- D. Approval of Award of Contract with Coast Construction Group for the SKUSD – CTE Phase I Rough Grading at RHECC in the amount of \$520,538.00 – *Irving* ACTION

On Wednesday, October 28, 2026, bids were opened for the RHECC CTE Phase I Rough Grading.

Two (2) general contractors attended the mandatory job walk. Both submitted a sealed bid.

The Uniform Public Construction Cost Accounting Act (the “Act”) adopted on September 16, 2008 (BSA-23-08/09, Resolution No. 15-2008/09) provides an alternative method for public agencies to obtain bids and perform public projects. For projects of more than \$200,000, formal bidding procedures will be followed (PCC 22032(c)). If no bids are received, the District may negotiate a contract or use their own workforce. The award of contract and use of own workforce “force account” is still subject to approval by the Board of Trustees.

It is recommended that the Board of Trustees approve the contract to the lowest responsive bidder, Coast Construction Group.

Proposal for Project Inspection Services for Rosamond CTE Building (Ph. 1 Grading) 03-125950

RE: DSA Inspection
Dear Ms. Gaines:

We would like to submit to you the following price proposal for DSA inspection services of the **Rosamond CTE Building (Ph. 1 Grading) 03-125950**. Due to the nature of the work as noted in the plans we believe that the work as noted can be inspected effectively by our team in the area without the need for a full time DSA inspector. We believe that DSA will agree with our assessment and therefore provide the District with a substantial savings in the inspection cost of the project. Therefore, we would like to propose the following:

Project Duration Estimate:	45 calendar days
Total Cost (Part Time)	\$ 37,600.00
Fixed Price Proposal Total	\$ 37,600.00 (billed on % complete)

Our services include only the DSA Project Inspection (PI) services noted on the attached DSA103 form. All Laboratory of Record (LOR), Special Inspection (SI), or Geological Engineering (GE) services noted and not included in the estimate. Any schedule over run less than 45 days included, billed hourly beyond 45 days.

Thank you very much for your consideration and please let me know if you have any questions or concerns.

Sincerely,
Khurt A. Geisse
President,
3K Building Services, Inc.

ROUGH GRADING GEOTECHNICAL TESTING SERVICES & LIMITED CONCRETE TESTING PROPOSED CTE BUILDING ROSAMOND HIGH EARLY COLLEGE CAMPUS

INTRODUCTION

Earth Systems Pacific [Earth Systems], DSA LEA Laboratory 050 in coordination with our Palmdale office, is pleased to have been requested to submit this proposal to perform geotechnical (soils) testing and monitoring with appropriate DSA 293 reports for the proposed CTE Building at Rosamond High Early College Campus. Earth Systems is very well qualified to provide these services for the Southern Kern Unified School District, having performed these same services for a majority of local projects for over 40 years with project fees ranging from a few thousand dollars to multi-million dollar testing fees for large multi-year projects with values in the hundreds of millions of dollars. The local team proposed for this project are very familiar with DSA regulated projects and this site having written the geotechnical soils report for the project. Earth Systems prides itself and is well known for our attention to scheduling, readily available interaction with the District and Project Inspectors, and being the “go to” to get a job completed with attention to budget and schedule. Our estimate is provided within for the soils (geotechnical) portion as Geotechnical Engineer of Record (GEOR).

This commission will be provided by Earth Systems Pacific’s Bermuda Dunes and Palmdale offices. The Primary Contact and Project Manager will be:

Kevin L. Paul, PE, GE
Vice President, Principal Engineer
Office Telephone: 760-345-1588
Cell: 949-698-8642
Email: kpaul@earthsystems.com

Dispatch will be provided by speaking or emailing to Mr. Josh Thomas at JThomas@earthsystems.com (760-702-0711).

The scope of services is based on the California Building Code [CBC] and Division of State Architect, (DSA) requirements, and the project plans, and is summarized below. Engineering aspects of this project will be performed under the technical supervision and project management of Mr. Kevin Paul, GE# 2930, Vice President and Principal Engineer. Our services will be on an “as-requested” basis by your onsite representative. We have based our services, in part, on the project plans (Flewelling & Moody Architects, dated 9/18/2026). A specific construction schedule indicating construction effort was not available for our review in preparation of this proposal; however, construction was indicated as 45 days. As such, we made assumptions for the required inspection schedule based on our experience with similar scale projects.

PROPOSED SCOPE OF SERVICES

The purpose of Earth Systems’ services is to provide the Client with soils observation and compaction testing (Geotechnical Engineer of Record) and laboratory test results. The project scope of work consists of rough grading for the CTE Building footprint, retention basin, and all

site improvements as shown in the limits of grading. Our services are for use in evaluating compliance of the construction with the project plans and specifications. Construction testing services for this project will include (as-requested):

SOIL COMPACTION TESTING

Rough Grading Observation and Compaction Testing

The purpose of our services is to provide geotechnical observation and soil compaction testing of soils used during rough grading relative to ASTM D 1557 maximum densities and optimum moisture content. Earth Systems technical staff will be onsite full-time (when requested) during grading for buildings and improvements to verify conformance to requirements set forth in the project geotechnical engineering report, plans, and specifications as is required by the California Building Code. Based on the data at our test location, a relative compaction will be provided. Testing may be performed in general accordance with ASTM D 1556, Standard Test Method for Density and Unit Weight of Soils in Place by the Sand Cone Method, ASTM D 6938, Standard Test Method for In-Place Density and Water Content of Soil and Soil-Aggregate by Nuclear Methods, or other correlated evaluation, such as hand probing. Engineering and geologic staff may also provide intermittent observation during grading as well as technical supervision, project review, and project management.

Hardscape Soils Compaction Testing

The purpose of our services is to provide compaction testing of the subgrade soil and aggregate base relative to ASTM D 1557 maximum densities. Compaction testing of prepared subgrades and Asphalt Concrete is anticipated. Based on the data at our test location, a relative compaction will be provided. Testing will be performed in general accordance with ASTM D 6938, *Standard Test Method for In-Place Density and Water Content of Soil and Soil-Aggregate by Nuclear Methods*, ASTM D 2950, *Standard Test Method for Asphalt Concrete and Hveem*, and other correlated evaluation. We anticipate providing these services on an "as-requested" basis for the compaction of the soils and any aggregate base.

Laboratory Conformance Testing

Laboratory Quality Assurance conformance testing of soils used during grading may include determination of Expansion Index and corrosion potential of building pad soils, and maximum density-optimum moisture of fill soils. AC gradation and density may also be evaluated.

We have assumed the contractor will submit conformance testing and request approval of any soil to use as import fill not obtained from pre-approved sources, prior to placement as per California DTSC requirements, and have not included DTSC evaluation of import fill.

SPECIAL INSPECTION AND MATERIALS TESTING

Concrete Sampling and Testing

Concrete sampling and testing will be performed when requested during the placement of structural concrete with strengths in excess of 2,500 psi. Batch plant inspection, sampling, slumps tests, temperature monitoring, and compression testing of concrete specimens in accordance with the approved project plans and specifications. Concrete sampling will be

provided by a certified American Concrete Institute [ACI] concrete field-testing technician. Concrete cylinders will be laboratory stored in a temperature-controlled environment until compression tests are performed. Compression tests will be performed to test concrete strength at the specified intervals. Reports documenting the test results will be provided.

TECHNICAL MANAGEMENT AND REPORTS

We will provide technical management of our field staff, including review of test procedures, test results, and daily field reports for general construction progress. Our staff will work closely with the Client and the assigned Project Inspector. Items within our scope of service found in non-compliance with the project requirements will be brought to the attention of the general contractor's construction superintendent and/or your responsible representative for resolution and schedule of retesting. As re-inspection items can have an impact on our budget, our Project Manager will review the field reports to monitor items requiring re-inspection and the hours involved in re-inspection. These items will be documented and the information can be forwarded for appropriate action and tracking of potential change orders to our contract, and/or back charges to the contractor by the construction management firm, if requested.

Daily field reports will be prepared for the inspections. Project management and technical supervision will be provided by engineering and geologic staff. Final as-built DSA 293 reports will be prepared at the conclusion of the project in a timely manner.

SCHEDULING, CONSULTATION, AND CANCELLATION

Dispatch is provided by speaking to our Field Services Supervisor who can assist in determining what testing or inspection is needed and is provided by speaking or emailing to him, Mr. Josh Thomas – Field Services Supervisor, at JThomas@earthsystems.com (760-702-0711).

The Client or their representatives are responsible for contacting Earth Systems when services are required and are responsible for monitoring the requests for service and recognizes that the efficiency with which Earth Systems' services are utilized will have a significant effect upon the costs for testing and inspection. Earth Systems will work with the Project Inspector to attempt to group inspections for efficiency and reduced cost.

During construction, we will make every attempt to service last minute requests, however, please try to notify Earth Systems at least 24 hours in advance of the need for technician services and 48 hours for special inspection. Last minute requests are rarely efficient in time or cost to the project.

Earth Systems requests and expects the contractor's cooperation in providing suitable and safe access to the designated work areas and security while working on the site. If requested, Earth Systems will provide suitable and safe access, however this will be considered a change in scope to this proposal and the costs negotiated.

Earth Systems personnel will not supervise the contractor's work in any way. Earth Systems' presence or absence on the project in no way relieves the contractor of his responsibility to provide a completed project in compliance with the project plans and specifications.

Neither the professional activities of Earth Systems, nor the presence of Earth Systems or its employees and subcontractors, shall be construed to imply Earth Systems has any responsibility for methods of work performance, supervision of work, sequencing of construction, or safety in, on, or about the job site.

When scheduling demands, or out of area testing and inspection necessitate the use of contract services, the services will be invoiced at the rate of cost plus 20%. Contract technicians and inspectors will be billed at the agreed upon hourly rates presented in our estimate.

While we would provide the deputy Special Inspection, our services are not intended to act as the in-plant DSA inspectors for offsite fabrication of items such as elevators, modular buildings, or any other service requiring a DSA Class level project inspector (aka Inspector of Record).

ESTIMATED FEES

The proposed services will be provided on a "Time and Materials" fee* basis per Earth Systems' Fee Schedule at the time of service which may vary depending on DIR prevailing wage determination increases. Our estimate of the services required is also attached and details the proposed \$107,088.00 fee breakdown for Geotechnical Monitoring.

Our goal is to provide a realistic cost estimate for what the project requires in the way of Special Inspection and Materials Testing. We do not try to "low ball" or have unrealistic assumptions that we know a contractor or schedule will not meet in order to have a low initial estimate. Our clients appreciate our estimates and relative lack of change orders on their jobs and realize our inherent office philosophy of being efficient and cost-conscious for the requested services based on our experience with the hundreds of projects our team have worked upon. We aim to be as transparent with our fees and time billed as possible and are always ready to provide answers to any questions asked.

Actual fees will be dependent upon the services requested and contractor performance. Therefore, services listed may or may not be performed. Unknown factors relative to construction schedules and other requested services could affect budget numbers dramatically.

In general, technician field time will be billed portal to portal with a 4-hour minimum, then in 2-hour increments to 8 hours. Overtime will be billed in 1-hour increments. Special inspectors will be billed in 4-hour increments to 8 hours. Special Inspection overtime will be billed in 1-hour increments. Staff trips to the site or shop will generate a unit rate trip charge (round trip charge) as a cost billed to the job. This rate includes typical tools (shovels, etc., and other hand tools which are listed without cost in the estimates). Tools outside of those listed will be billed per the Fee Schedule. Where Fee Schedule rates are different to that described within, the rates within the Fee Schedule shall govern. Professional engineering review will be provided at the principal engineer rate for review of daily reports, lab results, RFI's, etc in order to provide engineering oversight of the project as required by Code for geotechnical and laboratory of record Standard of Care and requirements.

Normal billing rates are for testing and/or consultation services being performed during normal business hours (normal business hours are from 7:00 am through 5:00 p.m., Monday through Friday). Work performed prior to 7:00 am, after 5:00 p.m., on Saturday, or legal holidays will be billed at Fee Schedule overtime rates (1.5 times base rate) as an extra expense to the project. Other time and Sunday will be billed as per the Prevailing Wage multiplier requirements. Additional services requested or not described will be invoiced at the above Fee Schedules rates.

WHY EARTH SYSTEMS?

Because we offer the experience, stability, and professionals you can depend on. Since 1969, Earth Systems has successfully supported thousands of K-12 and higher education campus projects throughout the State of California. Our longevity is a direct result of our technical expertise, our strong internal culture, and the lasting partnerships we've built with public agencies. We're not going anywhere—and we'll be here to support you and this project.

The staff proposed for your project bring not only technical skill and extensive knowledge of local soil conditions, but also institutional knowledge of DSA requirements and school district expectations garnered from working on a large volume and variety of public school campus projects. They are long-term employees who have built their careers at Earth Systems thanks to our supportive and collaborative culture, focus on people, and shared pride in helping clients succeed. It's what we do, and we love our jobs.

We understand the complexities of working in active school environments. Our team operates with an awareness of the broader campus context and works diligently to reduce disruption. We are trusted by DSA and local school districts alike for our ability to coordinate effectively, anticipate challenges, adjust accordingly, while maintaining safety and upholding project continuity.

While cost is a major component for any project, our approach prioritizes accuracy and completeness from the start. We develop realistic estimates that are grounded in our decades of experience with hundreds of successful projects. They reflect the full scope needed to address and meet project criteria and DSA and design team requirements the first time around. We may not always be the lowest bidder, but our thorough, realistic approach helps avoid costly revisions or delays and paves the way for the project to be executed, finished, and closed without issue.

Our role is to represent the District's interests throughout construction for quality assurance to ensure that geotechnical and inspection aspects of the project are clearly defined, understood, and met, and that any constraints are addressed. We accomplish this by establishing expectations early, through clear, concise communication with clients, District staff, designers, contractors, and subcontractors, and working closely with all parties throughout the duration of the project. We know some contractors bid low and hope to recover costs with change orders. We work to prevent that by identifying issues early and ensuring geotechnical and inspection needs are addressed during construction.

