ATHLETICS

Saturday, October 24th was our sectional XC meet where the following student-athletes ran very well with girls taking 4th (by one point) and boys taking 6th out of 13 teams. Will Pongonis was the sectional individual champion and has broken his own school record multiple times and heads into the state meet with one of the fastest times in the state at 15:03 for 5k. Senior Rue Birkholz and sophomore Elin Bramwell also qualified for the state meet individually by taking two of only five places available among over 80 runners at the sectional race. Follow along online at PT TIMING or come cheer your Old Abes on in Wisconsin Rapids on Saturday October 31st!

Old Abes News and Announcements

The Old Abe Café is a student-run café within our special education department that helps students develop valuable employment and independent living skills through hands-on experiences in customer service, teamwork, and daily operations.

Students take orders from staff, prepare and make beverages, package orders, and deliver drinks directly to teachers' classrooms.

The café is open to staff on Mondays and Wednesdays and provides students with authentic opportunities to practice real-world job skills while building confidence, independence, communication, and workplace responsibility.
