

On Time, In School, Every Day!

November

WONDER. GiViNG. GRATiTUDe.

The little things we do for others can make a big difference. This month, help your child discover the joy of giving, asking questions, and finding ways to brighten someone else's day.

TRY THIS!

Talk to your child about how your family or school is helping others this season. Consider visiting the Giving Machine kiosks together to make a difference.

SAFETY SPOTLIGHT

As holiday activities begin, remind your child to look out for one another and tell a trusted adult if someone needs help.

HELP YOUR CHILD HEAR...

The world is brighter because of you.

Every Day Matters. Because every learner deserves to feel Safe, Connected, and Ready to Learn.