Our in-house laboratories are identified through Division of the State Architect—LEA ID #6 (Ventura), #50 (Bermuda Dunes), #57 (San Luis Obispo), # 155 (Hollister), and #243 (Santa

Maria). Having multiple labs allows us to control sample handling, chain of custody, and quality of tests so accurate results can be assured. Laboratory equipment is calibrated quarterly, mid-year and annually (as applicable) and the calibrations are traceable to the National Bureau of Standards. Tests are conducted by trained technicians and/or inspectors in accordance with ASTM, Caltrans, and other applicable laboratory standards. As applicable, our various labs follow the protocols of an in-house Quality Assurance Program that meets the requirements of oversight agencies, including the Division of the State Architect, Army Corps of Engineers, Caltrans, Office of Statewide Health Planning and Design (OSHDP), and the American Association of State Highway and Transportation Officials (AASHTO) through AMRL and CCRL independent inspection and Quality Assurance.

We hope this response conveys our enthusiasm and expertise to provide quality geotechnical engineering, materials testing and special inspection services in support of the District. We appreciate your consideration of Earth Systems and look forward to working with the District.

For this project our estimated fees are provided in the Cost Estimate attachment.

TERMS FOR SERVICE

The following terms and conditions shall be incorporated into the agreement for services and form the basis for the fees developed within. Contract terms more onerous than presented within or insurance greater than \$1,000,000 typical limit could incur greater fee.

- 1. STUDY, MONITORING & INSPECTION:** If the services include monitoring or inspection of soil, construction and/or materials, Client shall authorize and pay for Consultant to provide sufficient observation and professional inspection to permit Consultant to form opinions according to accepted statistical sampling methods as to whether the work has been performed in accordance with recommendations. Such opinions, while statistically valid, do not guaranty uniformity of conditions or materials. Similarly, soils and geology investigations do not guaranty uniformity of subsurface conditions. Client hereby represents and warrants that it has provided and shall provide to Consultant all information and sufficient advance notice necessary in order for Consultant to perform the appropriate level of services. No statement or action of Consultant can relieve Client's contractors of their obligation to perform their work properly. Consultant has no authority to supervise or stop the work of others.
- 2. SITE ACCESS & UTILITIES:** Client has sole responsibility for securing site access, locating utilities, and any repair.
- 3. BILLING AND PAYMENT:** Client will pay Consultant the proposal amount or, if none is stated, according to the fee schedule in effect at the time our services are provided. Prior to initiation of fieldwork, a retainer may be required. This retainer shall be maintained throughout the project and shall be applied to the final invoice. Payment is due on presentation of invoices, and is delinquent if Consultant has not received payment within 30-days from date of an invoice. Client will pay an additional charge of 1-1/2 (1.5) percent per month (or the maximum percentage allowed by law, whichever is lower) on any delinquent amount. Each payment will first be applied to accrued interest, costs and fees and then to the principal unpaid amount. All

time spent and expenses incurred (including any in-house or outside attorney's fees) in connection with collection of any delinquent amount will be paid by the Client to Consultant per Consultant's current fee schedule. Payment by Credit Card is subject to a 3% additional fee.

4. OWNERSHIP OF DOCUMENTS: Consultant owns all documents it creates and grants Client limited license to use the documents for the purposes stated in the documents. Consultant reserves the right to withhold delivery of documents to Client until payment in full of current invoices has been received.

5. TERMINATION: This agreement may be terminated by either party effective seven (7) days from the date of written notice, or if the client suspends the work for three (3) months. In the event of termination, Consultant will be paid for services performed prior to the date of termination plus reasonable termination expenses. If Consultant has not received payment for any invoice within 30 days from the date of the invoice, or in the event of anticipatory breach by Client, Consultant may suspend performance of its services immediately and may terminate this contract.

6. RISK ALLOCATION: In order for Client to obtain the benefit of a fee which includes a lesser allowance for compensating Consultant for its litigation risk, Client agrees to indemnify, hold harmless and defend Consultant, its agents, employees, or officers, from and against any and all loss, claim, expenses, including attorney's fees, injury, damages, liability or costs arising out of non-design services (i.e., services other than as defined by Civil Code Section 2784) performed by Consultant on this project, except where such loss injury, damage, liability, cost, expenses or claims are the result of the sole negligence or willful misconduct of Consultant. Client further agrees to limit the total aggregate liability of Consultant, its agents, employees, and officers to Client on the entire project, to the greater of \$25,000.00 or total fees charged by Consultant, except that Consultant's liability for willful misconduct shall not be limited. These terms may be negotiable depending on the particular facts of your project. You should consult with an attorney experienced in construction contracts and litigation regarding this provision.

7. HAZARDOUS MATERIALS: Consultant is responsible only for hazardous materials brought by Consultant onto the site. Client retains ownership and responsibility in all respects for other hazardous materials and associated damage.

8. ASSIGNS AND THIRD PARTIES: This Contract is intended only to benefit the parties hereto. No person who is not a signatory to this Contract shall have any rights hereunder to rely on this Contract or on any of Consultant's services or reports without the express written authorization of Consultant. This Contract shall not be assigned by Client without the Consultant's written consent. This Contract is binding on any successor companies to Client or Consultant, and on the surviving corporation in the event of a merger or acquisition.

9. STANDARD OF CARE: Consultant agrees to strive to perform its services that are intended solely for the use of the Client, in accordance with that degree of skill and care ordinarily exercised under similar conditions by members of Consultant's profession practicing in the same or similar locality at the time of performance. No warranty or guarantee is expressed

or implied, and the same are specifically disclaimed. Consultant and the Client agree that there are risks of earth movement and property damage inherent in land development and repair and that Consultant has not been authorized to perform the exhaustive and economically unfeasible investigation necessary to eliminate such risks.

10. EFFECTS OF SITE EXPLORATION: It is understood that in the normal course of providing these services, Consultant may be required to access the site to perform field exploration. All boreholes will be backfilled at completion; however, some settlement should be anticipated. Consultant will attempt to minimize the effects of the exploration operations on the site. However, it must be understood that some damage to existing roadways, vegetation, or other improvements may occur. Consultant does not propose to restore the site to the same condition as was present prior to the exploration operations.

11. ENVIRONMENTAL SERVICES: The scope of geotechnical services does not include any environmental assessment or investigation for the presence or absence of wetlands, hazardous or toxic materials in the soil, surface water or groundwater, or air, on or below, or around the site.

12. GOVERNING LAW, SURVIVAL AND FORUM SELECTION: The contract shall be governed by laws of the State of California. If any of the provisions contained in this agreement are held invalid, the enforceability of the remaining provisions will not be impaired. Limitations of liability, indemnities, representations and warranties by Client will survive termination of this agreement. The signatories represent and warrant that they are authorized by the entities on whose behalf they sign to enter into this contract and that their principals have filed fictitious business name statements, if required. All disputes between Consultant and client related to this agreement will be submitted to the court of the county where Consultant's principal place of business is located and client waives the right to remove the action to any other county or judicial jurisdiction.

13. CLIENT'S REPRESENTATIONS: Client represents and warrants that the CA Public Contract Code 2600-2603 Skilled & Trained Workforce and the related statutes and regulations requirements (collectively referred to as "STW") are not applicable to this project. In the event that it is determined that the project or any of the services performed by Consultant on the project are subject to the STW requirements, Client agrees to reimburse, defend, indemnify and hold Consultant harmless from and against any and all claims, actions, demands, penalties, interest, expenses, and recoveries arising from or related to Consultant, its subcontractors and agents' noncompliance with the STW requirements. This indemnity shall include, but shall not be limited to, Client's obligation to pay any additional compensation necessary for Consultant to comply with the STW requirements. Client further agrees that Consultant shall have no obligation to comply with, be bound by, or assume any liability arising from any Project Labor Agreement, Community Workforce Agreement, or similar agreements that may be applicable to this project.

CLOSURE

If the proposed Scope of Services, Terms for Service and Fee are satisfactory, **please sign in the space provided or provide a Task Order for us referencing this proposal.** Based on the passing of Assembly Bill No. 2629, services may not commence until the execution of a written contract. This agreement can be terminated by either party by notification in writing. Earth Systems responsibility for the project will end upon completion of the services described herein or termination of the agreement, unless authorization to perform additional work and agreement for payment thereof is provided by the client. This proposal is valid for a period of 90 days. If authorized after 90 days, Earth Systems reserves the right to reconsider the fees presented herein.

If you have any questions or require additional information, please do not hesitate to contact the undersigned at (760) 345-1588.

Respectfully submitted,

FEE SCHEDULE

(Effective July 1, 2026)

This schedule presents rates for professional and technical services in the fields of geotechnical engineering, engineering geology, environmental consulting, construction observation and testing, and special inspection. Listed are charges for services most frequently performed by Earth Systems. Additional services not listed are available and can be discussed upon request; fixed-fee quotes for some services can also be provided upon request. To discuss scope of work and fees for a specific project, please contact our office.

<u>PERSONNEL</u>	<u>HOURLY RATE</u>
Principal Professional.....	\$310.00
Associate Professional	\$270.00
Senior Professional	\$245.00
Project Professional.....	\$205.00
Staff Professional/Field Services Supervisor.....	\$170.00
Special Inspector, Prevailing Wage*	\$180.00
Technician, Prevailing Wage*	\$170.00
Special Services/Caltrans Technician, Prevailing Wage*	\$180.00
Special Services Technician/Office - DSA Manager	\$170.00
Special Inspector	\$140.00
Non-Destructive Testing (NDT) Inspector	\$200.00
Technical Assistant	\$115.00
Technician	\$125.00
Clerical/Administrative	\$110.00

* Technician/Inspector Classifications as defined by the State of California Department of Industrial Relations.

BASIS OF CHARGES, GENERAL

1. Field technician services for regular work days for non-prevailing wage projects are subject to a 2-hour minimum charge and billed in 2-hour increments portal to portal. Special inspection is billed in 4-hour increments. Overtime is billed in 1-hour increments.
2. Work performed on Saturdays, night work, and for premium hours (before 7 a.m., after 5 p.m., or more than 8 hours in 1 day) for personnel are at time and 1/2; Sundays and holidays are at double time. Work performed on weekends, holidays, and when work starts outside of regular business hours is subject to a 4-hour minimum charge.
3. Charges are calculated in 1-hour increments and accumulate on a portal-to portal basis.
4. A 2-hour charge applies if scheduled inspection or testing is cancelled after 3 p.m. the day prior to the scheduled work.
5. Mileage is invoiced at a rate of \$1.05/mile (portal-to-portal).
6. Minimum plan review charge \$650.00 per 4 sheets.
7. Subcontracted materials, rental equipment, out-of-town travel, and similar expenses are charged at cost plus 20%. Fixed per diem rates for specific projects can be provided upon request. Subcontract services for technicians/inspectors and similar staff will be billed at the above hourly rates.
8. Unless noted otherwise, client or project portal management, administration, uploads, and related coordination are billed at applicable personnel rates.
9. Minimum report charge: \$295.00. Report copies: Per Quote. Posting DSA electronic documents to project websites will be charged at DSA Manager rates.
10. Trip charges available when proposed or requested.
11. Invoices are payable upon presentation. Invoices 30 days past due are subject to a service charge of 1.5 % per month. Payments using a credit card will be assigned a 3% surcharge.

PREVAILING WAGE PROJECTS

1. Field technician services for regular work days for prevailing wage projects are subject to a 4-hour minimum charge, then billed in 2-hour increments portal to portal. Special inspection is billed in 4-hour increments. Overtime is billed in 1-hour increments.
2. The prevailing wage (PW) rates presented herein are based on current rates established by the Department of Industrial Relations (DIR) through December 31, 2026. If, during the course of the project, prevailing wage rates are increased by DIR, rates are subject to adjustment. Also, please note requirements concerning overtime, shift work, travel time, holidays, and other factors can vary for different classifications of work under prevailing wage regulations.
3. State regulations require electronic submittal of Certified Payroll to DIR. A fee of \$80.00/week will be assessed. Additional time required to address specific requests of DIR/Labor Compliance will be charged at the administrative services rates.

FEE SCHEDULE – MATERIALS TESTING

(Effective July 1, 2026)

BASIS OF CHARGES

Rates for field work such as materials sampling, construction inspection, and field evaluation will be in accordance with the Personnel Rates listed in the basic Fee Schedule. The below listed rates apply to standard ASTM test methods. An additional hourly charge (\$125.00/Hour) will be applied for cutting, capping, or other preparation of non-standard samples and, where noted, for steel samples.

SOILS

All prices are based on California and Modified California sample sizes (2" – 2.5" diameter) unless noted otherwise. Preparation of 3" diameter samples adds \$21.00. Testing of contaminated soil will be per quote. Samples will be returned to sender for proper disposal.

Forging Future Engineers

Program Proposal 9/28/26

Prepared for Southern Kern Unified School District

Submitted to: Superintendent Barbara Gaines and Dr. Felicia Tolliver (Director of Curriculum and Instruction / ELOP)

Prepared by: Scott, CEO, Mech Masters LLC

Introduction

My name is Scott Merrill, CEO of Mech Masters LLC, and I am pleased to present this proposal to Southern Kern Unified School District. For the past two years, Mech Masters has partnered with the Eastside Union School District, running LEGO SPIKE Prime robotics programs at Eastside and Enterprise Elementary Schools, Minecraft Education programs at Columbia and Enterprise Elementary Schools, and, this past year, a competitive E-Sports program at Gifford C. Cole Middle School — and I am excited to bring that same experience to Southern Kern USD.

