II - Principal's Report	Principal Report: - SSO update - Fun Run Update - Staffing Update Proposal: At our last meeting, we decided to revisit the conversation related to increasing field trip student admission fees and to begin charging students a participation fee for teacher-led before/after school clubs. Based on some additional conversations and considerations, I would like to propose we vote on the following: - $20 fee for student field trip admission (excluding service field trips and 5th grade EOY celebration). Scholarships are available upon request; fees are waived by tax credit donation. APPROVED - $10 fee for student participation with teacher-led Hopi before/after school clubs (excluding 5th grade math tutoring). Scholarships are available upon request; fees are waived by tax credit donation. HOLD Please come ready to discuss further. Our vote will finalize how we move forward for Quarter 3 and 4.
