Participation and Role

All families, students, and staff are invited to join OVS Advisory Committee meetings for the Fall 2026 term. The day-to-day operations of Orchard View School are the responsibility of the Principal, supported by Advisory.
The Advisory Committee plays a vital advisory role by providing input on charter accountability and modifications, development of the LCAP, school safety, WASC action plans, budget development, program concerns, student/parent/staff handbooks, and evaluation of the effectiveness of the school.
