November 2026

Dear Families,

October was full of exciting opportunities, unique experiences, and LOTS of learning! Small group instruction is moving across the building, with additional intervention and supports provided for students that need it. We're looking forward to enjoying the holiday season together and continuing to see what our students can accomplish.

- Student Learning - Our new technology curriculum has been started during the technology time each week. This program, provided through a grant from Honda, will provide opportunities for our students to think critically, creatively, and have exposure to STEM activities during their technology time.
- Community Partnerships - We've been reaching out to local businesses to help support future projects and events. We're proud to announce that Marysville Tim Horton's will be sponsoring our Breakfast with a Veteran on Veterans Day this year.
- Financial Stability - We continuously review our expenses and budget to ensure that we are providing high quality education and being responsible stewards of our taxpayers money. Additionally, we continue to seek avenues to provide additional funds without further asking for funds from our families (Kroger Rewards and Box Tops are two great ways we've found!)
- Safety & Wellness - Through an opportunity from Honda, we were able to host the Flagman assembly to discuss road, passenger, and driving safety with all of our students. They all enjoyed this high energy assembly and learned the importance of being active passengers. You can check out a video shared on our Facebook page to learn more about the event.

At any point during this year please feel free to reach out to your child's teacher or myself with any questions, concerns, or celebrations. We look forward to partnering with you this year!

Sincerely,

Jess Parthemore, Ed.S.
Principal

Reminder

Picture retakes are on November 3rd. Bring your full picture package if you would like to have a new picture taken. You can pick up forms in the office if you missed picture day.

Pickup Reminder

If you pick your child up please have your car sign visible. Especially on bad weather days. If you need a car sign email raymondoffice@mevsd.us and one will be sent home with your child.

Water spills, mud slides, & syrup days...oh my!

Just a reminder that we ask that all students keep an extra change of clothes in their backpacks. We see kids in the office/clinic regularly who ask to borrow a change of clothes due to a water bottle spill, water from the play equipment at recess, food/drink spills, and bathroom accidents, and we are limited on clothing that can be borrowed, especially when borrowed clothing isn't returned. ***Be sure to update that outfit out for the changing seasons!***

During the holidays our Raymond families and staff help other Raymond families in need. At Thanksgiving, our staff collects food to provide family meals and in December we put up a Giving Tree in the office to help provide holiday gifts for Raymond children.

If you are a family that needs assistance please fill out this form by November 13, 2026.

Holiday Assistance Form

Rest assured that your information will be kept confidential.

If you have any questions please contact the school office at 937-578-7200 or email raymondoffice@mevsd.us.

We are always happy to help!

Outdoor

We do try to have the children go outside for recess as long as the temperature with wind chill is over 20 degrees. We have noticed a few students have been underdressed for the weather now that it has turned a bit colder. Please be sure to send your child with a winter coat, hat and gloves for those cold days! If you are in need of a winter coat, hat or gloves, just contact the office at 937-578-7200 or raymondoffice@mevsd.us and we will take care of your child!

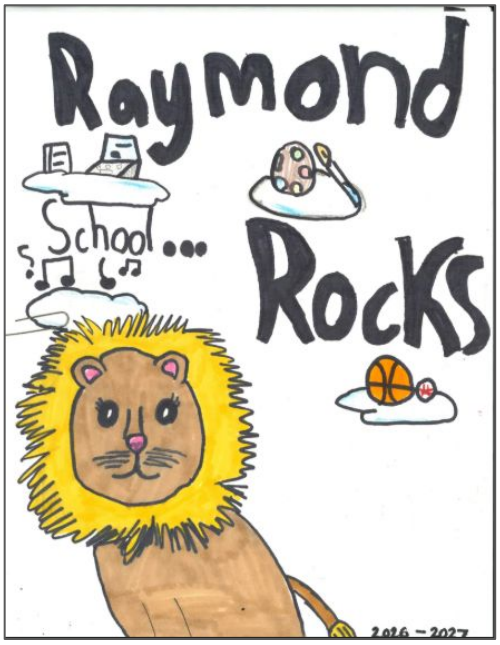

Veterans Day Celebration

Each year Raymond Elementary holds a Veteran's Day assembly to honor our Veterans. All are invited to attend. This year it will be on November 11, 2026 at 9:30 am in the gym.

Be sure to fill out the Military Connections form that Ms. Parthemore sent out.

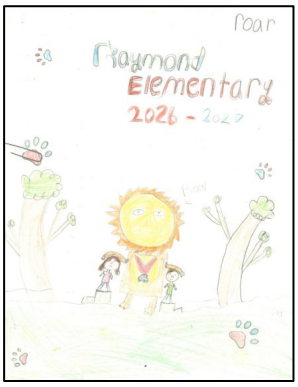

A veteran is someone who has or is serving in one of the branches of the US military: Air Force, Army, Coast Guard, Marine, Navy, or Space Force.