With 31 years of experience as a middle school STEM educator in the Palmdale School District, I bring a strong background in robotics, coding, and engineering education. I hold an Aerospace Engineering degree from San Diego State University and a current multi-subject California teaching credential with a single-subject authorization in mathematics. Throughout my career, I have developed multiple robotics and engineering courses, coached award-winning FIRST LEGO League and VEX Robotics teams, and hosted LEGO Sumo competitions.

Mech Masters is joined by Jerry Pontius, a recently retired educator with 35 years of experience in the Westside Union School District. Jerry holds a Master's in Education from Cal State Bakersfield and a Clear California Multiple Subject Teaching Credential with a Single Subject endorsement in Computer Concepts and Applications. He has extensive expertise in STEM education, having taught computer science, engineering, and robotics, as well as earning multiple Project Lead The Way (PLTW) certifications. As the longtime coach and mentor of the Joe Walker Science Jets, Jerry led teams that advanced to the Los Angeles Regional Championships nine times in 11 years, won the LA Regional Championship in 2016, and secured a spot at the 2017 FIRST LEGO League World Championships — an unprecedented achievement for an Antelope Valley team. He has also mentored high school FIRST Tech Challenge (FTC) and FIRST Robotics Competition (FRC) teams, including Lancaster High School's renowned Team 399.

With this combined experience, Mech Masters is ready to bring Minecraft Education to Rosamond and Westpark Elementary Schools and Tropico Middle School — giving SKUSD students the same hands-on, competition-ready programming that has already made an impact elsewhere in the Antelope Valley. We look forward to a long and rewarding partnership with Southern Kern Unified School District.

Proposed Program Structure

This proposal represents the first step in a broader E-Sports pathway for Southern Kern Unified School District — building foundational skills through Minecraft Education, with a clear on-ramp toward competitive, inter-district play.

Minecraft Education — Rosamond, Westpark & Tropico

Minecraft Education uses the classroom-focused edition of Minecraft to teach collaborative building, spatial reasoning, and introductory computational thinking. Sessions are structured around themed building challenges and cooperative projects that ask students to plan, problem-solve, and communicate as a team.

Content covered:

- Guided building challenges (architecture, world design, redstone circuitry) that scaffold from simple structures to multi-step engineering projects
- Redstone logic activities introducing basic circuits, switches, and automation as a hands-on entry point to computational thinking
- Collaborative world-building projects where students divide roles, plan layouts, and merge individual work into a shared result
- Digital citizenship and teamwork norms specific to a shared virtual environment
- Anonymous, per-site student accounts, allowing participation without personal or identifying logins

Minecraft Education Capture the Flag (CTF) League — Rosamond, Westpark & Tropico

Building on the core Minecraft Education program, Capture the Flag is a competitive league format that gives students an inter-school competitive outlet while reinforcing the same building and strategy skills developed in core sessions. Teams compete in structured matches across the season, culminating in a championship tournament.

Content covered:

- Strategy and map-based objective play: students design and defend structures while planning offensive routes to an opposing team's flag
- Teamwork and communication under time pressure, since matches require real-time coordination between teammates
- The same anonymous, per-site account structure used in core Minecraft Education programming

As part of this pathway, Mech Masters will partner with the Palmdale School District (PSD) to bring Rosamond, Westpark, and Tropico into an inter-district Minecraft Education CTF league and championship. League structure and championship timing are to be determined.

Site Schedule & Staffing

Site	Program	Frequency	Session Length	Staff
Rosamond Elementary	Minecraft Education	Tue & Wed	1.5 hrs	Jerry Pontius
Westpark Elementary	Minecraft Education	Tue & Wed	1.5 hrs	Scott Merrill
Tropico Middle School	Minecraft Education	Mon & Thu	1.5 hrs	Scott Merrill

Program duration: spring semester, January 11 – May 28, 2027, targeted to begin upon board ratification and completion of the site assessment.

Meeting Times

Site	Days	Regular Day	Minimum Day
Rosamond Elementary	Tue & Wed	2:10–3:40	12:55–2:25
Westpark Elementary	Tue & Wed	1:40–3:10	12:25–1:55
Tropico Middle School	Mon & Thu	3:20–4:50	2:00–3:30

Minimum-day times apply on the district's shortened-day schedule; sessions otherwise run at the regular-day times shown above.

Technology & Materials Needs

Minecraft Education is designed to run flexibly across laptops, Chromebooks, and tablets. As a 1:1 Chromebook district, SKUSD already provides the baseline hardware needed at all three sites, and the district's current A3 licensing covers Minecraft Education access.

For privacy, students will use anonymous, per-site accounts to access the Minecraft Education app rather than personal or identifying logins.

- Minecraft Education (Rosamond, Westpark & Tropico): district Chromebooks meet minimum hardware requirements; testing is recommended at each site to confirm compatibility with the Capture the Flag mod ahead of launch

Material and equipment costs are not included in this proposal. Mech Masters will work directly with the district to determine final materials needs and sourcing, with this support covered under the separate consulting engagement already approved by the Board.

Pricing

Support staffing costs are absorbed by Mech Masters LLC and are not billed separately to the district.

** Instructional hours are estimated on the basis of the SKUSD spring semester (January 11 – May 28, 2027) at approximately 9 hours per week across Rosamond, Westpark, and Tropico Middle Schools, per the proposed 2026–2027 service calendar (168 hrs total). Lesson preparation (2 hours per month × 5 months = 10 hours) is incorporated within the instructional rate and reflected in the line item above. A 5% contingency buffer is included for unforeseeable costs. The not-to-exceed amount of \$62,370 will not be exceeded without prior written approval from the district.*

Conclusion

Mech Masters offers Southern Kern Unified School District students a unique opportunity to explore the exciting world of coding, collaborative building, and computational thinking through hands-on activities using Minecraft Education. By fostering a love for STEM subjects at an early age, we aim to inspire the next generation of innovators and problem solvers. This proposal is just the first step — the foundation for a broader E-Sports pathway we look forward to growing with SKUSD in the years ahead.

To celebrate student growth and achievement, this partnership includes a competitive showcase: Rosamond, Westpark, and Tropico's Minecraft Education students will take part in the Capture the Flag League. This event gives students a chance to apply their skills in a fun, competitive setting — reinforcing creativity, problem-solving, and teamwork — while giving SKUSD stakeholders a firsthand look at what their students are capable of accomplishing.

We are forging future engineers! We believe that this program, along with the Minecraft Education CTF League, has the potential to make a lasting impact on SKUSD students' academic and professional futures.

Subject: Proposal for Labor Compliance Services Monitoring & PLA/ CWA Coordinator

Dear Mr. Irving,

Labor Compliance Services Co., (LCSC) is pleased to submit this Labor Compliance Proposal for all Scope of Work that details Labor Compliance Monitoring and PLA (Project Labor Agreements and CWA (Community Workforce Agreement) Coordinator Services for the Southern Kern Unified School District (District).

The Labor Compliance Proposal noted above, based on this Scope of Work provided in detail and a project being in various ranges...LCSC has provided a an hourly rate per project, noted on page 4. This amount includes all Scope of Services within Labor Compliance and PLA/CWA project coordination and meetings with the Building Trades Council and Prime/Subcontractors, should the District be contracted under a PLA/CWA/CBA projects.

This will include any DBE compliance if required, the pre-construction meeting attendance, attend union rep meetings with Prime and Subs, should they arise, project setup, working hours, travel hours, work site interviews on project, if required, all CPR monitoring, all fringe benefit payments and post work for close out and PLA/CWA Coordinator duties.

The dollar figure noted in the Cost Sheet will be compulsory to complete the tasks required to ensure adequate labor compliance. In the event significant additional effort is required, the hourly rate below will be used on an hourly billing basis to compensate the workload. This would include any extension of time on project, additional work requested by the District or punch list items that would take over the normal length of time to complete. The anticipated level of effort in this proposal is predicated on normal progress with acceptable quality of documentation from the Prime Contractor. LCSC will provide these services as an independent WBE Contractor, SBE and CSBE/ Consultant to the SKUSD.

SCOPE OF SERVICES

The following tasks and review of the District's approved Labor Compliance Program (if one is in place) otherwise LCSC will utilize our approved LCP by the State of Ca-DIR and will be completed by LCSC:

CSBA POLICY GUIDE SHEET

June 2025

Note: Descriptions below identify revisions made to CSBA's sample board policies, administrative regulations, board bylaws, and/or exhibits. Editorial changes have also been made. Districts and county offices of education should review the sample materials and modify their own policies accordingly.

Board Policy 0410 - Nondiscrimination in District Programs and Activities

Policy updated to reflect **NEW COURT DECISION (Tennessee v. Cardona)** which vacated nationwide the Title IX regulations which took effect August 1, 2024, and **NEW GUIDANCE** from the U.S. Department of Education's Office for Civil Rights (OCR) which clarified that OCR will enforce Title IX based on the regulations as they existed prior to August 1, 2024. Additionally, policy updated to reflect **NEW LAW (SB 1137, 2024)** which provides that prohibited discrimination includes discrimination not just because of one protected class under state law, but also because of the combination of two or more protected bases. In addition, policy updated to clarify, in accordance with various provisions of state and federal law and related court cases, the actual or perceived characteristics of an individual or group that may serve as a basis for unlawful discrimination in education programs and activities. Policy also updated to reflect **NEW LAW (AB 3074, 2024)** which prohibits public schools, except public schools operated by an Indian tribe or a tribal organization, from using the term "Redskins" as a school or athletic team name, mascot, or nickname, and, beginning July 1, 2026, prohibits public schools, other than those operated by an Indian tribe or a tribal organization, from using any derogatory Native American term for school or athletic team names, mascots, or nicknames without the written consent of a local federally recognized Indian tribe.

Board Policy 0420.4 - Charter School Authorization

Policy updated to reflect that the prohibition from approving a petition for the establishment of a new charter offering nonclassroom-based instruction extends to January 1, 2026. Additionally, policy updated to add the section "Material Revisions to Charter," which was moved from Board Policy 0420.41 - Charter School Oversight, as that section is more appropriately placed with material related to authorization of charter schools.

Administrative Regulation 0420.4 - Charter School Authorization

Regulation updated to reflect the inclusion of long-term English learners as a numerically significant subgroup, and to include the location of the charter school to the list of items to be described in the charter petition. Additionally regulation updated to reflect the requirement for comprehensive school safety plans (CSSP) to include adaptations for students with exceptional needs, **NEW LAW (AB 2887, 2024)** which requires CSSPs to include procedures for responding to incidents involving an individual experiencing a sudden cardiac arrest or a similar life-threatening medical emergency while on school grounds, and **NEW LAW (AB 1858, 2024)** which requires CSSPs to include a provision relating to active shooter and armed assailant drills. In addition, regulation updated to expand upon the material related to suspensions and expulsions in the list of items to be described in the charter petition.

Board Policy 0420.41 - Charter School Oversight

Policy updated to add that the Superintendent or designee and the governing bodies of charter schools review new laws and regulations applicable to charter schools, and delete the section "Material Revisions to Charter," which was moved to Board Policy 0420.4 - Charter School Authorization, as that section is more appropriately placed with material related to authorization of charter schools.

Exhibit(1) 0420.41 - Charter School Oversight

Exhibit updated to include that the exhibit will not be updated after June 1, 2025. Additionally, exhibit updated to reflect (1) **NEW LAW (AB 3216, 2024)** which requires the governing body of a charter school to, by July 1, 2026, adopt policy that limits or prohibits student use of smartphones while at a school site or under the supervision and control of district employee(s), and subsequently, to update the policy every five years, (2) the requirement for charter schools to, by July 1, 2026, develop, adopt, implement, and annually review weather protocols for extreme weather conditions, (3) the requirement for members of the governing body in service as of January 1, 2025, except for members whose term of office ends before January 1, 2026,

