PRINCIPAL'S MESSAGE

November is that month where we take time to pause and give thanks. It's the month we have the district donation drive in the Grandview feeder to give back to those in need. And while it's a busy time of year, gearing up for our musical and winter sports, we know how lucky we are to have the support we do. When we say we are One Pack, that includes taking care of each other and being grateful for the role we play in each other's lives. Thank you for your involvement in the Grandview community. We are strong because of you.

So, another "thank you"... at the beginning of the year, we asked for your help in getting our students to school on time. They have done a better job already. Thank you! We are hopeful this trend continues since November has historically been the month where we take a bit of a downturn in attendance (both tardies and absences). Whatever you are doing at home to encourage your student to be here and be here on time, we appreciate it!

And another "thank you"...during the week of November 9th - 13th, Grandview will formally honor and thank our Veterans and those who currently serve in the military. We will display our Wall of Honor as we have in the past, and we enjoy seeing it grow each year as more and more community members join us in this important celebration of service. More information about contributing to the Wall of Honor can be found in this Gazette. We will also host a breakfast with our community's veterans on November 11th, from 7:45-9:30 am, in the Upper Commons. We look forward to this important week!

Our musical is just a few weeks away, and our shows sell out early, so get your tickets to Urinetown as soon as possible: www.grandviewperformingarts.org. Our students have been hard at work getting ready for the show of the season: November 13th, 14th, 20th, and 21st. You won't want to miss it!

Some of our fall sports have wrapped up their successful seasons, and others have entered post-season competition. Football, girls' volleyball, cheers, and poms are continuing to compete, and they appreciate all the support from the community. Winter sports registration is going on now; you can get more information about that on our Athletics homepage or in the Athletics section of this Gazette.

Our clubs and activities are up and running, and many have room for more students. If your student is looking for a great way to get involved, all information is listed on our homepage under the Activities tab. At Grandview, we are One Pack!

No School - Thanksgiving Break

Students from DECA and the Grandview Chronicle helped organize and promote our 7th Annual Sweet Street event. The event took place on Monday, October 26th was quite successful, once again, thanks to the help of nearly 80 volunteers from 24 different clubs and sports! We welcomed over 300 people from our community. Thank you to everyone who donated monetarily or to our canned food drive--that helps to support the Wolf Pantry. Everyone enjoyed a fun environment to do their trick or treating and many games were played.

SCHOOL SAFETY

Grandview High School is committed to providing a learning environment where students, staff and community members feel safe. This includes attention to both physical and psychological school safety. Each year, we revise our Readiness and Emergency Management for Schools (REMS) Template, which outlines important safety procedures we follow. This includes items such as our drill schedules and plans for preparation and response to potential school emergencies. On a regular basis we conduct Fire, Secure Perimeter, and Lockdown drills, and we continuously revisit and revise all safety procedures. All of our procedures are designed in accordance with recommendations of best practice made from both external agencies and the Cherry Creek School District. By establishing such proactive measure, and continually reflecting upon and adjusting our plans as needed, Grandview High School strives to promote and maintain a safe learning environment. For any questions related to school safety at Grandview High School, please contact Trevor Watrous, Assistant Principal 720.886.6524

EVACUATION/FIRE DRILL
The school is evacuated due to a safety concern inside the building. One drill required per month.

SECURE PERIMETER
All exterior doors are locked in response to a concern outside of the building. Business is conducted as usual inside of the building.

LOCKDOWN
Students and staff respond to a threat inside the building by sheltering behind locked doors.

SHELTER-IN-PLACE (SEVERE WEATHER)
Students and staff move to "tornado safe" areas in the school, which typically means on the first floor away from windows and doors.

Cell Phone Reminders

- Upon entering class, students are expected to turn off or silence their phones and place them in a designated location determined by the teacher.
- Students may use their cell phones before and after school, during lunch,and during passing periods.
- If you have an emergency and need to get in contact with your student while they are in class, please contact the main office at 720-886-6500.

Grandview Attendance Reminders and Information

- To report an absence, please call the attendance line (based on your student's last name). Be sure to provide your student's name **with spelling**, grade, date of and reason for absence, your name, and contact number. Please give 24 hours for attendance to be updated!
  A-L: 720-886-6595
  M-Z: 720-886-6596
  Early dismissal: 720-886-6597

- See below for board policy regarding absences.

- If your student's absence is for a medical appointment, dentist appointment, or illness-related, please provide a medical note to your student's dean.

- Upon being absent for 15 total days (excused and unexcused), a medical note will be required to excuse any further absences.

