What is a Family-School Compact?

Our School-Parent Compact is a written agreement developed between parents, students and teachers. It explains what families and schools can do to help children reach grade-level standards.

An Effective Compact:

¨ **Links** goals to the school improvement plan.
¨ **Focuses** on student learning skills.
¨ **Describes** how teachers will help students develop those skills using high-quality instruction.
¨ **Shares** strategies parents can use at home.
¨ **Explains** how teachers and parents will communicate about student progress.
¨ **Describes** opportunities for parents to volunteer, observe, and participate in the classroom.

Jointly Developed

The parents, students and teachers of Ingram/Pye Elementary School jointly developed the School-Parent Compact for Academic Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and the students contribute ideas which assist them to be better learners. Meetings are held in the Spring to review the compact to make changes based on the student needs. To contribute to the development of the compact, or to offer support, please contact the Family Engagement Representative: Porscha Amest, at 478 779-2166 or by email a Porscha.amest@bcsdk12.net
