VALLEY VIEW EVENT ALCOHOL, TOBACCO, AND SUBSTANCE POLICY NOTICE

Welcome Spartan Fans!

To ensure a safe, family-friendly, and healthy environment for our student-athletes, coaches, visiting teams, and spectators, the possession, sale, distribution, or consumption of beer, wine, liquor, or any alcoholic beverages is strictly prohibited on all Board of Education property, including stadium grounds, parking lots, fields, and athletic facilities.

In addition, smoking and/or the use of tobacco and/or tobacco substitute products is prohibited at any time within any enclosed facility owned, leased, or contracted for by the Board, and in areas under the control of the Board immediately adjacent to locations of ingress or egress to such facilities, on school grounds and/or any school-related event.

Both local school district policy and state interscholastic regulations mandate this prohibition:

- **Board of Education Policy:** Under Board Policy 9160, the use, possession, or distribution of alcohol, tobacco, vaping products, and illegal substances is prohibited on all district property at all times.
- **OHSAA Regulations:** Per Ohio High School Athletic Association (OHSAA) policies, "The sale of, distribution of, and consumption of alcoholic beverages is not permitted at the site of any contest involving OHSAA member schools."

We appreciate your cooperation in maintaining a safe environment that honors our student-athletes and reflects the standards of our school district and community.

MESSAGE FROM SUPERINTENDENT ANDREA COOK

Welcome Spartans, and thank you for attending today's game!

Whether you're a parent, grandparent, alum, neighbor, or lifelong supporter of our district, your presence in the stands means more than you know. You are part of what makes our schools special — a community that shows up for its kids, again and again, in gyms, on fields, and on the sidelines.

At Valley View, we believe family and community involvement is the foundation of student success. When you fill our seats, you're not just cheering for a win; you're telling every student-athlete on the field or court that they matter, that their effort is seen, and that this community stands behind them.

We are proud to be a district that raises the bar in academics, in athletics, and in the character of our young people. Attendance at events like this is part of that standard. High expectations, both in the classroom and in competition, push our students toward their best. And high achievement — the kind that comes from discipline, teamwork, and heart — is what we see night after night from these young student-athletes.

Athletics teach lessons no textbook can: resilience after a loss, humility in a win, the value of showing up for your teammates. These are the same values we strive to instill in every classroom, every hallway, and every program across our district. Personal growth happens here just as much as it does at a desk, and we're grateful for coaches, teachers, and families who make that growth possible.

So thank you for buying a ticket, wearing your navy and white, for making the time, and for cheering loud. Every seat filled is a statement about what we value as a community.

Enjoy the game, and go Spartans!

With Pride,

Andrea Cook, Superintendent

MESSAGE FROM MICHAEL RASEY, ATHLETIC DIRECTOR

It is my pleasure to welcome you to tonight's contest and taking the time to support our athletic programs. The storied tradition of Spartan athletics is one that we are all proud of, and we look forward to further success this season. The Valley View Local School District prides itself on the high-quality education our students receive while simultaneously offering numerous opportunities for our student-athletes to excel in their respective sport programs. We encourage students to be involved in interscholastic athletics because we believe that sports is an extension of the classroom where students can learn valuable lessons and life skills that will not only benefit them throughout their entire lives, but also make their high school experience more meaningful by capitalizing on the benefits of teamwork, peer support, personal accountability, and positive socialization.

Valley View is a proud member of the Ohio High School Athletic Association (OHSAA) and the Southwestern Buckeye League (SWBL). We offer a wide range of athletic opportunities for both boys and girls at the high school and middle school levels. We specifically offer a total of 14 different sports (32 sports teams) at the high school level as well as 6 different sports (13 different teams) at the junior high level. We'd like to recognize our coaches, many of whom either coach multiple sports teams or do so on a volunteer basis. They sacrifice their time and energy to make the athletic experience for our student-athletes enjoyable and meaningful. We are blessed with amazing coaches, and we are lucky to have them on staff.

The athletic department would like to thank our parents for your unwavering support of our student-athletes. So much of what we are able to accomplish on our field or courts is due to your willingness to serve behind the scenes. We are especially grateful for our partnership with the Valley View Athletic Boosters for their ongoing support of our athletic programs. The positive relationships we have with the parents, Athletic Boosters, and the larger Valley View community truly make our sports environment one of a kind. We have high standards with regard to sportsmanship and conduct. We not only expect our students and coaches to uphold these values, but also the spectators at our athletic contests. As fans, we encourage positive behavior in the stands towards officials, opposing fans, and each other as we cheer our athletes on to victory. Advance as One.

Thank you for your continued support of Valley View Spartans Athletics.
Go Spartans!

MESSAGE FROM BOARD PRESIDENT STEPHANIE SMITH

Welcome, Spartans!

On behalf of the Valley View Board of Education, welcome to another exciting season of Valley View athletics. We are proud to support our student-athletes and the opportunities athletics provide to learn, grow, and succeed.
Athletics teach lessons that extend far beyond the field or court—teamwork, commitment, perseverance, discipline, leadership, and sportsmanship. These are qualities that help our students become not only better athletes, but stronger students and members of our community.
Thank you to our coaches, teachers, families, and community for the time and support you give our students. Your presence at these events shows our student-athletes that their hard work matters and that their community stands behind them.
Let's fill the stands, support our Spartans, and cheer them on!

Go Spartans!

MESSAGE FROM MIDDLE SCHOOL PRINCIPAL VALERIE JONES

Welcome to another exciting season of Valley View High School fall athletics! As our student-athletes take the field, court, and course, we invite our entire community—parents, families, alumni, and fans—to fully immerse themselves in the spirit of game day. True home-field advantage comes from being present and actively engaged in every play, cheer, and milestone. Let us lead by example from the stands by bringing positive energy, celebrating hard work and sportsmanship, and creating an encouraging environment where our students feel our unwavering support. With great community support, dedicated coaches, and talented athletes, we can all work together to Advance As One. Thank you for your dedicated partnership in making Valley View athletics a source of pride for our families and community.

Go Spartans!
