What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective Compacts:

- **Link to goals of the school improvement plan.**
- **Focus on student learning skills.**
- **Describe how teachers will help students develop those skills using high-quality instruction**
- **Share strategies parents can use at home.**
- **Explain how teachers and parents will communicate about student progress.**
- **Describe opportunities for parents to volunteer, observe, and participate in the classroom.**

Developing the Compact

The parents, students, and staff of L.H. Williams Elementary School developed this School-Parent Compact for academic achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Family and Community Engagement (FACE) Forums are held each year in the spring to review the compact and make changes based on students' needs.

Parents are welcome to contribute comments at any time using our communication platforms (ParentSquare and Parent Portal). If you would like to volunteer, participate and/ or observe in the classroom, please contact: Mrs. Lavern Stubbs or Mrs. Candice Johnson using the contact # on the front of this brochure.
