JERUDONG INTERNATIONAL SCHOOL

DESIGN AND TECHNOLOGY TEACHER (PRODUCT DESIGN)

(with Potential Head of Department Responsibility)

We are looking for a well-qualified and inspirational subject teacher who empathises with the academic and holistic ethos found at top British International Schools. You must have a passion for being fully committed to making learning magical, providing individualised pastoral care for every student and a varied and genuinely rewarding enrichment curriculum. Previous overseas experience is not essential. However, the desire to work in a genuinely international community is. Jerudong International School is committed to equality of opportunity for all staff, and applications from individuals are encouraged regardless of any of the protected characteristics of the 2010 UK Equality Act.

Jerudong International School students' motto is **"Togetherness and Community".** Central to this is our Polio Points reward system. Year 7 to 13 students are challenged to act in a way that goes beyond what we would normally ask of them to do. The reward system is based on our six student aims of Leadership, Resilience, Communication, Thinking, Engagement and Integration. They are then rewarded with a Polio Point (as part of the international End Polio movement), which directly contributes to a donation to UNICEF.

We are on a journey towards becoming a truly sustainable school community, and the Green Flag Eco-School initiative has been integral to this. Our aim is to ensure that in every area of the school, we think more carefully about the impact that we are having on our own local community and in the world around us. Beyond this, we encourage the students to think beyond the school campus and look at how their actions can have global effects. The Sustainable Development Goals is a blueprint to achieve a more equitable, peaceful and sustainable world for everyone. The school aims to inspire our students to be socially responsible, global citizens equipped to deal with the challenges of the 21st century.

To apply, please complete the application form via the TES website, where you will also find further details of the post.