to receive ethics training before January 1, 2026, and at least once every 2 years thereafter, (4) **NEW LAW (SB 153, 2024)** which requires, if the governing body is unable to review local indicator due to any specified emergency, to review such data at its next meeting, adopt a resolution describing the emergency event and the date on which the local indicator data was reviewed, and submit the resolution to the California Department of Education (CDE), (5) **NEW LAW (SB 1318, 2024)**, which requires the governing body to, on or after July 1, 2026, update its policy to include best practices identified in CDE's updated Model Youth Suicide Prevention Policy related to crisis intervention protocols in the event of a student suicide crisis, (6) **NEW LAW (SB 1137, 2024)** which provides that prohibited discrimination includes discrimination not just because of one protected class under state law, but also because of the combination of two or more protected bases, (7) **NEW LAW (SB 153, 2024)** which prohibits the governing body from adopting or approving the use of any textbook, instructional material, supplemental instructional material, or curriculum for classroom instruction if the use would subject a student to unlawful discrimination, (8) **REVISED GUIDANCE** from the California Attorney General related to responding to immigration enforcement in K-12 schools, (9) **NEW LAW (AB 1955, 2024)** which prohibits a charter school or a member of the governing body of a charter school, from enacting or enforcing any policy, rule, or administrative regulation that would require an employee or a contractor to disclose any information related to a student's sexual orientation, gender identity, or gender expression to any other person without the student's consent, unless otherwise required by state or federal law, (10) **NEW LAW (SB 153, 2024)** which requires the annual update to the local control and accountability plan (LCAP) to be presented as a nonconsent item at the meeting of the governing body, and that all Learning Recovery Emergency Funds received by the charter school to be included in the LCAP/annual update to the LCAP for the period of July 1, 2025 through June 30, 2028, (11) **NEW LAW (SB 1429, 2024)** which adds snowstorms to the list of emergencies for which a charter school may apply to the Superintendent of Public Instruction to obtain apportionment credit, (12) **NEW LAW (AB 2429, 2024)** which requires the governing body of a charter school that has elected to require its students to complete a course in health education for graduation from high school to include instruction in the dangers associated with fentanyl use, (13) **NEW LAW (AB 1796, 2024)** which requires charter schools to annually notify parents/guardians of students admitted to, or advancing to, grades 7-12, of any dual enrollment or International Baccalaureate courses offered by the local educational agency, (14) **NEW LAW (SB 153, 2024)** which authorizes charter schools, until July 1, 2031, to extend the exemption from all coursework and other requirements adopted by the charter school governing body that are in addition to the statewide course requirements, and award a high school diploma, to an eligible student with exceptional needs who was enrolled in grade 10 or higher in the 2022-23 school year, (15) **NEW LAW (AB 2345, 2024)** which prohibits the charter school from hiring any person for purposes of a short-term staff permit, provisional internship permit, or a teaching permit for statutory leave, unless that person has a certification in cardiopulmonary resuscitation that meets the standards established by the American Heart Association or the American Red Cross, (16) **NEW LAW (AB 2534, 2024)** which requires charter schools, when considering an applicant for a certificated position, to inquire with each local educational agency that previously employed the applicant if the applicant was the subject of any credible complaints of, substantiated investigations into, or discipline for, egregious misconduct that were required to be reported to the Commission on Teacher Credentialing, (17) **NEW LAW (AB 1913, 2024)** which requires charter schools to provide annual training to employees on the prevention of abuse, including sexual abuse, of children on school grounds, by school personnel, or in school-sponsored programs, (18) **NEW LAW (AB 2316, 2024)** which prohibits charter schools, beginning December 31, 2027, from offering or selling, except for food items sold as part of a school fundraising event, foods containing artificial food dyes that have been linked to hyperactivity and behavioral issues in some children, (19) **NEW LAW (SB 1063, 2024)** which requires charter schools that serve students in grades 7-12 and issue or reissue student identification cards to have printed on either side of the card the telephone number for the 988 Suicide and Crisis Lifeline and the National Suicide Prevention Lifeline (1-800-273-8255), (20) **NEW LAW (SB 939, 2024)** which requires charter schools to ensure that specified resources related to neurodiversity are readily accessible in a prominent location on the school's website in a manner that is easily accessible to parents/guardians and students, (21) **NEW LAW (SB 997, 2024)** which provides that a charter school may not prohibit a student in middle school, junior high school, or high school, while on a school site or participating in school activities, from carrying fentanyl test strips or a federally approved opioid antagonist for the emergency treatment of persons suffering, or reasonably believed to be suffering, from an opioid overdose, (22) **NEW LAW (AB 2998, 2024)** which provides that a charter school may not prohibit students 12 years of age or older, while on a school site or participating in school activities, from carrying or administering, for the purposes of providing emergency treatment to persons who are suffering,

or reasonably believed to be suffering, from an opioid overdose, a naloxone hydrochloride nasal spray or any other opioid overdose reversal medication, (23) **NEW LAW (AB 1984, 2024)** which requires, commencing with the 2026-27 school year, charter schools to provide to CDE data on student transfers due to disciplinary reasons, including whether the student transferred to an alternative school based on a referral by the school, (24) **NEW LAW (AB 2711, 2024)** which provides that students who voluntarily disclose their use of a tobacco product, controlled substance, alcohol, or an intoxicant of any kind in order to seek help through services or supports may not be suspended solely for that disclosure, (25) **NEW LAW (AB 2565, 2024)** which requires charter schools serving students in grades kindergarten-12 that undertake an addition, alteration, reconstruction, rehabilitation, or retrofit of a school building, to install interior locks on each door of any room with an occupancy of 5 or more persons in that school building.

Board Policy 0440 - District Technology Plan

Policy updated to revise the philosophical paragraph to acknowledge, in addition to the benefits gained from technological resources, potential negative consequences. Additionally, policy updated to add material related to the alignment of technological resources with other district goals, objectives, and academic standards, the safe use of technological resources, the use of technology in accordance with district policy, and the use of artificial intelligence, as applicable. In addition, policy updated to (1) reflect that state law and the California Department of Education no longer requires districts to have a technology plan and (2) maintain the requirement for the Superintendent to develop and regularly propose revisions to a technology plan. Policy also updated to list the components to be included in the district technology plan.

Delete - Administrative Regulation 0440 - District Technology Plan

Regulation deleted as unnecessary since the California Department of Education no longer requires districts to have a technology plan.

New - Board Policy 0441 - Artificial Intelligence

New policy provides principles for the district regarding the use of artificial intelligence (AI) by students and staff, and requires the Superintendent to ensure that the use of AI is consistent with district policy.

Board Policy 0450 - Comprehensive Safety Plan

Policy updated to include in the philosophical statement that, in addition to high expectations for student conduct, there are high expectations for staff conduct. Additionally, policy updated to reflect legislative intent to provide staff training on the comprehensive school safety plan.

Administrative Regulation 0450 - Comprehensive Safety Plan

Regulation updated to reflect **NEW LAW (AB 2887, 2024)** which (1) provides legislative intent that districts develop a comprehensive school safety plan (CSSP) in consultation with local medical services personnel and other persons who may be interested in the health and safety of students, and (2) requires CSSPs to include procedures to respond to incidents involving an individual experiencing a sudden cardiac arrest or a similar life-threatening medical emergency while on school grounds. Additionally, regulation updated to reflect **NEW LAW (AB 2968, 2024)** which requires, beginning with the 2026-27 school year, the disaster procedures in CSSPs to include a procedure to identify appropriate refuge shelter for all students and staff for use in the event of an evacuation order and, for any school in a high or very high fire hazard severity zone, a communication and evacuation plan to be used in the event of an early notice evacuation warning that allows enough time to evacuate all students and staff, and **NEW LAW (AB 1858, 2024)** which requires, if the CSSP includes procedures to prepare for active shooters or other armed assailants by conducting a drill, the drill to be in accordance with specified components. In addition, regulation updated for reflect **NEW LAW (SB 153, 2024)** which requires CSSPs to include an instructional continuity plan to establish communication and provide instruction to students when in-person instruction is disrupted due to an emergency.

Board Policy 1113 - District and School Websites

Policy updated to make the philosophical paragraph more current by assuming that districts have websites and to recognize the value of district and school websites for communication purposes. Additionally, policy updated to **NEW LAW (AB 1785, 2024)** which prohibits districts from publicly posting online specified

information of any elected or appointed official, such as a Governing Board member, without first obtaining the written permission of that individual.

Administrative Regulation 1113 - District and School Websites

Regulation updated to reflect **NEW REGULATION (89 Fed.Reg. 31337)** which establishes requirements and technical standards for making web content offered by government entities accessible to the public. Additionally, regulation updated to provide minor clarifications, and revisions to style.

Exhibit(1) 1113 - District and School Websites

Exhibit updated to reflect **NEW COURT DECISION (Tennessee v. Cardona)** which vacated nationwide the Title IX regulations which took effect August 1, 2024, and **NEW GUIDANCE** from the U.S. Department of Education's Office for Civil Rights (OCR) which clarified that OCR will enforce Title IX based on the regulations as they existed prior to August 1, 2024. Additionally, exhibit updated to reflect **NEW LAW (SB 939, 2024)** which requires districts to ensure that specified resources related to neurodiversity are readily accessible in a prominent location on the district's website in a manner that is easily accessible to parents/guardians and students. In addition, exhibit updated to include the requirement, beginning January 1, 2027, for districts to post a notification of the hearing date and location for inspection for the district's proposed budget prominently on the district's website homepage at least three days before the availability of the proposed budget for public inspection. Exhibit also updated to reflect **NEW LAW (AB 2690, 2024)** which requires districts to post information about the risks of social media being used as a way to market and sell synthetic drugs.

Board Policy 1312.3 - Uniform Complaint Procedures

Policy updated to reflect **NEW LAW (SB 1137, 2024)** which provides that prohibited discrimination includes discrimination not just because of one protected class under state law, but also because of the combination of two or more protected bases. Additionally, policy updated to clarify, in accordance with various provisions of state and federal law and related court cases, the actual or perceived characteristics of an individual or group that may serve as a basis for unlawful discrimination in education programs and activities. In addition, policy updated to reflect the California Department of Education's federal program monitoring instrument which now lists "Instructional Materials and Curriculum: Diversity" as its own item, and **NEW LAW (AB 3074, 2024)** which requires the use of the uniform complaint procedures to resolve complaints related to school or athletic team names, mascots, or nicknames. Policy also updated to reflect **NEW COURT DECISION (Tennessee v. Cardona)** which vacated nationwide the Title IX regulations which took effect August 1, 2024, and **NEW GUIDANCE** from the U.S. Department of Education's Office for Civil Rights (OCR) which clarified that OCR will enforce Title IX based on the regulations as they existed prior to August 1, 2024, and clarify that the Title IX regulations as they existed prior to August 1, 2024 are required to be used to address any complaint alleging sexual harassment, as defined, based on conduct that occurred between August 14, 2020 and July 31, 2024, and after January 9, 2025.

Administrative Regulation 1312.3 - Uniform Complaint Procedures

Regulation updated to reflect **NEW COURT DECISION (Tennessee v. Cardona)** which vacated nationwide the Title IX regulations which took effect August 1, 2024, and **NEW GUIDANCE** from the U.S. Department of Education's Office for Civil Rights (OCR) which clarified that OCR will enforce Title IX based on the regulations as they existed prior to August 1, 2024. Additionally, regulation updated to delete language which is not required by law related to receipt of an investigation report by respondent and consideration of an appeal by the Governing Board. In addition, regulation updated to delete material which is no longer supported related to an alleged victim receiving information in the notice of the investigation report about sanction(s) to be imposed upon a respondent that relates directly to an alleged victim.

Exhibit(1) 1312.3 - Uniform Complaint Procedures

Exhibit updated in conjunction with accompanying Board policy and administrative regulation.

Exhibit(2) 1312.3 - Uniform Complaint Procedures

Exhibit updated in conjunction with accompanying Board policy and administrative regulation, with minor revisions to more closely align with law.

Administrative Regulation 3512 - Equipment

Regulation updated to clarify that (1) district equipment may only be used for an approved district-related purpose, (2) the Superintendent or designee is required to maintain property records as specified in Administrative Regulation 3440 - Inventories, including updating property records when there is a change in the status of the property, (3) the Superintendent or designee is required to obtain prior approval from the California Department of Education or other awarding agency before disposing or encumbering equipment purchased with federal funds, and (4) persons involved in the selection, award, or administration of a contract supported by federal funds comply with the requirements specified in 2 CFR 200.13 and 200.318, and in accordance with Administrative Regulation 3230 - Federal Grant Funds and Board Bylaw 93270 - Conflict of Interest.

Exhibit(1) 3512 - Equipment

Exhibit updated in conjunction with accompanying administrative regulation, with the condition of equipment included in the description of loaned equipment.

Administrative Regulation 3542 - School Bus Drivers

Regulation updated to include in the philosophical statement that in order to administer safe and efficient transportation of students, the district may employ its own school bus or student activity bus drivers or contract with an agency to provide such drivers. Additionally, regulation updated to reflect specified qualification and training requirements for all drivers employed to operate school buses or student activity buses. In addition, regulation updated to add, to the list of required training for drivers, training related to the district's transportation safety plan. Regulation also updated to include additional requirements for drivers employed to operate school buses or student activity buses related to length of driving time, daily log sheets, and pretrip inspections. Additionally, regulation updated to add that the Superintendent or designee retain records of school bus accident reports, including a report of each accident that occurred on public or private property involving a school bus with students aboard, including pertinent details of the accident, for 12 months from the date of the accident, and that if the accident was not investigated by the California Highway Patrol (CHP), the Superintendent or designee forward a copy of the report to the local CHP within five business days of the date of the accident.

Board Policy 4030 - Nondiscrimination in Employment

Policy updated to align those who are included as "employees" for purposes of the policy and accompanying administrative regulation with analogous language in related sample Board policies and administrative regulations. Additionally, policy updated to reflect **NEW LAW (SB 1137, 2024)** which provides that prohibited discrimination includes discrimination not just because of one protected class under state law, but also because of the combination of two or more protected bases. In addition, policy updated to clarify, in accordance with various provisions of state and federal law and related court cases, the actual or perceived characteristics of an individual or group that may serve as a basis for unlawful discrimination in the course of employment. Policy also updated to reflect **NEW LAW (SB 1100, 2024)** which makes it an unlawful employment practice to include a statement in a job advertisement, posting, application, or other material that an applicant is required to have a driver's license, unless specified conditions are satisfied. Additionally, policy updated to reflect **NEW COURT DECISION (Tennessee v. Cardona)** which vacated nationwide the Title IX regulations which took effect August 1, 2024, and **NEW GUIDANCE** from the U.S. Department of Education's Office for Civil Rights (OCR) which clarified that OCR will enforce Title IX based on the regulations as they existed prior to August 1, 2024, and clarify that the Title IX regulations as they existed prior to August 1, 2024 are required to be used to address any complaint alleging sexual harassment, as defined, based on conduct that occurred between August 14, 2020 and July 31, 2024, and after January 9, 2025. In addition, policy updated to include material related to sex discrimination, which had been moved to Board Policy and Administrative Regulation 4119.11/4219.11/4319.11 - Sex Discrimination and Sex-Based Harassment when last revised based on the now vacated Title IX regulations, in order to keep material related to all forms of discrimination together.

Administrative Regulation 4030 - Nondiscrimination in Employment

Regulation updated to reflect **NEW COURT DECISION (Tennessee v. Cardona)** which vacated nationwide the Title IX regulations which took effect August 1, 2024, and **NEW GUIDANCE** from the U.S. Department of Education's Office for Civil Rights (OCR) which clarified that OCR will enforce Title IX

based on the regulations as they existed prior to August 1, 2024, and clarify that the Title IX regulations as they existed prior to August 1, 2024 are required to be used to address any complaint alleging sexual harassment, as defined, based on conduct that occurred between August 14, 2020 and July 31, 2024, and after January 9, 2025. Additionally, regulation updated to delete material related to Title IX sexual harassment, which was added when last revised based on the now vacated Title IX regulations, and include in Board Policy and Administrative Regulation 4119.11/4219.11/4319.11 - Sexual Harassment to keep material related to sexual harassment, including Title IX sexual harassment, together.

