2 min	**Discussion Item:** Confirm Ad Hoc Committees Or Task Forces, If Needed *Moved from September Meeting*	*Co-Chair*
10 min	**Discussion Item:** Review The School's Annual Goals And Improvement Plan *Moved from September Meeting* ● Presentation ● SIP ● The team reviewed the School Improvement Plan (SIP) and discussed how SGT can actively support school improvement through partnerships, resources, and targeted actions. ● Members agreed on **two priorities for the year**: ○ **Family engagement and participation** ○ **Staff learning and instructional support** ● Family survey participation needs to increase from approximately **4% to 20%**, or about **125 responses based on 625 students**. Conference participation was reported at approximately 95%, suggesting conferences could be a strong opportunity to collect survey responses. ● Parents need clearer, more accessible explanations of assessment results, student growth, and next steps. Members suggested brief videos explaining MAP scores and how families can support learning. ● Teachers need protected time to apply training and plan instruction, particularly for science of reading practices, the new HMH math curriculum, and MagicSchool AI. Members discussed professional learning days, coaching, and summer planning opportunities. ● Budget decisions will be considered in relation to the two priorities. **No specific funding allocations were approved.**	*All Members*

Ideas to explore

- Large survey QR codes in afternoon pickup areas and direct outreach to waiting families.
- A survey participation tracker and schoolwide incentive.
- A parent-created video encouraging survey completion.
- Short assessment explainer videos with clear, practical next steps for families.

- Funding for teacher planning time, curriculum support, and professional learning that strengthens student relationships.
- Meaningful student enrichment experiences during any teacher release time.
