AN EXPANDED VERSION OF TECHXPERIENCE IN HONOR OF NATIONAL STEM DAY!

INNOVATE CLAYTON

A STUDENT STEM EXPERIENCE

HANDS-ON LEARNING | REAL-WORLD TECHNOLOGIES | BOLD IDEAS | BRIGHTER TOMORROWS

SATURDAY
NOVEMBER 14, 2026

TIME
9:00 AM – 2:00 PM

LOCATION
SEQUOYAH MIDDLE SCHOOL
95 Valley Hill Rd,
Riverdale, GA 30274

HANDS-ON STEM ACTIVITIES

Explore and experiment with exciting STEM activities and discover new technologies in science, technology, engineering, and mathematics.

STUDENT INNOVATION SHOWCASE & CHALLENGE

Cheer on registered school teams as they tackle real-world problems, design creative solutions, and showcase their innovative ideas!

DRONES & ROBOTICS

See the latest innovations in aerial and ground technology, including drones, robotics, and more.

TECHNOLOGY EXPOSURE & EXPERIENCES

Engage with the latest technologies including AI, virtual reality, engineering, and more from industry and community partners.

ALL K-12 STUDENTS & FAMILIES ARE INVITED!

Explore hands-on STEM activities, discover emerging technologies, experience robotics and drones, and celebrate student innovation.

No competition registration is needed to enjoy the STEM experiences.
