What is a School-Home Compact?

A School-Parent Compact is an agreement that families, students, and teachers develop together. It explains how families and teachers work together to make sure all students reach grade-level standards.

Effective compacts:

- Focus on student learning skills
- Link goals to the School Improvement Plan
- Explain how teachers and families will communicate about student progress

Jointly Developed

The families, students and staff at Westmoreland Elementary School developed this School-Parent Compact. Meetings and events are held each year to review the compact and make changes based on student needs.

Families are welcome to contribute comments and suggestions at any time.

Activities to Build Partnerships

Westmoreland Elementary School provides several opportunities for families and school staff to build partnerships. Throughout the school year, meetings and activities are hosted at the school for parents and staff to meet together to work on learning strategies and create meaningful opportunities for the students.

Family Engagement Activities will be held throughout the year. Detailed information will be sent home and posted on the school website.

Be on the look out!