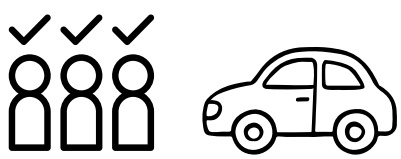

- Attendance to Advisory matters! Students, please be reminded to attend your Advisory class on Wednesdays. This class is a chance to make connections with students and staff, learn something new in a non-curricular way, and support your overall social/emotional well-being. Advisory is a scheduled class, and absences count against your (and the school's) overall attendance rate.

- If parents/guardians are not comfortable leaving the reason, they may call the Dean's office to get the student excused.

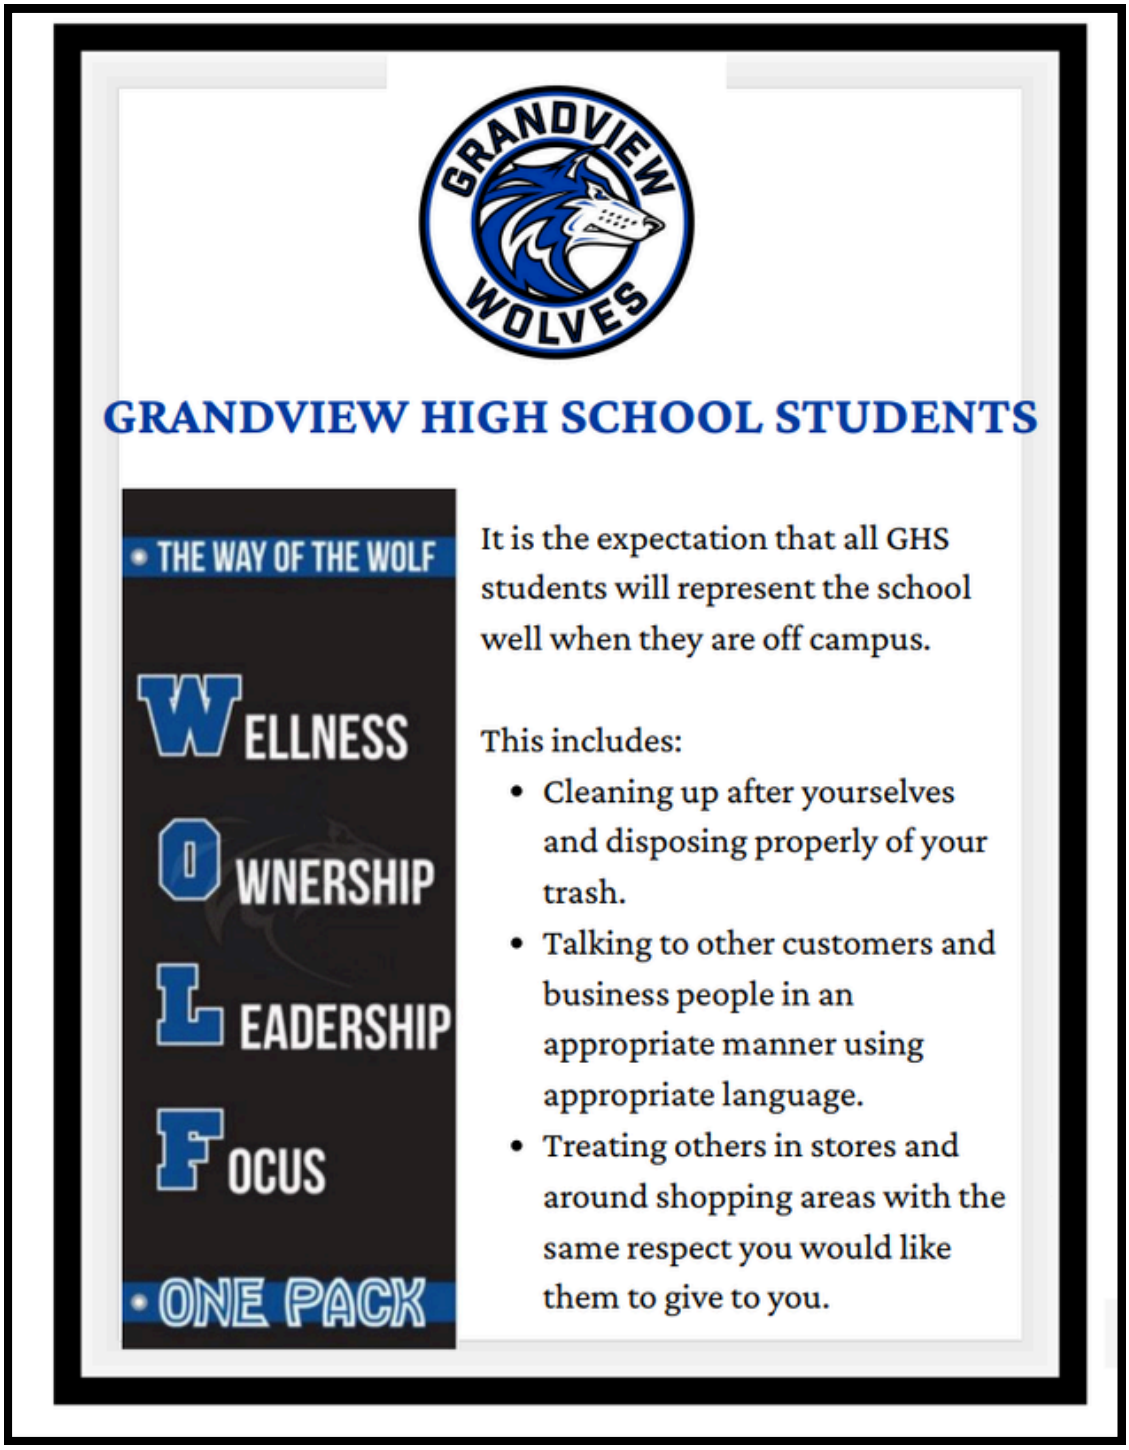

Per Cherry Creek Board Policy (JH), excused absences include illness, medical appointments, family emergencies, religious observations, school-sponsored events, and pre-approved absences. A medical note is recommended for illnesses or doctor/dentist appointments. In the case a doctor's note is provided, the absence will be marked with excused medical (M) and will not count towards the student's total number of absences. A student may not be excused by a parent or guardian from classes while the student is on campus, including make-up work or to take a test for another class.

Student Parking Passes

Student Parking Passes (NO FEE!): Students, if you have not done so already, please get your 2026-27 Parking Pass. Please visit the GHS website (Students – Parking) to submit your license, insurance, and registration information; then go to the Lower GHS Security Vestibule to obtain your physical parking pass. Remember, there's no fee for a student parking pass. Be sure to drive and park appropriately and safely.

DEANS' CORNER AND SCHOOL SAFETY

Wolf Community, recently, there has been an increase in student behavior concerns on and around the Saddle Rock Marketplace property adjacent to Grandview. Students, as a reminder, we expect you to positively represent GHS on and off campus, including properly disposing of trash, interacting with others appropriately, and treating others as you would like to be treated. Please see the flyer above that was shared with the marketplace.

Sincerely,
GHS Administration

DECA

We have had a great start to our competition season! Starting with the Smoky Hill Buffalo Stampede DECA Invitational on October 3rd. We took 8 competitors and 4 judges/workshop presenters, to represent for the Wolves! Everyone improved their role-playing skills, and we came away with one 1st and one 2nd place finisher, each for their section: Sophia Irick and Abigail Jackson. Then