DUAL ENROLLMENT CONTRACT
FULTON COUNTY SCHOOLS

SCHOOL YEAR 2027-2028

Student Name_____ **Student ID #** _____

Graduation Requirements

Dual enrollment students are responsible for meeting the district's and the State Board of Education's requirements for graduation based upon their 9th grade entry date. Participating dual enrollment students must complete all courses required for graduation as outlined in Fulton County School District Board Policy IHF (5).

Projected Student Schedule – Include ALL courses for the entire year

Students and parents should visit the GA Futures Dual Enrollment Course Directory to view a list of approved courses. Students seeking approval for self-pay dual credit courses should consult with their counselor. When outlining the student's schedule below, the above-mentioned graduation requirements should be considered to ensure the student remains on track for graduation.

Using the charts below, list all courses the student plans to take at the high school and the courses the student plans to take at the college. Please note that a full schedule must be listed.