Board Policy 4033 - Lactation Accommodation

Policy updated to clarify that required lactation accommodations apply to expressing breast milk, rather than breastfeeding an infant child, and that these accommodations are required for at least a year after the birth of the child. Additionally, policy updated to reflect **NEW COURT DECISION (Tennessee v. Cardona)** which vacated nationwide the Title IX regulations which took effect August 1, 2024, and **NEW GUIDANCE** from the U.S. Department of Education's Office for Civil Rights (OCR) which clarified that OCR will enforce Title IX based on the regulations as they existed prior to August 1, 2024, and delete references to Title IX because lactation accommodations, although required by state law and other federal law, are not required by the Title IX regulations as they existed prior to August 1, 2024.

Board Policy 4112.9/4212.9/4312.9 - Employee Notifications

Policy updated in conjunction with the accompanying exhibit, with no substantive changes made.

Exhibit(1) 4112.9/4212.9/4312.9 - Employee Notifications

Exhibit updated to reflect (1) **NEW LAW (AB 2473, 2024)** which requires districts to comply with specified notice requirements related to transfer of coursework and credits for students participating in a newcomer program, as defined, (2) **NEW LAW (AB 2499, 2024)** which requires districts to provide notice of the rights pertaining to leaves and accommodations for victims of qualifying acts of violence, (3) **NEW LAW (AB 1870, 2024)** which requires notice of the district's current compensation insurance carrier, or if appropriate, that the district is self-insured, and who is responsible for claims adjustment, (4) the requirement to post a notice explaining the California Family Rights Act provisions and procedures for filing complaints of violations of the Act with the Civil Rights Department, (5) **NEW LAW (SB 153, 2024)** which requires notice to certificated employees on existing school site and community resources related to the support of students who may face bias or bullying, and (6) **NEW LAW (AB 2499, 2024)** which requires the district to provide notice, when an employee informs the district that the employee or the employee's family member is a victim of a qualifying act of violence, of accommodations and leave for victims of a qualifying act of violence. Additionally, exhibit updated to delete the notification related to potential exposure to COVID-19 as this notification is no longer required.

Board Policy 4119.11/4219.11/4319.11 - Sexual Harassment

Policy updated to reflect **NEW COURT DECISION (Tennessee v. Cardona)** which vacated nationwide the Title IX regulations which took effect August 1, 2024, and **NEW GUIDANCE** from the U.S. Department of Education's Office for Civil Rights (OCR) which clarified that OCR will enforce Title IX based on the regulations as they existed prior to August 1, 2024. Additionally, policy updated to delete material related to sex discrimination, which was added when last revised based on the now vacated Title IX regulations, and include in Board Policy and Administrative Regulation 4030 - Nondiscrimination in Employment to keep material related to discrimination, including sex discrimination, together. In addition, policy updated to add general statement related to the prohibition of discrimination on the basis of sex and compliance with Title IX, which was moved from the accompanying administrative regulation. Policy also updated to align those who are included as "employees" for purposes of the policy and accompanying administrative regulation with analogous language in related sample Board policies and administrative regulations.

Administrative Regulation 4119.11/4219.11/4319.11 - Sexual Harassment

Regulation updated to reflect **NEW COURT DECISION (Tennessee v. Cardona)** which vacated nationwide the Title IX regulations which took effect August 1, 2024, and **NEW GUIDANCE** from the U.S. Department of Education's Office for Civil Rights (OCR) which clarified that OCR will enforce Title IX based on the regulations as they existed prior to August 1, 2024. Additionally, regulation updated to delete material related to sex discrimination, which was added when last revised based on the now vacated Title IX

regulations, and include in Board Policy and Administrative Regulation 4030 - Nondiscrimination in Employment to keep material related to discrimination, including sex discrimination, together. In addition, regulation updated to delete general statement related to the prohibition of discrimination on the basis of sex and compliance with Title IX, which was moved to the accompanying Board policy. Regulation also updated to reflect **NEW LAW (SB 1137, 2024)** which provides that prohibited discrimination or harassment includes discrimination or harassment not just because of one protected class under state law, but also because of the combination of two or more protected bases. Additionally, regulation updated to clarify, in accordance with various provisions of state and federal law and related court cases, the actual or perceived characteristics of an individual or group that may serve as a basis for sexual harassment in the course of employment. In addition, regulation updated to delete examples of actions that may constitute sexual harassment as it is nuanced regarding when the action(s) amount to sexual harassment.

Administrative Regulation 4119.12/4219.12/4319.12 - Title IX Sexual Harassment Complaint Procedures

Regulation updated to reflect **NEW COURT DECISION (Tennessee v. Cardona)** which vacated nationwide the Title IX regulations which took effect August 1, 2024, and **NEW GUIDANCE** from the U.S. Department of Education's Office for Civil Rights (OCR) which clarified that OCR will enforce Title IX based on the regulations as they existed prior to August 1, 2024, and clarify that the Title IX regulations as they existed prior to August 1, 2024 are required to be used to address any complaint alleging sexual harassment, as defined, based on conduct that occurred between August 14, 2020 and July 31, 2024, and after January 9, 2025. Additionally, regulation updated to delete material related to sex discrimination, which was added when last revised based on the now vacated Title IX regulations, as the Title IX regulations as they existed prior to August 1, 2024 only require complaints alleging sexual harassment to follow the Title IX grievance procedures. In addition, regulation updated to require that records of insurance which evidence the district's coverage for acts of sexual assault be maintained indefinitely.

Exhibit(1) 4119.12/4219.12/4319.12 - Title IX Sexual Harassment Complaint Procedures

Exhibit updated to reflect **NEW COURT DECISION (Tennessee v. Cardona)** which vacated nationwide the Title IX regulations which took effect August 1, 2024, and **NEW GUIDANCE** from the U.S. Department of Education's Office for Civil Rights (OCR) which clarified that OCR will enforce Title IX based on the regulations as they existed prior to August 1, 2024, and revise the notification requirements accordingly.

Board Policy 5125.1 - Release of Directory Information

Policy updated to include that a student's directory information may only be included in the minutes of the Governing Board's meeting in accordance with Board Bylaw 9324 - Minutes and Recordings. Additionally, policy updated to delete options regarding access to directory information to employers, colleges, and military recruiters and instead provide that colleges and prospective employers, including military recruiters, have access to a student's name, address, email address, and telephone number, unless the student's parent/guardian, or the student, if the student is 18 years of age or older, has specified that the information not be released.

Administrative Regulation 5125.1 - Release of Directory Information

Regulation reviewed in conjunction with accompanying Board Policy, with minor clarifications and rearrangement of material.

Exhibit(1) 5125.1 - Release of Directory Information

Exhibit updated to clarify when a student's identification number, user identification, or other unique personal identifier may be used to communicate in electronic systems, and add that the district may disclose a student identification number or other unique personal identifier that is displayed on a student identification badge, but only if the identifier cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user's identity, such as a PIN, password, or other factor known or possessed only by the authorized user. Additionally, exhibit updated to reflect **REVISED GUIDANCE** from the California Attorney General related to responding to immigration enforcement in K-12 schools, clarifying that the district may not disclose a student's Social Security number.

Administrative Regulation 5131.41 - Use of Seclusion and Restraint

Regulation updated to reflect **NEW LAW (SB 483, 2024)** which prohibits the use of prone restraint and prone containment, and add the requirement that the district's data on the use of seclusion and behavioral restraint be reported on the district's website.

Board Policy 5145.3 - Nondiscrimination/Harassment

Policy updated to reflect **NEW COURT DECISION (Tennessee v. Cardona)** which vacated nationwide the Title IX regulations which took effect August 1, 2024, and **NEW GUIDANCE** from the U.S. Department of Education's Office for Civil Rights (OCR) which clarified that OCR will enforce Title IX based on the regulations as they existed prior to August 1, 2024. Additionally, policy updated to reflect **NEW LAW (SB 1137, 2024)** which provides that prohibited discrimination includes discrimination not just because of one protected class under state law, but also because of the combination of two or more protected bases. In addition, policy updated to clarify, in accordance with various provisions of state and federal law and related court cases, the actual or perceived characteristics of an individual or group that may serve as a basis for unlawful discrimination in education programs and activities. Policy also updated to make permissive, when a student has been suspended or other means of correction have been implemented for an incident of racist bullying, harassment, or intimidation the (1) engagement of a victim and perpetrator in restorative justice practices, (2) engagement of the perpetrator in culturally sensitive programs, and (3) regular checks on the victim to ensure the victim is not in danger of suffering from any long-lasting mental health issues, as these measures are encouraged rather than required by state law.

Administrative Regulation 5145.3 - Nondiscrimination/Harassment

Regulation updated to reflect **NEW COURT DECISION (Tennessee v. Cardona)** which vacated nationwide the Title IX regulations which took effect August 1, 2024, and **NEW GUIDANCE** from the U.S. Department of Education's Office for Civil Rights (OCR) which clarified that OCR will enforce Title IX based on the regulations as they existed prior to August 1, 2024, and clarify that the Title IX regulations as they existed prior to August 1, 2024 are required to be used to address any complaint alleging sexual harassment, as defined, based on conduct that occurred between August 14, 2020 and July 31, 2024, and after January 9, 2025. Additionally, regulation updated to reflect **NEW LAW (SB 939, 2024)** which requires districts to ensure that specified resources related to neurodiversity are readily accessible in a prominent location on the district's website in a manner that is easily accessible to parents/guardians and students. In addition, regulation updated to delete material related to Title IX sexual harassment, which was added when last revised based on the now vacated Title IX regulations, and include in Board Policy and Administrative Regulation 5145.7 - Sexual Harassment to keep material related to sexual harassment, including Title IX sexual harassment, together. Regulation also updated to add section "Support for Intersex, Nonbinary, Transgender and Gender-Nonconforming Students," which was moved from Administrative Regulation 5145.7 - Sexual Harassment and updated in accordance with various provisions of state and federal law and related court cases.

Board Policy 5145.6 - Parent/Guardian Notifications

Policy updated in conjunction with the accompanying exhibit, with minor stylistic changes.

Exhibit(1) 5145.6 - Parent/Guardian Notifications

Exhibit updated to reflect (1) **NEW LAW (AB 2179, 2024)** which requires notification on local apprenticeship and preapprenticeship programs, (2) **NEW LAW (AB 1796, 2024)** which requires notification of any dual enrollment or International Baccalaureate courses offered by the district, (3) **NEW LAW (AB 2690, 2024)** which requires notification of the risk of social media platforms being used as a way to market and sell synthetic drugs such as fentanyl, (4) **NEW LAW (AB 2473, 2024)** which requires districts to comply with specified notice requirements related to transfer of coursework and credits for students participating in a newcomer program, as defined, (5) **NEW LAW (AB 2630, 2024)** which defines "kindergarten" for purposes of proof of having received an oral health assessment as both transitional kindergarten and kindergarten, (6) **NEW LAW (SB 153, 2024)** which requires notification regarding the Californiacolleges.edu platform and that student data may be shared with the California College Guidance Initiative, (7) **NEW LAW (SB 691, 2024)** which requires revised and additional notifications related to truancy, (8) **NEW LAW (AB 3262, 2024)** which requires students to be notified of the location of all automated external defibrillators on campus, (9) **NEW LAW (AB 543, 2024)** which requires the district to

display a poster that notifies students of the applicable written policy on sexual harassment required by Education Code 231.5, and (1) the requirement for signage identifying a bathroom facility as being open to all genders and in conformity with Title 24 of the California Code of Regulations, that the bathroom is available during school hours and school functions when students are present, and designated point of contact.

Board Policy 5145.7 - Sexual Harassment

Cardona)** which vacated nationwide the Title IX regulations which took effect August 1, 2024, and **NEW GUIDANCE** from the U.S. Department of Education's Office for Civil Rights (OCR) which clarified that OCR will enforce Title IX based on the regulations as they existed prior to August 1, 2024. Additionally, policy updated to delete material related to sex discrimination, which was added when last revised based on the now vacated Title IX regulations, and include in Board Policy and Administrative Regulation 5145.3 - Nondiscrimination/Harassment to keep material related to discrimination, including sex discrimination, together. In addition, policy updated to add general statement related to the prohibition of discrimination on the basis of sex and compliance with Title IX, which was moved from the accompanying administrative regulation.

Administrative Regulation 5145.7 - Sexual Harassment

Regulation updated to reflect **NEW COURT DECISION (Tennessee v. Cardona)** which vacated nationwide the Title IX regulations which took effect August 1, 2024, and **NEW GUIDANCE** from the U.S. Department of Education's Office for Civil Rights (OCR) which clarified that OCR will enforce Title IX based on the regulations as they existed prior to August 1, 2024. Additionally, regulation updated to delete material related to sex discrimination, which was added when last revised based on the now vacated Title IX regulations, and include in Board Policy and Administrative Regulation 5145.3 - Nondiscrimination/Harassment to keep material related to discrimination, including sex discrimination, together. In addition, regulation updated to delete general statement related to the prohibition of discrimination on the basis of sex and compliance with Title IX, which was moved to the accompanying Board policy. Regulation also updated to reflect **NEW LAW (SB 1137, 2024)** which provides that prohibited discrimination or harassment includes discrimination or harassment not just because of one protected class under state law, but also because of the combination of two or more protected bases. Additionally, regulation updated to clarify, in accordance with various provisions of state and federal law and related court cases, the actual or perceived characteristics of an individual or group that may serve as a basis for sexual harassment in district programs and activities. In addition, regulation updated to delete examples of actions that may constitute sexual harassment as it is nuanced regarding when the action(s) amount to sexual harassment. Regulation also updated to delete section "Issues Unique to Intersex, Nonbinary, Transgender and Gender-Nonconforming Students," as this section was moved to Administrative Regulation 5145.3 - Nondiscrimination/Harassment and amended.

