MIDDLE SCHOOL SCIENCE CLUB

Garden Salsa Day

The Middle School Science Club made salsa with some of the produce from the Middle School Garden!

Fresh from our garden!

8th Grade STEM Seed Dispersal Challenge

8th Grade STEM competed in our bi-annual **Seed Dispersal Challenge**, where students design a prototype to carry a paperclip 'seed' a minimum of **2 feet**. Students then compete in class to see whose prototype carries the seed farther, using primarily wind.

Top Prototype Designs

1. 1st Place - Acien Brown — 50.75 in
2. 2nd Place - Jax Abbadessa — 49.5 in
3. 3rd Place - Finn Reed — 43.25 in

Way to go STEM!

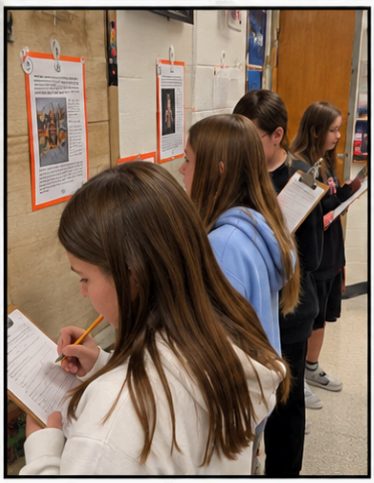
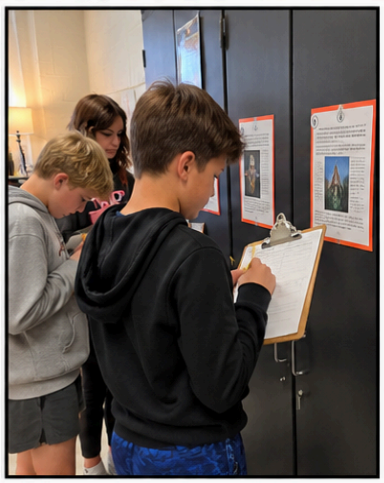
Mrs. Waller's 6TH GRADE FOUNDATIONS





Mrs. Waller's 6th grade Foundations class did a scavenger hunt around the room to build background information about the book they are about to read.

7TH & 8TH GRADE JAG

TEAMWORK
COMMUNICATION
LEADERSHIP

7th and 8th grade JAG students participated in a camping themed team-building exercise. Students were placed in teams and given a tent to assemble with their team. After the building was completed, we went inside and shared a campfire treat (S'mores Chex Mix), and continued getting to know their peers by having a campfire chat. During the chat, students shared stories, successes, life lessons learned, and more.

8th Grade Science

Net Force ESCAPE ROOM

8th Grade Science students reviewed for their upcoming quiz in our Net Force Escape Room! Groups worked to crack a series of puzzles relying only on their team's understanding of forces.

Great job, Science!

8TH GRADE HISTORY

Students in Mr. Anderson's Exploratory History class are learning about the experiences of American soldiers during World War II. Last week, they connected that history with military service today through a visit from SSG Myers of the Army National Guard.

SSG Myers spoke with students about the history of the National Guard, the role of the Missouri National Guard, and his own experiences serving as a Soldier. Students learned what life in the Guard is like, heard about his experiences during deployments, and had the opportunity to ask questions about military service.

They even got a small taste of Army physical fitness by practicing the Army's Hand-Release Push-Up!

A big thank you to SSG Myers for taking the time to visit our classroom and share his experiences with our students!
