Embrace Grace Princess Day

On Saturday October 24, 2026, Crossroads Church hosted a Princess Day for our Embrace Grace students that have been attending the 12 week educational program. In this special celebration, Students were able to be pampered with makeovers and take pictures afterwards. TPRS would like to thank this support program that helps our students feel empowered and help them be successful.

TPRS Early Literacy Jumpstart

Early Literacy Jumpstart program provides books to teen parents participating in Teen Parent Related Services. This initiative encourages parents to engage their babies in early reading experiences, helping build language skills, stimulate brain development, and foster a love of reading. It also empowers student parents to serve as their children's first teachers and support their early learning journey.

Experience the magic of the season with Christmas traditions and sounds!

This interactive, tactile sound book features full-colored photographs of fun holiday actions and items. Each page spread includes a touch-and-feel texture and sound button that plays a sound or part of a familiar Christmas song.
