CELEBRATING EXCELLENCE ACROSS JARRELL ISD!

Cougar Pride was on full display at this week's Board of Trustees meeting!

At Wednesday evening's Board meeting, we had the privilege of celebrating some extraordinary accomplishments that reflect the talent, dedication, and determination of our Jarrell ISD students and staff. From outstanding achievements in Career and Technical Education to a historic athletic championship, there is so much to celebrate across our district!

We are incredibly proud to announce that Jarrell ISD has been named a CTE District of Distinction by the Career and Technical Association of Texas for the third consecutive year!

This prestigious recognition places Jarrell ISD among an elite group of just 93 school districts out of approximately 1,200 across Texas to receive this honor.

Even more exciting, our students earned more than 250 industry-based certifications in 2026, setting a new district record!

Through exceptional programs such as Welding, Culinary Arts, and Agricultural Science, our students are doing more than learning in classrooms. They are gaining hands-on experience, earning valuable industry credentials, and developing real-world skills that will open doors to exciting opportunities after graduation.

And the best is yet to come! With our new CTE facility opening soon, we look forward to expanding opportunities and preparing even more students for success in college, careers, and life.

This recognition is a testament to our outstanding CTE educators, dedicated students, supportive families, and community partners who believe in the power of education to transform lives.

We also celebrated a truly historic accomplishment by our Jarrell High School Varsity Girls Cross Country Team — DISTRICT CHAMPIONS!

What makes this victory especially meaningful? It is the first district championship for our Varsity Girls Cross Country Team since 1988.

This remarkable achievement represents countless hours of training, determination, teamwork, and perseverance. These young athletes have demonstrated that hard work, a positive attitude, and a commitment to excellence can lead to extraordinary results.

Congratulations to our student-athletes and coaches for making history and bringing this championship home to Jarrell ISD! You have made our entire Cougar community proud!

What makes these accomplishments so special is that they represent something bigger than awards, certifications, or championships. They reflect the incredible people who make Jarrell ISD such a wonderful place to learn, work, and grow.

Whether our students are mastering a trade, earning professional certifications, competing on the course, or pursuing their dreams in the classroom, they are demonstrating what it means to be a Jarrell Cougar.

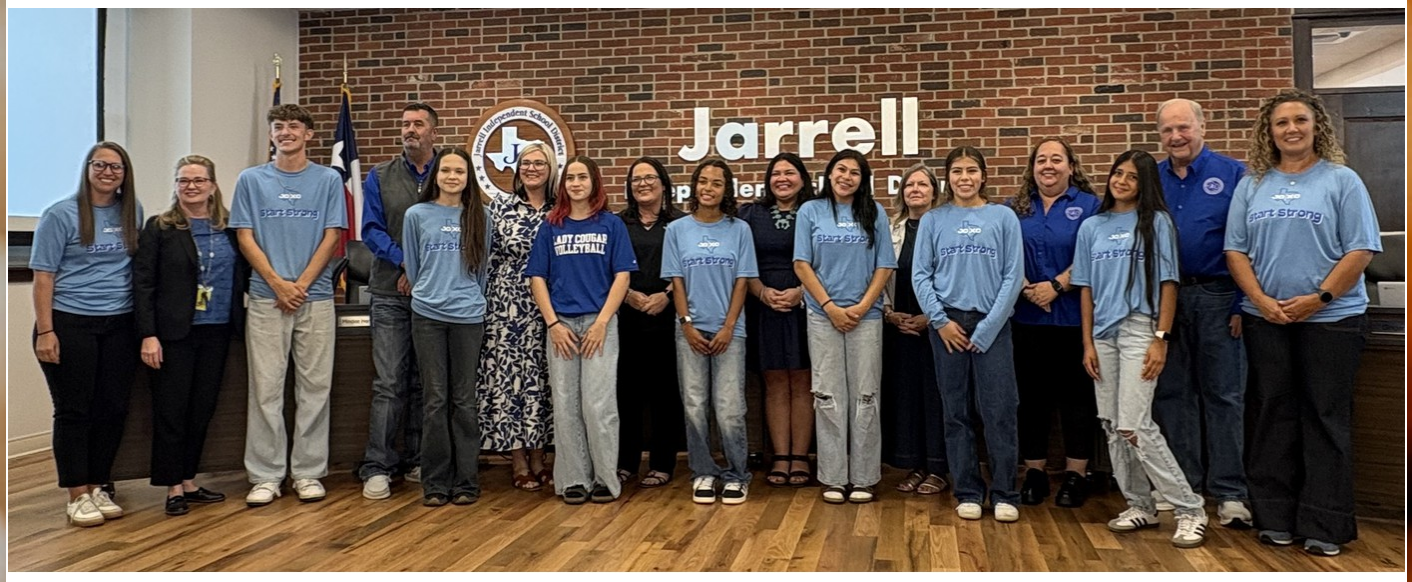

To our teachers, coaches, staff, families, and community partners, thank you for investing in our students and helping them achieve greatness. Your dedication and support make moments like these possible.

As we celebrate these milestones, let's continue building on our successes, creating opportunities, and inspiring every student to reach their full potential.

It's a great time to be a Jarrell Cougar!
