SUPERINTENDENT'S LETTER TO CERTIFICATED STAFF

To: Certificated Staff

Re: Personnel Policies

Bismarck Public Schools has developed a policy manual for teachers in an effort to assist staff in understanding expectations.

This manual is a guide and reference only. It should not be interpreted as being an amendment, change, or enlargement of any person's contract with the Bismarck Public School District.

Employees and their supervisors must translate the ideas and principles in this manual into action.

Each teacher must familiarize him or herself with the contents of this manual to ensure that all policies are followed fairly and effectively.

Thank you.

FUNCTIONS OF THIS MANUAL

Introduction

This Personnel Policy Manual provides an outline of the basic personnel policies, practices, and procedures in the Bismarck Public School District. It contains general statements of district policy and should not be interpreted as including detailed descriptions of each policy. It does not constitute an express or implied contract or promise that the policies will be applied in all cases, nor should it be seen as altering, amending, or extending any terms of any written employment contract between the employee and the district. The school district reserves the right to add, revoke, or modify policies as needed. While management will strive to keep the manual current, policy changes may occur before this material is revised and re-published. An up-to-date set of policies is available for review online at Bismarck Public Schools Policies.

The Bismarck Public School District publishes the Personnel Handbook as a service to staff. It serves as a useful reference for providing information and answering questions relating to personnel concerns and the operation of the district. The manual provides a brief overview of policy; for more detailed information, please refer to the specific policy. Capitalized letters following some headings indicate the reference code for policies and procedures contained in the policy manual adopted by the Bismarck Public School Board. Policy manuals are available online on the Bismarck Public School website. Links are included with each policy summary, along with links to specific forms mentioned in the policy.

The policies described here are not conditions of employment, and the language is not intended to create a contract between the Bismarck Public School District and its employees.

Policy Management

1. **Responsibility for Manual**: The Human Resources Director is responsible for maintaining and providing access to the manual on the district website.
2. **Policy Review and Updates**: Given the importance of personnel policies and practices, central administration and the School Board will continually review and recommend changes to the district's personnel policies, employee benefit programs, and salary administration programs. Employee input on policies is always welcome and encouraged.
3. **Employee Recommendations**: Any employee may recommend policy changes to the Human Resources Director. Additionally, matters not covered by the manual should be brought to the attention of the Human Resources Director for potential policy formulation if necessary.

EMPLOYMENT

ACADEMIC FREEDOM (GBA)

The School District believes that academic freedom is essential to the achievement of the purpose of the school system. It acknowledges the fundamental need to protect teachers from any censorship or restraint which might interfere with their obligation to pursue truth in the performance of their classroom functions.

Teachers must abide by the curriculum standards adopted by the Board. Teachers can select issues for study that contribute to the attainment of course objectives, are consistent with state standards and the district's mission, and are appropriate for classroom presentation. Prior to presenting materials on controversial topics, teachers must receive the approval of their administrator.

CONFIDENTIALITY (DEBA-AR)

District employees must follow confidentiality requirements under The Family Education Rights and Privacy Act (FERPA) and Individuals with Disabilities Education Act (IDEA). Information considered harmful, an invasion of privacy, or that is personally identifiable information can only be released by the building administrator within the parameters of the law. The release of all directory information must be approved by the Community Relations Director.

COURSE APPROVALS AND EDUCATIONAL ASSISTANCE (DHBA-AR)

The Bismarck Public School District encourages teachers to continue their education and work towards advanced degrees by assisting them with the cost of college course work and by giving employees the opportunity to move on the salary schedule by obtaining specific levels of course work and degrees for a lane change.

Criteria for Course Approval

The following criteria must be met for a course to be approved. An approved course can be applied towards a lane change.

- Must be a graduate level course.
- The course must be in an appropriate field (i.e. a math class for a math teacher) or a general course appropriate for all teachers (i.e. positive discipline in the classroom).
- Courses may be taken while on professional or personal leave.

Educational Assistance for College Coursework

To be eligible to receive educational assistance for college courses, teachers must submit a study plan that outlines the specific courses and type of advanced degree a teacher is working towards. Plans should be submitted to the Human Resources Director for approval.

To receive educational assistance for a college course, the courses must meet the following criteria:

1. Be listed on the approved study plan.
2. Be taken outside of regular work hours or while a teacher is on personal leave.
3. Be in a masters or doctorate program.
4. Vocational teachers who are working towards a bachelor's degree can receive educational assistance for undergraduate courses.

DRUG- AND ALCOHOL-FREE WORKPLACE (DEAA)

The District maintains a drug-and alcohol-free workplace and enforces the Drug-Free Workplace Act. The District prohibits employees from:

1. Unlawfully manufacturing, distributing, dispensing, possessing or using a controlled substance or alcohol on district property and grounds, in any vehicle belonging to the District, and at any school-related activity;
2. Knowingly or intentionally aiding or abetting in any of the above activities.

As a condition of employment, each employee shall agree to abide by this policy. Employees shall immediately (or as soon as reasonably practicable, but no later than five days) inform their immediate supervisor or Superintendent when the employee has been [arrested, charged, adjudicated, or] convicted of any drug- or alcohol-related crime or offense.

