Seattle Christian SCHOOL

Warrior Rewards – Student Referral Program

The Seattle Christian *Student Referral Program* is designed to thank current families and staff for their valued investment in the Seattle Christian School (SCS) community. We want to honor current SCS families and staff who actively share about our amazing school.

Program Description

Currently enrolled SCS families will receive a **$250 tuition credit** for each new family that they refer that enrolls at SCS for the subsequent school yar. The incentive reward **does not** apply to new students of returning families or staff members.

SCS Referring Family and Staff Criteria

- The referring family must have attended SCS the school year prior to the new family enrolling and be enrolled during the year the new family starts at SCS.
- The referring staff member must have been a staff member at the time they referred the family and must be a current staff member when the family begins attending SCS.
- If the referring SCS family withdraws from SCS prior to payout of the referral credit, the credit is forfeited. The referring family must be enrolled to receive the credit.

Program Details

- The new student must be a full-time student and attend for at least three months before the credit is awarded.
- New families **must** put the referring family in their original application in order for that family to receive credit. This cannot be added at a later time.
- The total amount of credits any SCS family can earn under the Warrior Rewards incentive program is limited to their total tuition and fees less any combined discounts and credits for the school year in which the credit is received.

Tuition Credit

- Incentive credits will be applied directly to family accounts on the February billing statements.
  - ❖ Families who pay by automatic withdrawal will receive a one-time credit adjustment to their **February** payment.
  - ❖ Families who pay their tuition in full before the school year begins will receive the incentive reward in the form of a tuition refund check.
  - ❖ Referring Faculty or Staff members who DO NOT have a student enrolled at SCS will receive a check for their referral bonus.
- The referring family tuition credit is not redeemable for cash with the exceptions listed above.
- SCS will issue a 1099-MISC form to all referring families and staff members receiving tuition credits at or above of $600. Families are encouraged to consult their own tax advisor.

Thank you for your referral to Seattle Christian School!
