Attention CVHS Seniors

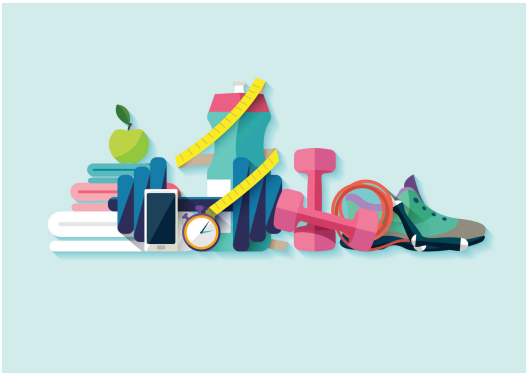

Any student planning to pursue additional schooling/training (including certificate programs, 2 year degrees, community college and traditional 4 year programs) should complete **the FAFSA form online.**

While some family/students think they may not qualify for federal aid, many schools require it as part of the application process.

There will be a PHEAA rep at the high school's College Night on Nov. 2 from 6-8 that will be able to assist families with the process if needed.

CV Cares

Volunteers are needed to assist **Snow Angels with snow removal this winter**.

CV Cares is a decades-old program designed to recognize CV employees who have gone above and beyond to make our students, parents and guardians, and community members feel welcome and supported. The recognition could be for a single extraordinary event or an ongoing pattern of positive interaction and support.

If you have had the opportunity to be on the receiving end of this type of engagement, take a moment to fill out the **online form** to recognize that special educator. Remember, an educator is anyone who has the opportunity to positively impact the life of a child. As such, an educator can be a bus driver, secretary, custodian, teacher, cafeteria worker, school counselor, administrator, or any other support or professional staff associated with CV.