Violation of this policy may result in mandatory participation in the employee assistance program, disciplinary action, including termination and the notification of law enforcement.

All information received by the district as a result of this policy is confidential.

DRUG AND ALCOHOL TESTING FOR EMPLOYEES (DBBA)

Teaching staff who drive district vehicles and transport students are covered by the requirements of the Omnibus Transportation Employee Testing Act. All covered employees are prohibited from using controlled substances and are subject to pre-duty, on-duty, and post-accident alcohol use restrictions contained in federal law.

Employees who violate this policy will be removed from safety sensitive positions and may be terminated from their position with the Bismarck Public School District.

EMPLOYEE RELATIONS WITH VENDORS (DEBE)

Employees are prohibited from endorsing a product on behalf of the District and all purchases must be authorized by the school board or board policy.

Employees cannot make personal purchases through the District or through individual schools.

EXCHANGE TEACHING (DDDC)

The District may participate in U.S. State Department sponsored foreign exchange teaching programs. The District shall comply with all federal laws and regulations related to accepting teachers from foreign countries.

GIFTS TO DISTRICT PERSONNEL (DEBC)

District employees will not accept an offer of reward or a reward for purchase from individuals or companies who are attempting to do business with the District.

NONDISCRIMINATION AND ANTI-HARASSMENT (AAC, AAC-AR1, AAC-AR2)

The Bismarck Public School District is committed to maintaining a learning and working environment free from discrimination and harassment in all employment and educational programs, activities, and facilities. The District prohibits discrimination and harassment based on a student's, parent's, guardian's, or employee's race, color, religion, sex, national origin, ancestry, disability, age, or other status protected by law. The District also provides equal access to the Boy Scouts and other designated youth groups, as required by federal law.

It is a violation of this policy for any district student, parent, guardian, employee, or third party to discriminate against or harass another district student or employee, based on any status protected by law, if the conduct occurred within the context of an education program or activity, or if the conduct had a continuing effect in the educational setting of a program or activity occurring on or off school district property. The District will not tolerate discrimination or harassment of a district student or employee by a third party. The District also prohibits aiding, abetting, inciting, compelling, or coercing discrimination or harassment; discriminating against or harassing any individual affiliated with another who is protected by this policy and/or law; knowingly making a false discrimination and/or harassment report; and retaliation against individuals who report and/or participate in a discrimination and/or harassment investigation, including instances when a complaint is not substantiated.

The District explicitly prohibits harassment or discrimination based on cultural expressions and practices, including but not limited to cultural attire, language or dialect, traditions, and appearance. This includes protection of culturally significant hairstyles such as braids, locs, twists, long hair, and other styles commonly associated with Indigenous, African American, and other racial, ethnic, or cultural identities. Any verbal, nonverbal, or physical conduct that demeans,

mocks, or targets individuals based on these cultural expressions will be treated as a violation of this policy.

The District shall promptly investigate any discrimination, harassment, or retaliation complaint and act on findings as appropriate, or as required by law. Outcomes may include disciplinary measures such as termination of employment or student expulsion in accordance with administrative policy, law, and, when applicable, the negotiated agreement. Students and employees are expected to fully cooperate in the investigation process. The District will take steps to prevent recurrence of discrimination, harassment, or retaliation and remedy discriminatory effects on the complainant and others, if appropriate.

The following person has been designated to handle inquiries regarding the non-discrimination policies:

Stacey Geiger, Human Resource Director/Title IX Coordinator/Section 504 Coordinator
128 Soo Line Drive, Bismarck, ND 58501
Telephone number is (701) 323-4071.

POLITICAL ACTIVITIES (ABBDA)

The District recognizes that district employees, students, volunteers, and Board members have certain civic rights (e.g., the right to be an active member of a political party of choice; the right to seek, campaign for, and serve in public office; the right to vote). However, in accordance with law, the District prohibits the use of school property, school time and school service for political purposes except as authorized by law and Board approval. Use of the school delivery system for political purposes is also prohibited. Employees shall not use on-duty hours for political purposes and shall observe state law prohibiting political activities by public employees. No District employee or volunteer shall exploit students for political purposes.

PROMOTION (DFB)

It is the policy of the Bismarck Public School Board to consider competent and faithful employees within the district whenever they are qualified for the position. All openings for promotion and/or new positions will be posted on the district website and Human Resources Office and qualified personnel will be given adequate opportunities to make application for such positions. Existing employees are not eligible for Veteran's Preference when applying for internal positions.

RECRUITMENT, HIRING AND BACKGROUND CHECKS FOR NEW INSTRUCTIONAL PERSONNEL (DBAC)

The Board is committed to hiring instructional staff who will best meet the needs of the District consistent with budget limitations, district policy, its goal to ensure student and staff safety, and in compliance with state and federal law.

The administration shall interview and make recommendations to the Board about offering an applicant an instructional staff position.

Upon approval by the Board new instructional staff will be offered a contract.

STAFF CONFLICT OF INTEREST (DEBB)

Staff must adhere to all state and federal laws regarding conflict of interest. In addition, they need to be alert to and avoid situations which have the appearance of a conflict of interest.

