At Trexler Middle School, we believe that families are essential partners in student success. Through our Title I program, we are committed to fostering strong homeschool partnerships and providing meaningful opportunities for families to be involved in their child's education.

ANNUAL TITLE I MEETING

Each year, all families are invited to attend our Annual Title I Meeting to:

- Learn about Title I programs and services
- Understand parent and family rights under Title I
- Review curriculum, academic expectations, and assessments
- Learn how student progress is measured
- Provide feedback and suggestions for school improvement Additional meetings and engagement opportunities may be offered throughout the year at flexible times to support family participation.

FAMILY INVOLVEMENT & INPUT

Trexler Middle School values family voices and will:

- Involve families in the planning, review, and improvement of Title I programs and activities
- Seek feedback through surveys, meetings, and committees
- Encourage participation in school improvement efforts
- Respond to family suggestions and concerns in a timely manner SHARED

RESPONSIBILITY FOR STUDENT SUCCESS

School Staff Will:

- Provide high-quality instruction and support.
- Communicate regularly about student progress.
- Maintain a safe and positive learning environment.

Families Will:

- Support learning at home.
- Encourage regular attendance and positive behavior.
- Communicate with teachers and school staff.

Students Will:

- Come to school prepared to learn.
- Complete assignments and do their best.
- Demonstrate respect and responsibility.

BUILDING FAMILY CAPACITY

Trexler Middle School will support families by providing:

- Information about academic standards and assessments
- Resources to help students meet learning goals
- Family workshops and engagement opportunities
- Connections to community resources and support services

ACCESSIBILITY FOR ALL FAMILIES

Information, meetings, and family engagement opportunities will be provided in a language and format that families can understand whenever possible. Accommodation will be available to ensure meaningful participation for all families.

OUR COMMITMENT

Together, families, students, staff, and the community create a strong foundation for success. Trexler Middle School welcomes and encourages family involvement as we work together to ensure every student achieves high levels.
