"Collaborating on School Teams in Ways That Make a Difference"

FAMILIES TO THE MAX (F2MAX): Pennsylvania Statewide Family Network is composed of dedicated family members, educational professionals, and community members. They work collaboratively to build awareness, empower families and lead change.

- Mission: Leading change for children with diverse needs by maximizing opportunities in the home, classroom, and community.
- Vision: Empowering students, families, and communities to believe that all children can reach their maximum potential.

To connect with the Network, email us at F2MAX@pattankop.net
