I keep score for the soccer teams in morning gym

In Morning Gym there are two soccer teams named the Tornados and the Tigers. Since last year these teams have been battling each other.

In many classes there are many people who think one special is the best some include Gym, SEL, and Computers. I don't have a favorite but I like Gym, Art, And Music.

## Trends Of The Month

This month we saw Nee Dohs rise in popularity well things like Dumplings are less seen. Butter Squishies are also waning in popularity. As more people stop saying 67 many are happy well others are mad and don't acknowledge that 67 is a dead trend.

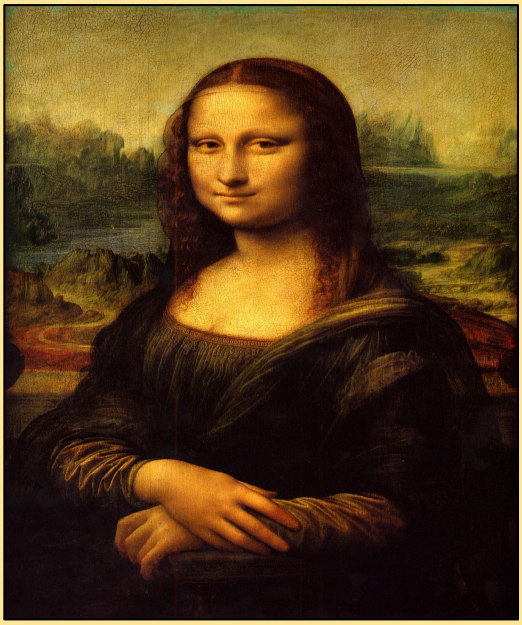

## Coming Up

Halloween - the Trunk or Treat PTO event. Also we see more people talking about Christmas. Not much but enough that some people are starting to notice also The Book Fair is coming up.
