WHAT IS THE SIP?

- The SIP is the School Improvement Plan. It includes:
  - the identification of the school planning team and how they will be engaged in the planning process;
  - a needs assessment and summary of data;
  - prioritized goals, strategies, and action steps to help address the academic and non-academic needs of students;
  - teacher and staff professional development needs; and
  - budgets and the coordination of resources.
- The school must include family representatives on our school planning team.
