INTEGRITY

Choosing to be truthful in
whatever you say and do

Integrity OCTOBER 2026

SAY IT:

Integrity: Choosing to be truthful in whatever you say and do

KNOW IT:

ASK A GROWN-UP:

- How does it make you feel when someone isn't truthful with you?
- How does it make you feel when someone is truthful, even when it is hard?

ASK A KID:

- Have you had someone tell you a lie recently? How did it make you feel?
- Can you think of a time you told a lie? How did that make you feel?

SEE IT:

Read the following quotes and have each family member pick their favorite. Tell each other why it is your favorite and what it means to you.

"Always do right. This will gratify some people and astonish others." — Mark Twain

"The time is always right to do what is right." — Martin Luther King

"When I do good, I feel good. When I do bad, I feel bad." — Abraham Lincoln

"Honesty is the best policy. If I lose my honor, I lose myself." — William Shakespeare

"Anyone who doesn't take truth seriously in small matters cannot be trusted in large ones either." — Albert Einstein

BE IT:

As a family, create a quote about honesty, truthfulness, and integrity. Decide why it is important, how it supports the family, how it improves your life and others' lives, and the positive impact it has on the world. Once you have a quote that summarizes the importance of integrity, write it on a poster and hang it where the whole family can read it every day. When you are in a situation that calls for honesty and integrity, remember your family quote and proceed with integrity.

PHASE Integrity OCTOBER 2026

Before you can lead
someone where they need
to go, you need to know
where they are.

That's why it helps to understand what's changing....physically, mentally, relationally, culturally, emotionally, and morally.

The more you know them, the more they will...

- Know they matter.
- Believe they can win.
- Feel like they belong.
- Decide what they should do.

Remember, if you don't know who you are talking to, you can't really expect them to listen.

So don't miss it. The better you understand who your kids are now, the better they'll understand who they're meant to be.

The SS4A project is a community initiative focused on improving roadway safety for all users, including students, parents, pedestrians, bicyclists, and drivers. Through this effort, we are collecting public input to identify traffic safety concerns, dangerous intersections, speeding issues, and opportunities for safer walking and biking routes throughout our community.

HELP MAKE CENSUS TRACT 113.0 SAFER

University of West Alabama & City of Livingston Safe Streets and Roads for All (SS4A) Safety Action Plan

The University of West Alabama, the City of Livingston, and Allen Engineering and Science are developing a transportation safety plan to reduce serious crashes and improve safety for everyone who travels within Census Tract 113.0 of Sumter County, Alabama.

Tell Us:

- Where do you feel unsafe driving, walking, or biking?
- Where do you see speeding or traffic concerns?
- Which intersections or roadways need improvement?
- What transportation improvements would make the area safer?

Help **Child Find** Locate Children with Disabilities

What Is **Child Find**?

Child Find is a statewide effort by the Alabama State Department of Education and the Department of Rehabilitation Services to locate, identify, and evaluate children with disabilities from birth to age 21.

How Does **Child Find** Work?

Early Intervention and Special Education Services work closely with community service agencies, parents, and local school systems to locate children with disabilities. A toll-free number is provided for parents or other persons interested in information about referring a child from birth to age 21.

Why Is **Child Find** Important?

It helps the child, the family, and the provider to plan appropriate services and link families to services for students meeting eligibility requirements in the following disability areas:

- | | |
|---------------------------|----------------------------------|
| ■ Hearing Impairment | ■ Speech and Language Impairment |
| ■ Deaf-Blindness | ■ Visual Impairment |
| ■ Intellectual Disability | ■ Specific Learning Disabilities |
| ■ Multiple Disabilities | ■ Autism |
| ■ Orthopedic Impairment | ■ Traumatic Brain Injury |
| ■ Other Health Impairment | ■ Developmental Delay |
