Rule 33 - Committee Membership Term and Removal

The term of membership on all committees, commissions, or boards where the appointment is made by the Board Chairman and confirmed by the County Board shall be for a two (2) year term, except as otherwise provided by resolution, ordinance, or Wisconsin Statutes. In all cases where the appointment or election to the committee, board or commission is by the County Board, the term of membership shall be for two (2) years, unless provided otherwise by resolution, ordinance, or Wisconsin Statute. The County Board Chair shall endeavor to evenly apportion members when making committee assignments. An individual appointed to a committee of the County Board by the Board Chairman and confirmed by the County Board, may be removed from that committee at a meeting of the County Board, upon the recommendation of the Board Chairman and after a motion for removal has been made and seconded, upon an affirmative vote of not less than two - thirds of members elect. Notwithstanding the removal process referred to herein, any Committee Member shall be automatically removed from the assigned Committee upon three (3) consecutive unexcused absences from regularly scheduled committee meetings. See Rule 39 regarding excused absences. Failure to notify Chair and Clerk will be considered “unexcused” for purposes of this Rule.

Rule 34 - Official Bonds

Upon the filing with the County Clerk, the official bonds of the county officers shall be referred to the Executive Committee for examination of the same and, the Executive Committee shall report its findings as to the sufficiency and form of the sureties to the County Board pursuant to Sections 59.21(2) and 59.52(11) of the Wisconsin Statutes.

Rule 35 - Session Defined

A session of the Dodge County Board of Supervisors is hereby defined as the period of time beginning on the third Tuesday in April of each year and ending on the third Tuesday of April of the next succeeding year, both inclusive.

Rule 36 - Supervisor Document Request

A. Any and all documents presented in an open session meeting of a committee of the Board shall be made available to all county board members who request the documents. These documents shall be sent promptly, contemporaneous with the distribution to the committee, and without cost to the Board member requesting such documents. The Chairman of the committee or designee shall be responsible for delivery of documents.

B. A Board member who desires access to existing department or committee documents shall request specific documents from Department Heads or the County Administrator. Record custodians may redact or withhold disclosure of certain records as required by law. All documents subject to release shall be delivered timely and without delay and without cost to the Board member requesting such documents.

C. Board members shall not inundate departments with excessive requests. The County Administrator and the County Board Chairperson are tasked with determining if requests are excessive.

Rule 37: [Reserved for future use.]

Rule 38 - Committee Closed Session Participants Limitied.

Committees of the County Board shall limit attendance at closed sessions of their meetings to members of the Committee and other individuals necessary to conduct the business of the Committee as determined by the Chairperson of the Committee.

Rule 39 - Excused Absense

Each County Board Supervisor who shall become aware that he or she is unable to attend a scheduled meeting of the Dodge County Board of Supervisors or County Board committee meeting shall notify the County Clerk and respective Chair of his or her inability to attend such a meeting. The Supervisor shall make such notification by either telephone or email, and as soon as possible after the Supervisor has learned of such inability.

Rule 40 - Defeated Legislation

Unless reconsideration is in order, no resolution, ordinance or motion defeated by a vote of the Dodge County Board of Supervisors shall be renewed or presented for consideration in the same session unless such resolution, ordinance, or motion is substantially different in content.

Rule 41 - Resignation from County Board

A County Board Supervisor who determines it is necessary to resign his or her seat on the County Board of Supervisors, shall do so in writing in accordance with § 17.01(7), Wis. Stats. Upon receipt of a written resignation, the Board Chair shall fill said vacancy as soon as reasonably practical and may exercise discretion in making temporary committee assignments until the seat is permanently filled.

Rule 42 - Resignation from a Committee

A County Board Supervisor who determines it is necessary to resign his or her committee membership shall do so in writing, submitting said resignation to the County Board Chair, the County Clerk and the applicable Committee Chair(s). Upon receipt of a written resignation, the County Board Chair shall fill said committee vacancy as soon as reasonably practical and may make temporary assignments until such time as an appointment by the County Board Chair is confirmed by the County Board of Supervisors.

Rule 43 - Committee Organizational Meeting

After the Organizational Meeting of the County Board in April of even numbered years, the County Board Chair releases the committee appointments. Each Committee shall convene and conduct its own Organizational Meeting. The first name on the List of Committee Appointments shall be responsible for convening the Organizational Meeting. An election of committee officers (Chair, Vice-Chair, Secretary) shall be conducted at the first meeting of each committee. All committee members are eligible for election as an officer. After the election of committee officers, the Committee shall establish a regular meeting date and time to accommodate the needs of committee members.

Rule 44 - County Board Officers' Powers
