Downloading the Frontline Mobile App

This article explains how to download the free Frontline Education Mobile app. This app provides increased accessibility to absence, time, and other system-related features. You can download and access this app in a few quick steps.

Getting Started

- Access the app store on your mobile device.
- Enter "Frontline Education" in the search bar.
- Press the **Get** or **Install** button and install the app.

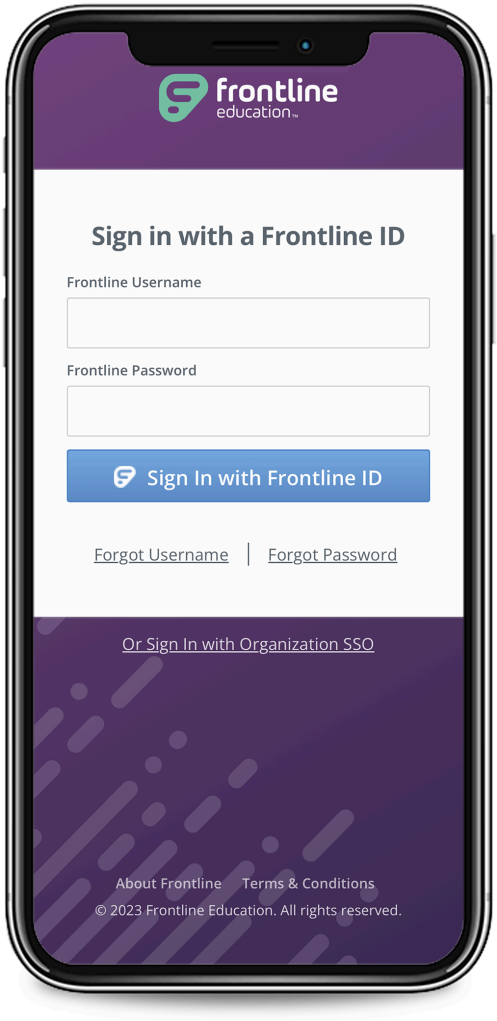

Note: You can alternately scan the following Apple/Android QR code for quick access.

Apple Device

Android Device

- Once the download is complete, a welcome page will display. Press **Get Started** to proceed.
- The Sign In page then appears. Enter your Frontline ID account or use SSO and sign in.
