What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

An Effective Compact:

Links goals to the school Improvement plan.
Focuses on student learning skills.
Describes how teachers will help students develop those skills using high quality instruction.
Shares strategies parents can use at home.
Explains how teachers and parents will communicate about student progress.
Describes opportunities for parents to volunteer, observe, and participate in the classroom.

Jointly Developed

The parents, students and staff of Vineville Academy of the Arts developed this school compact for academic achievement.

Teachers suggested learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs.

Parents are welcome to contribute comments at any time.