Staff in supervisory roles who possess purchasing authority will sign a Conflict-of-Interest waiver annually. This requirement helps ensure transparency and integrity in the procurement process, preventing any personal or financial interests from influencing business decisions. By signing the waiver, supervisors acknowledge their responsibility to act in the best interest of the district, free from any potential conflicts.

STAFF INVOLVEMENT IN DECISION MAKING (DGF)

The Bismarck Public School Board believes that its major policy decisions should be reached with meaningful participation by the staff in a process which culminates in a recommendation to the Board by the Superintendent. This participation is to be interpreted as contributing to the establishment of policy rather than as setting it, which is a right ultimately reserved to the citizen members of the Board.

Further, the Bismarck Public School Board believes that major decisions of the administration regarding the overall school program, including curriculum, instruction, and budget, should also be reached with meaningful participation by the staff in the decision-making process. Staff participation in the decision-making process is to be interpreted as non-binding recommendations to decisions by the administration pursuant to the authority delegated by the Bismarck Public School Board.

The Bismarck Public School Board believes that participation by staff in the decision-making process should be conducted in a spirit of cooperation.
The Superintendent will assure that each administrator establishes a written process by which meaningful participation by the staff is sought during the decision-making process on major decisions.

TEACHER WORK DAY (DHBB)

The minimum work day for full-time administrative and supervisory personnel shall be an eight (8) hour day, not including lunch, but it is expected that the hours of work of supervisory and administrative personnel will vary and extend as necessary to fulfill the requirements of the position. The minimum work day for all full-time teachers in the Bismarck School District is eight (8) hours including a duty-free lunch period of one-half hour.

Each building administrator will establish regular work hours for the teaching staff that conform to this minimum. Regular staff meetings at the elementary level shall be held a maximum of two times a month. All building principals shall limit meetings on the last Wednesday of each month to accommodate BEA meetings within the building. Additionally, teachers may leave their buildings after the last class in the building is dismissed on the last day of the week and on days that precede holidays.

TRANSFERS AND REASSIGNMENT (DFC, DFC-AR)

Staff interested in transferring to an open position in the District for which they are qualified shall use the online application system. Qualified applicants will be given consideration for vacancies.

Reassignment may occur due to an instruction or district need. The Superintendent or designee has authority to make transfer decisions as outlined in policy.

Veterans' Preference does not apply for transfers, reassignments, or promotions within district schools. Reassignment shall not violate the terms of a teacher's contract.

TOBACCO FREE SCHOOLS (ABBA)

The Bismarck Public School Board is dedicated to providing a healthy environment for staff, students and citizens. Because the use of tobacco is a highly addictive habit usually begun in the adolescent and teen years, the most effective means toward achieving a tobacco-free generation will be prevention of tobacco use by youth through education, positive adult role models and aggressive action to limit and confine available tobacco areas.

Smoking and the use of tobacco products is prohibited in all district buildings and school property, including district-owned vehicles. This also includes buildings and property rented by the school district.

COMPENSATION AND BENEFITS

The compensation systems for the Bismarck Public Schools are designed to offer salary and benefits that attract and retain highly qualified individuals to meet the needs of our students and the patrons of the community.

SAFETY PROGRAM (ID)

The Bismarck Public School District safety program is to protect the safety and health of our employees. Injuries and property loss through accidents are needless, costly and preventable. The Bismarck Public School District works to eliminate all accidents and health hazards by the establishment of a safety and health program, which is adapted to fundamental safety concepts and proven management performance. The reduction of accidents and claims is a goal of the administration.

Each employee has the responsibility for his/her own safety, as well as the safety of his/her fellow employees. It is only by each employee becoming familiar with the hazards of his/her job and doing what is necessary to insure their safety that the district can achieve the safe working conditions deserved by all its employees.

Employees with safety concerns or suggestions should contact their supervisor or the Safety Coordinator. Safety website

We've adopted the Marzano Teacher Evaluation Framework, a research-based model grounded in four domains—Classroom Strategies & Behaviors, Planning & Preparation, Reflecting on Teaching, and Professional Responsibilities—and comprised of 23 observable, measurable elements that directly support student learning and teacher growth. This framework promotes structured, standards-based observation and post-conference dialogue, enabling rich professional conversations between principals and teachers and guiding support for those in their first three years, as well as ongoing advancement for veteran educators . It ensures clarity in expectations, consistency in scoring, and a focus on continuous improvement, helping identify when targeted guidance or intervention is needed.

STAFF POWER-DIFFERENTIATED FRATERNIZATION (DEBI)

It is the policy of BPS to ensure that the work environment is free from intimate, romantic, or dating relationships between supervisors and their subordinates or between employees involved in a power-differentiated work relationship. The district is concerned these relationships can lead to concerns with sexual harassment and may negatively impact the moral and operations of the district.

If employees are involved in these types of relationships they need to report them to human resources department or another management official. The district will work with the individuals involved in the personal relationship to modify the working relationship or assignments.

STAFF-STUDENT RELATIONS (NON-FRATERNIZATION) (DEBD)
