Extracurricular Activities 2026 - 2027

At Nobel Algarve British International School Almancil, we are proud to offer a diverse and enriching Nobel ECA programme, designed to support the holistic development of our pupils beyond the classroom.

Our programme brings together activities across Sports, Languages, Arts, Creative, STEAM and Innovation, giving pupils the opportunity to discover new interests, develop their talents and build confidence in a fun and engaging environment.

Through our extracurricular activities, pupils are encouraged to learn, explore and grow, while developing important values and skills such as teamwork, cooperation, discipline, perseverance and creativity.

Group organisation Group activities normally require a minimum of 5 pupils per class to run. Please note that some activities have a higher minimum number of pupils, as specified in the activity information. If the minimum number is not reached, the activity may be modified or cancelled.

Registration process

Registrations must be completed through [this online registration form](#).

Once you have submitted the form, you will receive an email within 24 hours confirming your registration or informing you if the activity is already full. The email will also include the amount due and the payment link.

Commitment during the academic year ECA activities run throughout the academic year, providing pupils with a consistent and continuous learning experience. Once a registration is confirmed, withdrawal is not permitted, helping us maintain stable groups and ensure a positive experience for all participants.

Martial Arts

From Reception to Year 6
Thursday, 4:00 pm to 5:00 pm

When it comes to martial arts, one of the greatest benefits is that it helps develop self-control and defence, always in a fun and healthy way, as well as concentration, agility and reflexes. Martial arts instil a sense of discipline that is very beneficial for children.

Our teachers are trained in mixed martial arts. Our classes vary between boxing, muay thai and Brazilian Jiu Jitsu training. We start the classes with a brief warm-up and some games, followed by thirty minutes of technical instruction in the various martial arts and ending with stretching.

Teacher Profile:

Jocimar Ferreira is the Vice-President of the association, a Martial Arts instructor and black belt in Brazilian Jiu-Jitsu and Thai Boxing. A former international MMA athlete for S.L. Benfica, he has achieved titles in Boxing, Thai Boxing and Brazilian Jiu-Jitsu. Paul Bodnar is a Brazilian Jiu-Jitsu black belt and Martial Arts instructor, with international experience in MMA, Brazilian Jiu-Jitsu and Thai Boxing.

Together, they bring extensive knowledge and experience, helping pupils develop martial arts skills while building confidence, discipline, respect and resilience.

STEAM & Innovation

Business Kids

From Year 2 to Year 9

Thursday, 4:00 pm to 5:00 pm

BusinessKids is much more than a course – it's a transformative experience that sparks an entrepreneurial spirit in children from an early age. Through a playful and engaging approach, participants learn to boost creativity and innovation, work effectively in teams, develop leadership and self-confidence, understand financial literacy, and turn ideas into real projects.

This journey allows every child to discover their own vocation, learn the principles of entrepreneurship, and build a business from scratch – from the initial idea to the final project presentation.

More than just talking about business, BusinessKids teaches children to believe in themselves, solve problems, and create solutions that can change the world.

Teacher Profile:

Sara Neves was born and raised in the Algarve. She holds a degree in Portuguese from the University of Coimbra and a degree in Business Management from Universidade Lusófona. Coming from an entrepreneurial family, Sara developed a passion for business and entrepreneurship from an early age. Over the past year, she has enthusiastically embraced the mission of nurturing young entrepreneurs, bringing her practical business experience to the classroom and inspiring children to believe in their ideas and entrepreneurial potential.