Administrative Regulation 5145.71 - Title IX Sexual Harassment Complaint Procedures

Regulation updated to reflect **NEW COURT DECISION (Tennessee v. Cardona)** which vacated nationwide the Title IX regulations which took effect August 1, 2024, and **NEW GUIDANCE** from the U.S. Department of Education's Office for Civil Rights (OCR) which clarified that OCR will enforce Title IX based on the regulations as they existed prior to August 1, 2024, and clarify that the Title IX regulations as they existed prior to August 1, 2024 are required to be used to address any complaint alleging sexual harassment, as defined, based on conduct that occurred between August 14, 2020 and July 31, 2024, and after January 9, 2025. Additionally, regulation updated to delete material related to sex discrimination, which was added when last revised based on the now vacated Title IX regulations, as the Title IX regulations as they existed prior to August 1, 2024 only require complaints alleging sexual harassment to follow the Title IX grievance procedures. In addition, regulation updated to clarify that when a student is a respondent and is removed from school on an emergency basis, the removal may not constitute discipline for other purposes. In addition, regulation updated to require that records of insurance which evidence the district's coverage for acts of sexual assault be maintained indefinitely.

Exhibit(1) 5145.71 - Title IX Sexual Harassment Complaint Procedures

Exhibit updated to reflect **NEW COURT DECISION (Tennessee v. Cardona)** which vacated nationwide the Title IX regulations which took effect August 1, 2024, and **NEW GUIDANCE** from the U.S. Department

of Education's Office for Civil Rights (OCR) which clarified that OCR will enforce Title IX based on the regulations as they existed prior to August 1, 2024, and revise the notification requirements accordingly.

Board Policy 5146 - Married/Pregnant/Parenting Students

Policy updated to reflect **NEW COURT DECISION (Tennessee v. Cardona)** which vacated nationwide the Title IX regulations which took effect August 1, 2024, and **NEW GUIDANCE** from the U.S. Department of Education's Office for Civil Rights (OCR) which clarified that OCR will enforce Title IX based on the regulations as they existed prior to August 1, 2024. Additionally, policy updated to identify rights and privileges of a student under 18 years of age who enters into a valid marriage. In addition, policy updated to clarify the period of time of parental leave, and that failure to notify the district of the student's intent to take parental leave does not abridge a student's rights in this regard.

Board Policy 6142.91 - Reading/Language Arts Instruction

Policy updated to add to the philosophical statement "listening, speaking, and composition" as effective communication skills. Additionally, policy updated to clarify that the Governing Board adopt instructional materials that meet or exceed the Common Core State Standards. In addition, policy updated to add new section "Screening for Risk of Reading Difficulties" that provides for required (1) Board adoption of screening instruments to assess students in grades kindergarten-2 for risk of reading difficulties and (2) annual assessment each student in grades kindergarten-2 for risk of reading difficulties, unless exempted. Policy also updated to add requirement for (1) the provision of specified information to parents/guardians of students eligible for screening for risk of reading difficulties, and (2) that employees administering screening instruments for risk of reading difficulties be appropriately trained to administer the instrument.

Board Policy 6145.2 - Athletic Competition

Policy updated to reflect **NEW LAW (AB 3074, 2024)** which (1) prohibits public schools, except public schools operated by an Indian tribe or a tribal organization, from using the term "Redskins" as a school or athletic team name, mascot, or nickname, (2) beginning July 1, 2026, prohibits public schools, other than those operated by an Indian tribe or a tribal organization, from using any derogatory Native American term for school or athletic team names, mascots, or nicknames without the written consent of a local federally recognized Indian tribe, (3) requires any district school using or in which any such derogatory term is being used, to complete the implementation of a new school or athletic team name, mascot, or nickname before the start of the 2028-2029 school year, and (4) provides if a school selects a new school or athletic team name due to this prohibition, then any purchases or replacements of materials or fixtures due required by the implementation of the new name be completed before the start of the 2028-2029 school year. Additionally, policy updated to require that the district post on its website the California Department of Education's standardized incident form to track racial discrimination, harassment, or hazing that occurs at high school sporting games or events, including information on how to submit a completed incident form. In addition, policy updated to state that student athletes, coaches, parents/guardians, spectators, and others are required to teach, enforce, advocate, and abide by the applicable Code of Conduct adopted by the California Interscholastic Federation (CIF). Policy also updated to require the written emergency action plan to include the location of emergency medical equipment, procedures to be followed in the event of concussion and heat illness, and a description of the manner and frequency at which the procedures to be followed in the event of medical emergencies will be rehearsed, pursuant to coaches training requirements as specified in law. Additionally, policy updated to include that that coaches and/or athletic trainers comply with any training required by law and in accordance with the accompanying administrative regulation and Administrative Regulation 4127/4227/4327 - Temporary Athletic Team Coaches.

Administrative Regulation 6145.2 - Athletic Competition

Regulation updated to clarify that the Superintendent or designee (1) provide training to coaches and/or athletic trainers regarding the signs and symptoms of, and the appropriate response to, concussions and sudden cardiac arrest, and (2) acquire at least one automated external defibrillator (AED) for each district school that participates in any interscholastic athletic program. Additionally, regulation updated to reflect **NEW LAW (AB 3262, 2024)** which requires students to be notified of the location of any AED, and to clarify that notice provided to students and their parents/guardians related to the filing a discrimination complaint that arises out of an interscholastic athletic activity include the name of the district's Compliance Officer, in addition to the district's Title IX Coordinator.

Administrative Regulation 6159.4 - Behavioral Interventions for Special Education Students

Regulation updated to reflect the requirement for the district's data on the use of seclusion and behavioral restraint to be reported on the district's website and submitted to the California Department of Education, and **NEW LAW (SB 483, 2024)** which prohibits the use of prone restraint and prone containment.

Board Bylaw 9011 - Disclosure of Confidential/Privileged Information

Bylaw updated to expand and clarify definition of confidential information to include (1) information acquired by being present in a closed session that is specifically related to the basis for the Governing Board to meet lawfully in closed session, (2) information acquired in anticipation of a closed session, or as follow-up to a closed session, that is specifically related to the basis for the Board to meet lawfully in closed session, (3) information contained in communications provided to Board members from the district's attorney, and (4) information deemed confidential by the Board. Additionally, bylaw updated to clarify that confidential information does not include information that is already publicly disclosed, provided that the initial disclosure did not violate law or Board bylaws or policies. In addition, bylaw updated to expand material related to (1) a Board member willfully and knowingly using or disclosing for pecuniary gain information acquired in the course of the Board member's official duties, and (2) actions the Board may pursue if a Board member threatens to disclose or discloses confidential information. Bylaw also updated to remove reference to employees, which are governed by Board Policy 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information.

CSBA POLICY GUIDE SHEET

August 2025

Note: Descriptions below identify revisions made to CSBA's sample board policies, administrative regulations, board bylaws, and/or exhibits. Editorial changes have also been made. Districts and county offices of education should review the sample materials and modify their own policies accordingly.

Board Policy 6141.2 - Recognition of Religious Beliefs and Customs

Policy updated to reflect **NEW COURT DECISION (Mahmoud v. Taylor)** which held that the First Amendment prohibited a district from including lesbian, gay, bisexual, transgender, queer, and questioning (LGBTQ+) storybooks as part of elementary school instruction without providing parents/guardians with notice and the ability to opt their students out of that instructional content on the grounds that the storybooks substantially interfered with the religious development of their children. Additionally, policy updated to extend, to students whose parents/guardians have properly opted them out of instruction on the basis of their religious beliefs, state law requirements that (1) authorize the offering of an alternative activity of similar educational value, and (2) prohibit disciplinary action, academic penalty, or other sanction on the grounds that the student was opted out.

Administrative Regulation 6141.2 - Recognition of Religious Beliefs and Customs

Regulation updated to reflect **NEW COURT DECISION (Mahmoud v. Taylor)** which held that the First Amendment prohibited a district from including lesbian, gay, bisexual, transgender, queer, and questioning (LGBTQ+) storybooks as part of elementary school instruction without providing parents/guardians with notice and the ability to opt their students out of that instructional content on the grounds that the storybooks substantially interfered with the religious development of their children. Additionally, based on *Mahmoud*, regulation updated to include new section related to opt-outs which (1) requires a parent/guardian who is requesting that the parent/guardian's student be opted-out of instruction based on religious beliefs, customs, or practices to submit specified information, and (2) permits the Superintendent or designee to work with district legal counsel to evaluate each request and determine whether it be granted.

Board Policy 6142.1 - Sexual Health and HIV/AIDS Prevention Instruction

Policy updated to reflect **NEW COURT DECISION (Mahmoud v. Taylor)** which held that the First Amendment prohibited a district from including lesbian, gay, bisexual, transgender, queer, and questioning (LGBTQ+) storybooks as part of elementary school instruction without providing parents/guardians with notice and the ability to opt their students out of that instructional content on the grounds that the storybooks substantially interfered with the religious development of their children. Additionally, policy updated to add the section "General Criteria for Instruction and Materials" which was moved from the accompanying administrative regulation as that section is more appropriately placed in Board policy rather than administrative regulation.

Administrative Regulation 6142.1 - Sexual Health and HIV/AIDS Prevention Instruction

Regulation updated to reflect **NEW LAW (AB 2229, 2024)** which requires "comprehensive sexual health education" to include the topic of menstrual health. Additionally, regulation updated to delete the section "General Criteria for Instruction and Materials" which was moved to the accompanying Board policy as that section is more appropriately placed in policy rather than administrative regulation. In addition, regulation updated to reflect **NEW LAW (AB 2053, 2024)** which requires that comprehensive sexual health instruction include information about adolescent relationship abuse, including available resources such as the National Domestic Violence Hotline and local domestic violence hotlines. Regulation also updated to reflect **NEW COURT DECISION (Mahmoud v. Taylor)** which held that the First Amendment prohibited a district from including lesbian, gay, bisexual, transgender, queer, and questioning (LGBTQ+) storybooks as part of elementary school instruction without providing parents/guardians with notice and the ability to opt their students out of that instructional content on the grounds that the storybooks substantially interfered with the religious development of their children.

Board Policy 6142.8 - Comprehensive Health Education

Policy updated to reflect **NEW COURT DECISION (Mahmoud v. Taylor)** which held that the First Amendment prohibited a district from including lesbian, gay, bisexual, transgender, queer, and questioning (LGBTQ+) storybooks as part of elementary school instruction without providing parents/guardians with notice and the ability to opt their students out of that instructional content on the grounds that the storybooks substantially interfered with the religious development of their children. Additionally, policy updated to extend, to students whose parents/guardians have properly opted them out of instruction on the basis of their religious beliefs, state law requirements that (1) authorize the offering of an alternative activity of similar educational value, and (2) prohibit disciplinary action, academic penalty, or other sanction on the grounds that the student was opted out.

Administrative Regulation 6142.8 - Comprehensive Health Education

Regulation updated to reflect **NEW LAW (AB 2429, 2024)** which, beginning with the 2026-27 school year, requires a district that includes a course in health education for graduation from high school to include instruction in the dangers associated with fentanyl use. Additionally, regulation updated to reflect **NEW COURT DECISION (Mahmoud v. Taylor)** which held that the First Amendment prohibited a district from including lesbian, gay, bisexual, transgender, queer, and questioning (LGBTQ+) storybooks as part of elementary school instruction without providing parents/guardians with notice and the ability to opt their students out of that instructional content on the grounds that the storybooks substantially interfered with the religious development of their children.

Policy for Exiting/Withdrawing Students from the Graduation Cohort - Adjusted Cohort Graduation Rate (A.C.G.R.)

Purpose of this Document

This document is intended to provide a written policy and set of procedures and expectations regarding specific types of student exits relevant to the graduation cohort.

Policy for Exiting/Withdrawing Students

Documentation to support given student exits is required, and it must be kept in the Aeries Student Information System when students transfer or exit out of the District for any of the following reasons:

- Transfer to a private school in California
- Transfer to a school outside of California, but within the US
- Transfer/move out of the country
- Death

The table below should be used for reference with this policy. In the event of a student exit from the District, sufficient documentation (listed in the table below) supporting this exit must be obtained, and must be kept and maintained in Aeries for six years. District staff should be prepared to produce this supporting documentation when asked during a review or audit conducted as part of the California Department of Education's Federal Monitoring Program.

Student Exit Reason	Name	Definition
E125	PriorComplSpecEd	Student exited a special education transition program and was previously reported as receiving a special education certificate of completion, passing the California High School Proficiency Examination (CHSPE), or passing the General Educational Development (GED) test.

E130	Died	Student died while enrolled in school or student completed the school year, was expected to return, and died during the summer break and the district/school has supporting written documentation.
E140	NoKnownEnrollTruant	The student, age six up until age 18, is truant as defined by Education Code Section 48260 (a), and: (1) has been referred to a local or county School Attendance Review Board (SARB) by the local educational agency (LEA) after the LEA has taken all statutory truancy intervention steps; or (2) cannot be located by the LEA after the LEA has completed a full investigation as to the whereabouts of the student.
E150	MidYearEnrollmentUpdate	<p>The student is not exiting the school</p> <p>but the one or more of the following pieces of information about the student is being updated:</p> <ul style="list-style-type: none"> • Grade level, greater than 14 days before the end of the school year; or • Student School Transfer Code; or • District of Geographic Residence, or • Enrollment Status Code <p>If the student exited and left the school use the appropriate exit code, for example:</p> <ul style="list-style-type: none"> • T160-Transfer to another CA school; or • E155 [YearEndGradeLevelExit] or E156 [GD12ContinueEd] if a grade level exit took place during the last 14 days of the academic year because of summer break or year-end intersession.

