Crowley ISD Points of Pride

Thursday, October 29, 2026

1. College Fair

Last night, Crowley ISD hosted more than 70 colleges and universities for the annual College Fair. This was a great opportunity for our families to meet face-to-face with representatives, learn more about financial aid and scholarship opportunities and get tips on admissions and applications. Overall, it was a great night for our students to focus on making plans for their future -- and their future is bright!

---

2. Crowley High School

October has been an exciting month for Crowley High School as the Eagles celebrated homecoming and walked through the doors of their new academic building! On the first day, students were greeted with a red carpet welcome and excitement as they began making memories in their new home.

This incredible three-story facility stretches nearly the length of three football fields and represents a major investment in the future of Crowley ISD students and staff. It's all made possible by the voter-approved 2023 Bond... and it's beautiful!

---

3. North Crowley Football

In case you didn't know, we have a couple of All-Americans in Crowley ISD. Congratulations to North Crowley senior defensive back Jerry Outhouse Jr. and junior wide receiver Damarion "Champ" Mays on being selected to the 2027 Under Armour Next All-America Game!

The game is set for January and will feature 100 of the nation's top high school football players, placing these two Panthers among the best in the country.

---

4. Marching Bands

Congratulations to the Mighty Eagle Band and Mighty Panther Band on earning 1st Division Superior Ratings at the UIL Region Marching Band Contest!

Your hard work, talent and dedication continue to make Crowley ISD proud. We can't wait to see what you accomplish next as you march on to the Area competition this Saturday.

---

5. Trunk or Treat

The costumes, the creativity and the community were on full display last week for the annual trunk or treat event, hosted at the Bill R. Johnson CTE Center by our Special Services team.

The night served two great purposes, bringing together festive vehicles, creative costumes and plenty of treats, as well as connecting our students and families to much-needed resources!

6. Golf Tournament

We had a capacity crowd at the 21st annual Chishom Trail Foundation Golf Tournament at Waterchase Golf Club! Thank you to the 100 players and all of our sponsers who hit the links to help support the students of Crowley ISD.

Together, the education foundation was able to raise nearly 35-thousand dollars... making this event a hole in one!
