Parents & Guardians

YOUR CHILD'S WELL-BEING MATTERS!

Panorama Student Wellness Survey

Our school uses the Panorama Student Wellness Survey to better understand students' strengths and areas for growth so we can support their success at school.

This survey helps us understand how our students are feeling and where they may need support.

Quick & Easy!

This preview will show you the types of questions students are asked on the survey.

Emotion Regulation

Recognizing and managing feelings in healthy ways.

Growth Mindset

Believing in their ability to learn, improve and grow.

Self Management

Staying focused, setting goals and making positive choices.

Supportive Relationships

Building positive connections with others.

Together We Can Support Healthy, Happy Students!