on October 5th and 6th we went up to Fort Collins to participate in the Old Town Throw Down. Students had the opportunity to have an experiential role play. Rocky Mountain High School's DECA chapter partners with 30 businesses in Old Town Fort Collins and students get to present their role play in the business that relates to their category. We also enjoyed tours of Buccee's, Scheels, Blue Arena, and Colorado State University.
Congratulations, Wolves!

WELCOME TO NOVEMBER!

Grandview Wins National Health Award!
Grandview was one of 12 CCSD schools that have been named to the Alliance for a Healthier Generation's 2026 America's Healthiest Schools Award list. This national award recognizes schools that go above and beyond to support the whole child. Grandview was recognized across five of the nine categories: School Health Services, Local School Wellness Policy, Physical Education & Activity, Health Education, Staff Well-Being. Grandview was the ONLY traditional high school in CCSD to win this award. For more information, please visit https://www.healthiergeneration.org/take-action/schools/award.

Red Ribbon Week
Red Ribbon Week is the nation's oldest drug prevention awareness campaign. Observed each year from October 23 to 31, it began in 1985 after Drug Enforcement Agent (DEA) Special Agent Enrique "Kiki" Camarena was killed in the line of duty while working to combat drug trafficking. In the wake of his death, communities began wearing red ribbons as a symbol of their commitment to being drug-free. Today, "Red Ribbon Week" helps educate youth about the risks of substance use to encourage healthy choices.

Grandview Mental Health Staff in Classrooms
- Suicide Prevention: Health Classrooms received a follow up lesson to the Signs of Suicide prevention curriculum, where students learn to identify the signs of suicide, depression and how to seek help for themselves or a friend.
- Drug Education: Anatomy Science Classrooms will receive presentations focused on how drugs impact neurotransmitters, brain development and brain activity. Advisory Classrooms also got information regarding "Red Ribbon Week."

CCSD Adolescent Substance Use Prevention, Intervention, Resources & Education (ASPIRE)
Did you know that each CCSD high school has a full-time mental health staff member dedicated to support students with substance use prevention and intervention? Please reach out to Grandview's ASPIRE Team Member Annie Walters at awalters@cherrycreekschools.org for more information!