		<ul style="list-style-type: none"> • E230 [Completer Exit] and School Completion Status=480 [Promoted/ Matriculated] and not E155 if the student completed the grade that is being exited and that grade-level is the last grade offered at the school.
E155	YearEndEnrlmntExitSameSchl	<p>The student exited a grade level (excluding high school completion and Grade 12) during the last 14 days of the current academic year because of summer break or year-end intersession . This exit code is to be used for students thought to be returning to the school. If the student is completing the school year, but known to be transferring to another school or some other type of exit, use the appropriate exit code (for example T160 Transfer to another California school).</p> <p>The grade level exit at the end of the year indicates only that the student exited the grade level at the end of the year. The student's enrollment for the next academic year may be either a grade-level promotion, grade retention, or grade demotion.</p> <p>Note: If the student completed the last grade offered at the school, use Student Exit Category=E230 [Completer Exit] and either School Completion Status=480 [Promoted/ Matriculated CAPubSchls] or 485 [Promoted/Matriculated Non-CAPubSchls] instead of this code.</p>

E156	GD12ContinuedEd	<p>The student exited while in Grade 12 (excluding high school completion) during the last 14 days of the current academic year because of summer break or year-end intersession and the student is expected to return to complete their high school education during the summer or in the subsequent school year. This exit code is to be used for students thought to be either (1) completing all remaining graduation requirements and graduating during the summer at the same or a different school, or (2) returning to the same school after the summer break or intersession to continue Grade 12 education in the subsequent school year. If the student is completing the school year, but known to be transferring to another school or some other type of exit, use the appropriate exit code (for example T160 Transfer to another California school, T260 Transfer to Adult Education Program, or T280 Transfer to College).</p> <p>This exit can only be used for students in grade 12. The student's enrollment for the next academic year should remain the same (grade 12).</p>
E170	NonPrimaryEnrlExit	Student who was enrolled with a secondary Enrollment Status Code (20) or non-ADA Enrollment Status Code (50) in any grade, exited/withdrew from school.
E230	CompleterExit	Student left school after completing their academic program at this school, whether or not the completion resulted in high school graduation. This includes students who reach the maximum age for high school but do not have enough credits to graduate.
E300	ExpellNoKnownEnroll	Student left school after being expelled, was subsequently referred to another educational service institution, but never showed up, and attempts to locate the student were unsuccessful. Do NOT use this code if the district took the appropriate steps to refer the student to the Student Attendance Review Board (SARB); use E140 (TruantNoKnownEnroll). Only use this code if the student was exited without first being referred to the SARB.

E400	OtherOrUnknown	The student is less than 6 years old, or 18 years old or older and has been absent from school for reasons that cannot be determined or for reasons other than those described in the Student Exit Category codes. Do NOT use the Exit Code E400 for students who are ages 6 up until age 18.
E410	MedicalRsns	Student withdrew from/left school due to medical reasons.
E450	PreKExit	Infant or student in pre-kindergarten exited/withdrew from school; or the student exited school during a temporary break such as summer vacation or year-round intersession, but was expected to return to the same school after the break.
N470	NoShow	The student's enrollment was exited because the student, who has no prior enrollments in the school, was pre-enrolled but did not show up as expected to attend the school. This exit represents a nullification of the pre-enrollment and should only be used for a student's: (1) first enrollment in CALPADS (e.g. kindergarten students or transfer students from a private school or a school outside of California; or (2) first time enrollment in a school as a result of matriculation from another school.
T160	TransCASchlRegular	The student withdrew from/left school and the district has acceptable documentation that the student has transferred (not referred by a school or district) to another California public school (within or outside the district), including transfers to a non-sectarian, non-public certified (NPS) school. This may include court school students who either transfer to another California public school with acceptable documentation or who complete their sentence and are released without documented evidence of a subsequent transfer, provided the exit was not the result of a school or district referral. Transfers that are a result of referrals made by a school or district are to be coded as T165, T166, or T169 as appropriate.

T165	TransSpecDiscRsnsOrJudg	<p>The student withdrew from a school in the district and the district has acceptable documentation that the student has transferred to another California public school in the same district or in a different district, due to: (1) a referral by a juvenile court judge or other correctional or judicial official; or (2) an expulsion pursuant to Education Code Section 48915 (a), (b), or (c).</p> <p>Note: Use code T166 if a student transferred, based on a referral by the school district, to an alternative education school due to disciplinary reasons other than those specified in this code, T165 TransSpecDiscRsnsOrJudg. Use code T169 if a student transferred to another California public school for any disciplinary reason not covered by T165 or T166.</p>
T166	TransRefAltSchlDisc	<p>The student transferred, based on a referral by the school district, to an alternative education school in the same district or in another California public school district, for any disciplinary reason other than those specified in Education Code (EC) Section 48915(a), (b), or (c), and was not based on a referral by a juvenile court judge or other correctional or judicial officer. This may include transfers to Continuation Schools pursuant to EC section 48432.5(d). The district should have acceptable documentation that the student enrolled in the school. Alternative education schools are a subset of Education Option school types, and includes: County Community, Community Day, Continuation, Juvenile Court, Opportunity.</p> <p>Note: Use code T165 if a student withdrew and transferred to another California public school due to a referral by a juvenile court judge or other correctional or judicial official, or an expulsion pursuant to Education Code Section 48915 (a), (b), or (c).</p> <p>Use code T169 if a student transferred to another California public school for any disciplinary reason not covered by T165 and if the student was not referred to an alternative school due to disciplinary reasons.</p>

T169	TransOtherDiscRsns	<p>The student transferred to another California public school in the same district or in a different district due to any disciplinary reason other than those specified in Education Code Section 48915(a), (b), or (c). The district should have acceptable documentation that the student enrolled in the school.</p> <p>Note:</p> <p>Use code T165 if a student withdrew and transferred to another California public school due to a referral by a juvenile court judge or other correctional or judicial official, or an expulsion pursuant to Education Code Section 48915 (a), (b), or (c).</p> <p>Use code T166 if a student transferred, based on a referral by the school district, to an alternative education school for any disciplinary reason other than those specified in Education Code Section 48915 (a), (b), (c).</p>
T180	TransPrivate	<p>Student withdrew from/left school and the district has received acceptable documentation of enrollment in a private school in California. Do not use this code for transfers to a non-sectarian, non-public certified (NPS) school. Student Exit Category Code T160 (TransCASchlRegular) should be used.</p>
T200	TransUS	<p>Student withdrew from/left school and the district has received "official written documentation" that the student has transferred to another public or private U.S. school outside California.</p>
T240	TransOutUS	<p>Student withdrew from/left school to move to another country and the district/school has supporting written documentation.</p>
T260	TransInAdult	<p>Student withdrew from/left school to enroll in an adult education program.</p>
T280	TransCollege	<p>Student withdrew from/left school to enroll in college.</p>

T370	TransInstHSDipl	<p>Student withdrew from/left school to enroll in another program</p> <p>that is not primarily academic (military, job corps, justice system, etc., and not an adult education program) and the student is participating in an educational program from which they can expect to earn a “regular high school diploma” equivalent to the standard high school diploma awarded to the preponderance of students in a State that is fully aligned with the State’s standards and does not include a general equivalency diploma, certificate of completion, certificate of attendance, or any other similar or lesser credential, such as a diploma based on meeting Individualized Education Program (IEP) goals. A student who is in a prison or in a juvenile facility awaiting a hearing or release and not yet adjudicated as delinquent may not be removed from the cohort of the sending school or district. Instead, the school or district must wait until the student has received such adjudication and determined that the student will transfer to a facility that has a school or educational program from which the student can expect to receive a “regular high school diploma.” The district is</p> <p>required to obtain and maintain acceptable written documentation of</p> <p>this transfer.</p>
T380	TransInstNoHSDip	<p>Student withdrew from/left school to enroll in another program that is not primarily academic (military, job corps, justice system, etc.) and the student is not participating in an educational program from which they can expect to earn a "regular high school diploma" equivalent to the standard high school diploma awarded to the preponderance of students in a State that is fully aligned with the State's standards and does not include a general equivalency diploma, certificate of completion, certificate of attendance, or any other similar or lesser credential, such as a diploma based on meeting IEP goals.</p>

Document Maintenance Regarding Student Exits

Any documents or documented notes that support and back up the reported student exits will be kept in Aeries Student Information System in either the Student Document section, or in the Demographics table

Student Data 2 tab

Documents and supporting evidence associated with these student exits must be kept and maintained digitally for a minimum of 6 years, but in many cases, as long as 15 years.

Training Regarding this Policy

Training regarding this policy takes place annually in multiple ways:

- Annually at an Office Staff meeting.
- On-demand when new staff are onboarded and require support

Monitoring

Student Exits: The Admin. Assistant of Educational Services will monitor the list of exited students during both Fall and Spring semesters and follow up with school site staff as needed. The CALPADS administrator will conduct a final review and verify the exited students prior to the CALPADS End-of-Year (EOY) submission deadline. The Tech Coordinator will submit the final CALPADS report.

Policy: This policy will be monitored and updated as needed and will be reviewed at least once a year for accuracy and compliance with federal monitoring.

Management of this Policy

Student exit codes and procedures are monitored by Admin. Assistant of Educational Services, Tech Coordinator, and Administrators via Aeries and CALPADS. The reports are reviewed with site staff and administrators.

Data Privacy

Staff and third-party vendors are expected to adhere to all applicable state and federal student data privacy laws, including but not limited to the Family Educational Rights and Privacy Act (FERPA), The Children's Online Privacy Protection Act (COPPA), the Children's Internet Protection Act (CIPA), the Student Online Personal Information Protection Act (SOPIPA), and California Bill AB1584.

Annually, staff who manage and maintain personally identifiable student information are trained and have a clear understanding of Federal FERPA law.

Procedures for Exiting/Withdrawing Students from the Graduation Cohort

These procedures are applicable for both no-shows at the start of the school year and mid-year withdrawals. In order to withdraw students, we must have "written supporting documentation." Written documentation for withdrawal can be any of the following:

- Withdrawal from a parent/guardian submits.
- Email from a parent/guardian indicating that they are withdrawing the student (print and file the email and document the receipt of the email in Aeries)
- Records request from another school.
- Phone call from parent/guardian indicating that they are withdrawing the student (document phone call in Aeries)

For no-shows at the start of the school year, this is also acceptable:

- Three unsuccessful separate phone attempts to contact parent/guardian regarding student's enrollment (document the three attempts including dates and times in Aeries)

The Registrar reviews the exit reason and collects written documentation for students who:

- Transfer to a private school in California
- Transfer to a school outside of California, but within the US
- Transfer/move out of the country
- Death

The Registrar codes the appropriate exit/leave code in Aeries. The Registrar uploads the documentation in the Documents Table

- 1) Any and all site access requirements for workers, cranes, trucks, range equipment delivery and forklifts to include, roads, ground work, utility clearances, overhead clearances (Trees, power lines), site laydown/staging area as required for project size, delivery and installation.
- 2) AC power (temporary when needed) to the install site as well as dumpster and temporary or permanent restrooms for use during installation.
- 3) Coordination with other trades, local agencies to mark underground power and gas lines as well as the Local Power Authorities and Suppliers related to the surrounding power lines and the supply of suitable power as per MILO Live detailed project drawings.
- 4) Supply and installation of concrete pad or strip footers for the ReadyRange modules per MILO Live drawings and written instruction. Verification to be conducted by MILO Live before ReadyRange is shipped.
- 5) All Pricing in this proposal is based on standard power requirements 208VAC, 3-Phase 125 Amp - 300Amp ("WYE" System) Service with the availability of Natural Gas or Propane unless otherwise quoted in this proposal. All power and gas supply provided by the customer. Any deviation in these requirements can result in equipment changes, manufacturing time increases, pricing changes and schedule impact.
- 6) Final connection of utilities (AC power, natural gas or propane) to ReadyRange by certified service provider per plans and specification during installation period.
- 7) All shipping and transport costs from 6535 East Tropical Pkwy Las Vegas, NV 89115 to final location. Shipping is estimated based upon today's fuel prices. Actual fuel price increases will be added at time of shipment.
- 8) For installations where the Ready Range will be adapted to a customer's facility or installed inside another building:
 - a) MILO Live is not responsible for placing the shooting range inside another building. The customer and their local contractor(s) are responsible for verifying the Ready Range will fit in the facility, including movement through all doorways and passages necessary during installation, as well as all overhead obstructions.
 - b) MILO Live is not responsible for adaptations made to the ventilation system nor any resulting performance. Warranty and support are limited to the equipment and services provided by MILO Live and specifically exclude any issues resulting from equipment, services or adaptations provided by others.
 - c) MILO Live typically provides the ac/heat/supply fan unit, exhaust fan and exhaust filter rack however, the customer and their chosen ventilation provider must place the equipment in or on their facility, as well as supply and install all duct work necessary to provide the required volume and flow for supply and exhaust air per SMACNA guidelines and MILO Live specifications.

