8

Mathematics Career and College Readiness (CCR)

Firstname's score is 10XX.

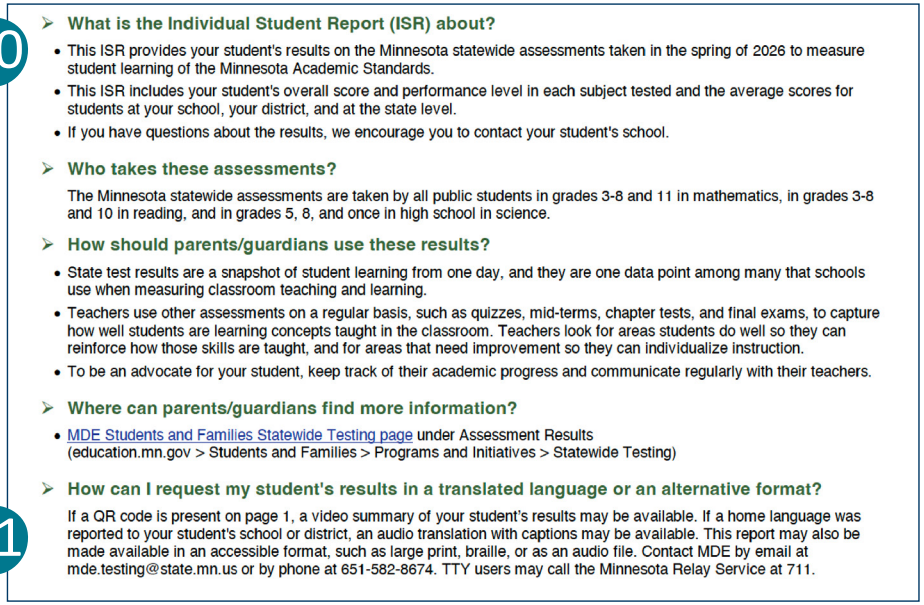

A score of **10XX or higher** is expected to be on track to demonstrate career and college readiness in mathematics on a college admissions test at the end of grade 11.

MCA-III Placement Score Ranges for Minnesota State Colleges and Universities

9

Intended Course of Enrollment (or equivalent)	Enrollment in Developmental Course Unless Additional Information Indicates Otherwise	Need More Information on Readiness	Enrollment in College Level Course
College algebra	MCA-III score below 1152	1152 to 1157	1158 or above
Statistics	MCA-III score below 1146	1146 to 1147	1148 or above
Other mathematics	MCA-III score below 1146	1146 to 1149	1150 or above

Retain this score report for use if completing the admissions process at a Minnesota State college or university. For more information, refer to the Admissions website (www.minnstate.edu/admissions).

10

What is the Individual Student Report (ISR) about?

- This ISR provides your student's results on the Minnesota statewide assessments taken in the spring of 2026 to measure student learning of the Minnesota Academic Standards.
- This ISR includes your student's overall score and performance level in each subject tested and the average scores for students at your school, your district, and at the state level.
- If you have questions about the results, we encourage you to contact your student's school.

Who takes these assessments?

The Minnesota statewide assessments are taken by all public students in grades 3-8 and 11 in mathematics, in grades 3-8 and 10 in reading, and in grades 5, 8, and once in high school in science.

How should parents/guardians use these results?

- State test results are a snapshot of student learning from one day, and they are one data point among many that schools use when measuring classroom teaching and learning.
- Teachers use other assessments on a regular basis, such as quizzes, mid-terms, chapter tests, and final exams, to capture how well students are learning concepts taught in the classroom. Teachers look for areas students do well so they can reinforce how those skills are taught, and for areas that need improvement so they can individualize instruction.
- To be an advocate for your student, keep track of their academic progress and communicate regularly with their teachers.

Where can parents/guardians find more information?

- MDE Students and Families Statewide Testing page under Assessment Results (education.mn.gov > Students and Families > Programs and Initiatives > Statewide Testing)

How can I request my student's results in a translated language or an alternative format?

11

If a QR code is present on page 1, a video summary of your student's results may be available. If a home language was reported to your student's school or district, an audio translation with captions may be available. This report may also be made available in an accessible format, such as large print, braille, or as an audio file. Contact MDE by email at mde.testing@state.mn.us or by phone at 651-582-8674. TTY users may call the Minnesota Relay Service at 711.
