

MOUNTAIN VIEW ELEMENTARY

SCHOOL TRAFFIC SAFETY PLAN

The safety of your children is our primary concern! Our parking lot and surrounding neighborhood is a difficult place to navigate and the safety of our students must be addressed. Please read the following plan so that we can all work together to ensure an efficient and safe plan for arrival and dismissal of our students.

1. Due to the limited number of parking spaces, only staff will be parking in our lot. We ask that all Mountain View families park on the street and assist your child across the street to our sidewalk via the marked crosswalk. Please do not park or leave your car unattended at any time in the parking lot, loading zones or bus zones!
2. To drop off or pick up students, please enter at the east end of our parking lot, staying in the right hand lane (next to the curb). The left lane is for thru traffic only. When entering the parking lot loading zone please do not block the sidewalk at anytime. Please watch for students and staff at all times. Do not drive through the staff parking lane at the front of the lot or enter the back parking lot unless you require one of the 2 disabled parking spaces. If traveling east on Fletcher please do not turn left into the parking lot. Go around the block to enter from the right lane. Read all signs that are posted. Do not enter, or block our neighbors driveways, trashcans or mailboxes! Do not double park anywhere for any reason. You may not leave your vehicle unattended in any yellow loading zone and you are not allowed to park in any red zone! Violations of any of these rules may result in a traffic ticket.
3. When using any of the loading zones, pull as far forward as possible before stopping to let your child enter or exit your vehicle. When dropping off, please say your good-byes quickly, and have your child's backpack within your child's reach. Please have your child exit on the sidewalk side of your car. Follow the flow of traffic to exit at the west end of the parking lot and turn right only. Please watch students crossing the driveways as you exit. Please remind your child to watch for your car at dismissal. No U-turns are allowed in front of the school anywhere at anytime!
6. Remember, student safety is our priority. If everyone follows the rules, we will facilitate a safe and more efficient traffic plan.

Always use the crosswalk

**NO CELL PHONE
USE WHILE DRIVING**
