PEVS TITLE I STUDENT ASSESSMENT POLICY

Paulding Exempted Village Schools (PEVS) will implement and follow these guidelines for the Title I program:

- Subject matter assessed
    - ELA
    - Math
- Purpose of the assessment
    - STAR and/or STAR CBM will be used as a diagnostic tool to see where a student's grade level baseline is.
    - The summative assessments that students take are the ELA and Math Ohio State Tests.
- Requirement of assessment:
    - The Ohio Department of Education and Workforce (ODEW) requires school districts with Title I to provide all children "significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps."
- Information location:
    - This information can be found on the PEVS website: www.pauldingschools.org.
- Assessment time and schedule
    - Students will take the summative assessments during the OST windows that PEVS has chosen as a district. The amount of time given to take the assessment is determined by grade level and whether a student has accommodations from an IEP or 504 Plan.
        - ELA
            - For grades 3-5: 180 minutes total divided into two 90 minute parts
            - For grades 6-8 and ELA II: 210 minutes total divided into two 105 minute parts
        - Math
            - For grades 3-5: 150 minutes total divided into two 75 minute parts
            - For grades 6-8, Algebra I and Geometry: 180 minutes total divided into two 90 minute parts
    - These assessments are given in accordance with the published Test Administration Manual guidelines.
- Time and format for disseminating results
    - OST ELA and Math results are posted on the Progress Book parent and student portal by June 30th in compliance with legislation. Hard copies are sent home to families by the end of August.
