Big Opportunities Await as GPISD Volleyball Teams Enter the Playoffs

Two Galena Park ISD (GPISD) volleyball teams are ready to Think Big as they continue their seasons in the UIL Bi-District Playoffs. Earning a postseason spot reflects months of dedication, teamwork, and perseverance from student-athletes, coaches, and supporters who have worked together to succeed on and off the court.

The North Shore Mustangs will face Clear Springs at 5 p.m. on Friday, October 30, at Phillips Fieldhouse in Pasadena ISD, while the Galena Park Yellowjackets will take on Gene Tomas Gators at 6 p.m. at the Berry Center in Cy-Fair ISD. District communications shared North Shore's playoff matchup and game details for the Bi-District round.

For both teams, the playoffs represent more than competition. These experiences provide opportunities for student-athletes to develop leadership, resilience, and confidence while pursuing Big Dreams. They also create Big Connections, bringing together families, classmates, staff, alumni, and community members to celebrate school pride and support student achievement.

As the Mustangs and Yellowjackets take the court, they embody the GPISD spirit of thinking big, working hard, and striving for excellence. Their commitment, determination, and sportsmanship continue to make a Big Difference and showcase why Galena Park ISD is truly A Great Place to Be.
