

WHAT IS A SCHOOL-PARENT COMPACT

A School-Parent Compact is an agreement jointly developed by parents, scholars and teachers to help scholars achieve success. This compact explains how parents and teachers will work together to ensure scholars reach grade level standards.

EFFECTIVE COMPACTS:

- Link goals to school improvement plan
- Focus on student learning skills
- Describe how teachers will help scholars develop those skills using high-quality instruction.
- Share specific strategies parents can use at home
- Explain how parents and teachers will communicate about scholar progress
- Describe opportunities for parents to volunteer or observe in the classroom.

ACTIVITIES TO BUILD ENGAGEMENT:

Elite Scholars Academy offers many opportunities for families, parents, teachers, and students to be more engaged and to build a partnership

JOINTLY DEVELOPED

The parents, students, and teachers of Elite Scholars Academy worked together to create this School-Parent Compact for student achievement. Teachers suggested home learning strategies, parents provided input about types of support they need, scholars provided input of ways to keep them motivated and engaged. Parents are encouraged to attend annual revision meetings held in the spring/fall each year to review the compact and make changes based on scholars needs and school improvement goals. Parents are welcome to contribute comments at anytime.

Parent volunteer opportunities are available, please contact Mrs. Cheryl Williams at (770)-472-2823.
