendent model that may generate some questions and uncertainty. Therefore, we are committed to supporting and creating stability for the WCUUSD in this time of transition. A primary goal of ours is to support WCUUSD's efforts in meeting the needs and aspirations of students and families. We look forward to doing this in partnership with the staff, administration, students, families, school board and greater community. We will start our work by listening, learning and trying to connect with as many of you as we can.

We will do our very best to provide positive leadership and continuity while we serve in this interim capacity. We will approach decisions and challenges in a curious and thoughtful manner, always keeping students at the center of our work.

We are grateful for the opportunity to be part of the WCUUSD school community and we look forward to a safe, successful and rewarding school year.

Sincerely,
JoAn Canning and John Alberghini
WCUUSD Interim Superintendents
