Dear Parent or Guardian,

The Healthy Schools Act of 2000 requires all California school districts to provide, to parents and guardians, the approved list of pesticides intended for use for the school year 2026 – 2027. The State of California Department of Pesticide Regulations has a web address: www.cdpr.ca.gov , click on School IPM Program if you have any questions/concerns regarding Assembly Bill 2260, Healthy Schools Act 2000, or the pesticides listed below.
