Important Notes

- ([1]) **Annualized Class Rates:** Rates for Years 18 and beyond are the class top-step salary with service-based salary increases, shown as full annualized salary rates on this schedule.
- ([2]) **Previous Experience Credit:** Highest placement for newly hired employees is *Year 5* of assigned Class but ROTC program requires that initial placement on salary schedule will be determined by the salary step that is the same amount or slightly higher than the JROTC minimum instructor pay of the instructor. District will place new employees according to JROTC requirements.
- **Degrees / Units Credit:** Salary credit is granted for degrees/units relevant to the assignment; degrees in administration (Business, Public) are generally excluded. All units are semester units — a quarter unit equals 2/3 of a semester unit. [Ed. Code §45028]
- **Contract Days:** 184-day work year, 6-hour day, and 1.0 FTE.

Education Incentives — Remuneration in Addition to Salary

The education incentives below are paid annually in addition to the salary-schedule amount to employees in the covered classes who hold the stated authorization or degree; advanced-degree incentives require a degree from an accredited college or university. These are remuneration paid in addition to salary (special pay) — they are not part of the annualized salary rates in the table above — and are reported to CalSTRS separately under the conditions of 5 CCR §27401, available to all employees in the class who meet the requirement. Whether and how each incentive is creditable is subject to §27401 and CalSTRS determination. [Ed. Code §22119.2(a)(2); 5 CCR §27401]

Legal Authority & CalSTRS Compliance (Publicly Available Pay Schedule)

This is a publicly available pay schedule (PAPS) for positions subject to CalSTRS membership, maintained in compliance with the Teachers' Retirement Law and CalSTRS regulations. It meets each requirement of a compliant certificated pay schedule:

1. **Duly approved and adopted** by the Governing Board of the Oxnard Union High School District in accordance with applicable public-meeting laws, and adopted as a printed certificated salary schedule (see Board Adopted date in header). *[Ed. Code §§45022, 45023; 5 CCR §27400]*
2. **Identifies the class of employees** and position title(s) covered — see table above. *[Ed. Code §22112.5; 5 CCR §27300]*
3. **States the annualized pay rate** for each class and step directly, without reference to any other document. *[5 CCR §27400]*
4. **Indicates the time base / full-time equivalent** used to earn the annualized pay rate — a 184-day work year at a 6-hour day (1.0 FTE). Full time is the days/hours of creditable service required to earn the annualized pay rate; minimum standards are set by statute. *[Ed. Code §22138.5]*
5. **Is uniform** as to years of training and years of experience, as required for certificated salary schedules. *[Ed. Code §45028]*
6. **Shows an effective date and a board-adoption/revision date** (see header). *[5 CCR §27400]*
7. **Is publicly available** — printed and made available to each certificated employee, posted for public review at the District office and on the District website, and available upon request. *[Ed. Code §§22119.2, 45023; 5 CCR §27400]*
8. **Characterizes all amounts as salary** — every rate is salary, used as the basis for future pay increases and disclosed directly, with the full years-of-service progression carried through the top of the scale. *[5 CCR §27400]*
9. **Annualized pay rate.** For CalSTRS reporting, the District reports the full-time annualized pay rate for the position — the salary a member would earn for full-time creditable service during the school term under this schedule — regardless of the member's actual assigned time base; part-time assignments are prorated. *[Ed. Code §§22119.2, 22138.5; 5 CCR §27400]*
10. **Forward compliance (AB 1997).** This format aligns with AB 1997 (Stats. 2024), which redefines "annualized pay rate" and requires salary schedules for all positions subject to membership, effective no later than July 1, 2027. *[AB 1997, amending Ed. Code §§22112.5, 22119.2, 22119.5, 22138.5]*
11. **Pay periods.** Certificated salaries are paid on the schedule set by Education Code §45048, using the pay-period option adopted under §45038; positions with work years under 210 days may be paid in equal installments over the assigned work year or, where employee selects, over twelve months, per District payroll policy and the collective bargaining agreement. *[Ed. Code §§45038, 45048]*

CalSTRS Compliance Note. Certificated employees are members of the CalSTRS Defined Benefit Program (State Teachers' Retirement Plan) and are part of the certificated service for retirement purposes; members first covered before January 1, 2013 are CalSTRS 2% at 60, and members first covered on or after January 1, 2013 are CalSTRS 2% at 62 (PEPRA). Standard work calendar for full-time (1.0 FTE) is 184 days at a 6-hour day. The annualized (full-time) pay rate shown is the salary reported to CalSTRS; assignments of fewer days/hours or less than 1.0 FTE are prorated to that annualized rate. Compensation on this schedule is reported to CalSTRS as salary per Ed. Code §22119.2 and 5 CCR §27400.
