BHS FLEX FRIDAYS

Flex Fridays are school days. They are not days off. Flex Fridays are used for the purpose of providing students intervention time with their teachers and enrichment opportunities that take place inside and outside of school. Students could be invited by one or more of their teachers to come into the school in order to get intervention time and enrichment opportunities BUT any student that would like to come in and meet with their teachers on that day are more than welcome! We will follow a regular school day schedule so for instance, if the student wants to visit with their 2nd block teacher they would need to come in during that time frame. If your student was not invited nor voluntarily wants to come in on a Flex Friday, they do not have to report to school.

The 2026-2027 Flex Fridays include:

- Friday, September 25, 2026
- Friday, October 23, 2026
- Friday, December 1, 2026
- Friday, January 8, 2027
- Friday, February 12, 2027
- Friday, March 12, 2027
- Friday, April 30, 2027

- Friday, May 21, 2027
