2027-2028 Registration Information

Dear Parents and Guardians,

Enclosed are Eureka High School's registration materials for the 2027–2028 school year. Please review these materials with your student and complete the registration form by **Friday, December 4th**

This mailer includes the following materials:

1. **Course Registration Form:** Complete and return this form to your student's current middle school.
2. **EHS Academic Planning Guide**
3. **Online Course Catalog:** Detailed descriptions of all courses are available at https://ehs.eurekacityschools.org/counseling. Select Counseling and choose Course Catalog from the menu.

Please note that Eureka High School will transition to a seven- period schedule to allow students more elective choices and easier completion of a pathway. An extra line for electives has been added to the course registration form.

As you review these materials, please discuss your student's academic progress, progress toward graduation, and postsecondary plans. Help your student select courses that meet graduation requirements and support their T-2-4 goals: technical training, a two-year college, or a four-year college.

After completing the registration materials, your student must return the registration form to Eureka High School no later than **Friday, December 4th.**

- **8th grade students will return the registration form to their History teacher.**

Your student's EHS counseling team is available by phone or email to answer your questions or concerns.
