Dr. Amanda Ricketts, Assistant Principal

The **Toledo Smile Project** is teaming up with **Let's Build Beds** for a special mission, and we need your help!

We believe every child deserves a bed of their own. A good night's sleep empowers children to reach their infinite potential, and we are on a mission to provide the beds and bedding they need to succeed.

The Details:

- **When:** Sunday, November 1 at 11:45 am - 3:30 pm in Multi
- **The Goal:** Build 30 beds for local children in need.
- **Perks:** Earn service hours for NHS, NHJS (or other organizations) while hanging out with friends!

Next Steps: We need a **minimum of 50 jr./sr. high school students and parents** to make this event happen. Please fill out the

form below by Wednesday, October 28, at 3:00 pm.
