NOTES FROM PRINCIPAL

We are settling into the school year and enjoying all that fall brings. It has been great to see all the learning and growth happening in our classrooms. Our students continue to work hard, try new things, and make us proud each day.
Thank you to all the families who took the time to join us for parent-teacher conferences. We appreciate you making time to meet with your child's teacher, hear about their progress, and talk about ways we can continue to support them. Having that connection between home and school is so important, and we appreciate your partnership!
We have another busy month ahead with plenty of learning and fun activities planned. I look forward to all that November has in store! Thank you for your continued support and for all you do to make our school a great place for our students.

ANNOUNCEMENTS & REMINDERS

The **first bell rings at 7:30 a.m.,** and the **tardy bell rings at 7:45 a.m.**
With the weather getting colder, students will no longer have recess before school. Students should come inside when they arrive and eat breakfast or wait inside until classes begin. Please make sure students dress for the weather, as we will still go outside for recess during the day!
