Capital High School Dance Expectations 2026-2027

The following expectations are for current CHS students and must be signed by the student and parent prior to buying a ticket.

*****Guests and parents must also sign this form, be less than one year out of high school, and may not be in middle school.***

*****Guests of CHS students must be "in good standing" with the Capital High School staff, faculty, and community.***

*****Capital High School's Administration and/or Student Council reserve the right to revoke guest privilege and/or admittance.***

These expectations are defined to help ensure that everyone has a safe and fun-filled Dance. Remember, dances are a Capital High School sponsored event, and therefore, the same school rules and expectations apply at dances. The following are expectations that will be upheld this year:

- Please conduct yourself in a respectful manner.
- Dress code is school appropriate.
- Dance with respect for your partner and the other students and adults in attendance. This dance is sponsored by Capital High School. Simulating sexual acts or groping your partner while dancing is not acceptable behavior. This includes grinding, twerking or anything else. Face to Face with Space.
- Appropriate behavior is expected. Remember that the CHS Dances are an alcohol- and drug-free event. Breathalyzers are used at the door. Any student found to be in possession or under the influence of alcohol or drugs will be turned over to the local police authorities. Students who violate the alcohol or drug policy are subject to suspension from school and loss of privilege to participate in graduation ceremonies and/or future dances.
- Admittance into the dance will not be allowed one hour after start time.
- The CHS student and his/her parents are responsible for the guest's behavior. If there is a problem with a guest, the CHS student will lose all privileges to bring a guest to any future CHS dances.
- All students and guests must leave dance location immediately at the conclusion of the function. The dance start and end times will be properly noticed prior to the dance happening.
- All guests who are of high school age must be enrolled in school and in good standing with that school. Guests who are former CHS students must have left in good standing. Former students from CHS who are attending another school must be in good standing at that school. Individuals who have dropped out or discontinued attending CHS and are not attending another school will not be admitted.
- By signing this contract, both CHS student and Guest give permission for their image to be used on school-sponsored social media accounts.
- CHS requires students to sign this contract before attending any dance.

I agree to dance in an appropriate manner as defined by CHS administration and faculty. Face to Face with Space.
