What is a School-Parent Compact?

Our annual school-parent compact offers ways to work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

An Effective Compact:

- Links goals to the school's continuous improvement plan.
- Focuses on student learning skills.
- Describes how teachers will help students develop those skills using high-quality instruction.
- Shares strategies parents can use at home.
- Explains how teachers and parents will communicate about student progress.
- Provides opportunities for parents to volunteer, observe, and participate in the classroom.

Jointly Developed

The parents, students, and staff of Vineville Academy of the Arts developed this school.

Teachers suggested learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held yearly to review the compact and make changes based on student needs.