Customer Acknowledgement (if applicable): _____

9) For installations where unsupported ammunition will be fired in the range (i.e. AP / armor piercing, steel core such as M855, etc.):

a) MILO Live does not support armor piercing, steel core, incendiary ammunition, nor any ammo in excess of the range rating. Use of this ammo voids any warranty regarding ballistic containment for the range and warranty on MILO Live steel bullet traps.

b) Customers MUST PERFORM ENHANCED INSPECTIONS including but not limited to:

- DAILY walk around the outside of the range to ensure no evidence of holes, bulging or other indication of ballistic compromise, particularly in the bullet trap end of the range and the back walls
- DAILY inspect the interior faces of the bullet trap for pitting, dents, holes and all welded seams and bolted connections of the impact and plates
- DAILY inspect the interior walls in the bullet trap area for pitting, dents, holes, frag or other media as an indication of bullet trap compromise
- DAILY inspect the rear faces of the bullet trap / plate for pitting, dents, holes and all welded seams and bolted connections of the impact and plates
- DAILY inspect all helicals for pitting, dents, holes and all welded seams and bolted connections of the impact and plates
- WEEKLY apply oil to the impact/extension plates and the helical weekly
- WEEKLY inspect interior of all helicals for pitting, dents, holes and all welded seams and bolted connections
- ALWAYS distribute the point of impact for all fixture fire, even when using ball ammo

c) Customers are HIGHLY ENCOURAGED to keep SPARE PARTS on hand including:

- MILO Live bullet trap helicals and extension plates
- Supply and exhaust pre-filters and exhaust HEPA filters
- Ballistic rubber tiles or sound board
- Sonnex tiles

Customer Acknowledgement (if applicable): _____

10) It is strongly recommended that every customer have an independent 3rd party perform an air balance after the range is installed, with all ventilation equipment operational, to confirm required air flow volumes and rates per applicable industry standards.

Proposal Terms & Condition:

1) Payment must be received, and the order must ship, within thirty (30) days of production completion unless otherwise agreed.

2) MILO Live is not responsible for equipment, materials and installation services not proposed above, nor for operation and maintenance of the range.

3) HVAC systems must be running at all times when range is in operation. Range must have negative pressure. Air balance or third party inspections for air quality will be at the owner's expense.

4) MILO Live is not held responsible for negligence of range owner/operation in any form. Range owner acknowledges that he is aware of industry standards for range maintenance, lead exposure, lead removal and disposal.

5) MILO Live disclaims any responsibility for any damage, injury, loss, cost or other expense or liability, or the inoperability of the system, other products or site preparations purchased from MILO Live that relates to or is caused by modification to the systems or other MILO products.

6) All orders will be subject to a 1% per month storage fee if not paid in full and shipped within 30 days of notification of completion.

7) Production time for quoted items is listed on the first page. Shipping and installation time is additional.

8) Production time does not begin until drawings have been approved and submitted back to MILO Live.

9) MILO Live is not responsible for any costs resulting from acts of God, site permit delays, pilot car or police escort delays, crane company delays, 3rd party transport damage, overseas shipping delays, export or import delays, piracy, force majeure, pandemic & related restrictions or any other events out of MILO Live's control.

10) NO STEEL CORE, MILITARY, 50 BMG OR ARMOR PIERCING AMMUNITION SHOULD BE PERMITTED. USE OF THIS AMMUNITION WILL CAUSE EXCESSIVE WEAR ON THE BULLET TRAPS AND WARRANTY WILL BE VOID.

11) MILO Live will provide repairs or replacements for the warranty term, for any part that fails due to manufacturer defect or MILO Live installation fault. The warranty period shall start on date of installation. The warranty shall not be dependent upon contracts, obligations or acceptance processes that MILO Live is not a direct party to. All warranty obligations are subject to MILO Live's standard warranty terms, available upon request. Warranty does not include on-site repairs by MILO Live unless deemed necessary solely by MILO Live.

12) With the acceptance of this proposal (by issuing a purchase order matching it or signing and returning the proposal) the customer agrees to release MILO Live (FAAC Incorporated) from all liabilities, causes of action claims and demands that arise in any misuse, ownership, possession, demonstration, testing, and/or operation of the purchased items.

13) Customer promises to indemnify, hold harmless, and defend MILO Live (FAAC Incorporated) and applicable manufacturer against any and all claims including claims for customer negligence.

PROPOSAL

Quote: 202633883 Date: September 29, 2026

14) Upon signing this proposal, it will serve as a binding contract with the above specifications, prices, terms, schedule, clauses and conditions being satisfactory and hereby accepted. All changes, adds or deletions to product or services via email or verbal communication must be signed by MILO Live to be deemed a valid change. Verbal and email communication do not supersede the signed contract.

15) Proposal price includes MILO assembly of structural frame on exterior of module as required (except anchoring to footing which would be by site prep contractor). Customer responsible to provide the complete footing design and as such the anchoring and attachment to footing for the structural framing reqs. MILO will not be doing any local permitting or zoning details required for site work to include power connection, natural gas connection, condensate run off etc. No site prep.

16) Proposal price assumes local GC or site contractor will allow MILO to complete the range and structural install under their contract so MILO does not need to establish a contracting entity in the state of California. MILO will pay Davis Bacon wage and provide certified payroll for MILO personnel during installation.

17) Proposal price includes a one-time special inspection trip cost coverage required for DSA approvals/submissions. Any additional DSA-mandated site trips will be billed accordingly as separately charges.

8. Bidder acknowledges that the license required for performance of the Work is C-39 license.
9. The undersigned hereby certifies that Bidder is able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the Work.
10. Bidder specifically acknowledges and understands that if it is awarded the Contract, that it shall perform the Work of the Project while complying with all requirements of the Department of Industrial Relations.
11. The Bidder represents that it is competent, knowledgeable, and has special skills with respect to the nature, extent, and inherent conditions of the Work to be performed. Bidder further acknowledges that there are certain peculiar and inherent conditions existent in the construction of the Work that may create, during the Work, unusual or peculiar unsafe conditions hazardous to persons and property.
12. Bidder expressly acknowledges that it is aware of such peculiar risks and that it has the skill and experience to foresee and to adopt protective measures to adequately and safely perform the Work with respect to such hazards.
13. Bidder expressly acknowledges that it is aware that if a false claim is knowingly submitted (as the terms "claim" and "knowingly" are defined in the California False Claims Act, Gov. Code, § 12650 et seq.), the District will be entitled to civil remedies set forth in the California False Claim Act. It may also be considered fraud and the Contractor may be subject to criminal prosecution.
14. The Bidder agrees that upon written notice of acceptance of this bid, he will execute and deliver to Owner the contract and provide all bonds and other required documents within ten (10) working days after contract award and will also furnish and deliver to OWNER the Performance Bond and a separate Payment Bond as specified, certificates of insurance, and other required documents.
15. Attached is bid security not less than 10 percent of the bid, in the amount of \$^{10% of}_{bid amount}, in the form of ☐ (cash) ☒ (bid bond) ☐ (certified check) ☐ (cashier's check). *[check one]*
16. It is understood and agreed that should the Bidder fail or refuse to return executed copies of the Construction Agreement, bonds, insurance certificates, and other required documents to Owner within the time specified, the bid security shall be forfeited to Owner.
17. The Bidder acknowledges that Owner reserves the right to accept or reject any and/or all Base Bids and alternate bids. This entire bid shall remain open and active for sixty (60) days after bid opening, and any alternate bids not initially awarded shall remain active, as an

irrevocable offer by the Bidder to enter into either a change order or separate contract, for up to six months after award of the contract.

18. In submitting this bid, the Bidder offers and agrees that if the bid is accepted it will assign to Owner all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Section 15) or under the Cartwright Act (Business & Professions Code Section 16700 and following sections) arising from purchases of goods, materials, or services by the Bidder for sale to Owner pursuant to the bid. Such assignment shall be made and become effective at the time Owner tenders final payment under the contract. (Public Contract Code Section 7103.5; Government Code Section 4552.)
19. The Bidder hereby certifies that it is, and at all times during the performance of work under the Contract Documents shall be, in full compliance with the provisions of the Immigration Reform and Control Act of 1986 ("IRCA") in the hiring of its employees, and the Bidder shall indemnify, hold harmless, and defend Owner against any and all actions, proceedings, penalties, or claims arising out of the Bidder's failure to comply strictly with the IRCA.
20. The undersigned Bidder certifies that it is, at the time of bidding, and shall be throughout the period of the contract, licensed by the State of California to do the type of work required under the terms of the Contract Documents and registered as a public works contractor with the Department of Industrial Relations. Bidder further certifies that it is regularly engaged in the general class and type of work called for in the Contract Documents.
21. The Bidder understands that a licensed contractor shall not submit a bid to a public agency unless the Bidder's contractor's license number appears clearly on the bid, the license expiration date is stated, and the bid contains a statement that the representations made therein are made under penalty of perjury. Any bid not containing this information, or a bid containing information which is subsequently proven false, may be considered non-responsive and may be rejected by the public agency.

Furthermore, Bidder hereby certifies to the District that all representations, certifications, and statements made by Bidder, as set forth in this bid form, are true and correct and are made under penalty of perjury.

SKUSD - CTE PHASE 1 ROUGH GRADING

IF USED BY BIDDER, MUST BE COMPLETED AND SUBMITTED WITH BID

PROJECT / BID NO: SKUSD-RHS-PIRG

PROJECT OWNER: SOUTHERN KERN UNIFIED SCHOOL DISTRICT

The condition of this obligation is such that whereas the Principal has submitted the Accompanying bid dated
October 8th, 2026, for:

SKUSD - CTE PHASE 1 ROUGH GRADING

NOW, THEREFORE, if the Principal shall not withdraw said bid within the period specified therein after the opening of the same, or if no period be specified, within 60 days after said opening; and if the Principal is awarded the contract, and shall within the specified period, or if no period is specified within five working days after the award of the contract, enter into a written contract with the Owner in accordance with the bid as accepted and give bonds with good and sufficient surety or sureties as may be required for the faithful performance and proper fulfillment of such contract and for the payment of labor and materials used for the performance of the contract, then the above obligation shall be void and of no effect, otherwise to remain in full force and effect.

SKUSD - CTE PHASE 1 ROUGH GRADING

The Surety, for value received, hereby stipulates and agrees that no change, extension of time, alteration, or addition to the terms of the contract or the call for bids, or to the work to be performed thereunder, or the specifications accompanying the same, shall in any way affect its obligation under this bond, and it does hereby waive notice of any such change, extension of time, alteration, or addition to the terms of said contract or the call for bids, or to the work, or to the specifications.

In the event suit is brought upon this bond by the Owner and judgment is recovered, the Surety shall pay all costs incurred by the Owner in such suit, including a reasonable attorney's fee to be fixed by the court.

IN WITNESS WHEREOF, the parties have executed this instrument under their several seals this 1st

Day of October, 20 26, the name and corporate party being hereto affixed and duly signed by its undersigned authorized representative.

09-WORKERS COMPENSATION CERTIFICATE

PROJECT TITLE: SKUSD - CTE PHASE 1 ROUGH GRADING

PROJECT / BID NO: SKUSD-RHS-PIRG

PROJECT OWNER: SOUTHERN KERN UNIFIED SCHOOL DISTRICT

Labor Code Section 3700 provides:

" Every employer except the state shall secure the payment of compensation in one or more of the following ways:

" (a) By being insured against liability to pay compensation in one or more insurers duly authorized to write compensation insurance in this state.

" (b) By securing from the Director of Industrial Relations a certificate of consent to self-insure either as an individual employer, or as one employer in a group of employers, which may be given upon furnishing proof satisfactory to the Director of Industrial Relations of ability to self-insure and to pay any compensation that may become due to his or her employees.

" (c) For any county, city, city and county, municipal corporation, public district, public agency, or any political subdivision of the state, including each member of a pooling arrangement under a joint exercise of powers agreement (but not the state itself), by securing from the Director of Industrial Relations a certificate of consent to self-insure against workers' compensation claims, which certificate may be given upon furnishing proof satisfactory to the Director of Industrial Relations of ability to administer workers' compensation claims properly, and to pay workers' compensation claims that may become due to its employees. On or before March 31, 1979, a political subdivision of the state which on December 31, 1978, was uninsured for its liability to pay compensation, shall file a properly completed and executed application for a certificate of consent to self-insure against workers' compensation claims. The certificate shall be issued and be subject to the provisions of Section 3702."

I am aware of the provisions of Labor Code Section 3700 which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing and during the performance of the work on this Project.

12-DRUG - FREE WORKPLACE CERTIFICATION

PROJECT TITLE: SKUSD - CTE PHASE 1 ROUGH GRADING

PROJECT OWNER: SOUTHERN KERN UNIFIED SCHOOL DISTRICT

This Drug-Free Workplace Certification is required pursuant to Government Code Sections 8350 et seq., the Drug-Free Workplace Act of 1990. The Drug-Free Workplace Act of 1990 requires that every person or organization awarded a contract for the procurement of any property or services from any State agency must certify that it will provide a drug-free workplace by doing certain specified acts. In addition, the Act provides that each contract awarded by a State agency may be subject to suspension of payments or termination of the contract, and the CONTRACTOR may be subject to debarment from future contracting, if the state agency determines that specified acts have occurred.

Pursuant to Government Code Section 8355, every person or organization awarded a contract from a State agency shall certify that it will provide a drug-free workplace by doing all of the following:

- A. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance is prohibited in the person's or organization's workplace and specifying actions which will be taken against employees for violations of the prohibition;
- B. Establishing a drug-free awareness program to inform employees about all of the following:
 - 1. The dangers of drug abuse in the workplace;
 - 2. The person's or organization's policy of maintaining a drug-free workplace;
 - 3. The availability of drug counseling, rehabilitation and employee- assistance programs;
 - 4. The penalties that may be imposed upon employees for drug abuse violations;
- C. Requiring that each employee engaged in the performance of the contract be given a copy of the statement required by subdivision (a) and that, as a condition of employment on the contract, the employee agrees to abide by the terms of the statement.

I, the undersigned, agree to fulfill the terms and requirements of Government Code Section 8355 listed above and will publish a statement notifying employees concerning (a) the prohibition of controlled substance at the workplace, (b) establishing a drug-free awareness program, and (c) requiring that each employee engaged in the performance of the contract be given a copy of the statement required by Section 8355(a) and requiring that the employee agree to abide by the terms of that statement.

SKUSD - CTE PHASE 1 ROUGH GRADING

I also understand that if the DISTRICT determines that I have either (a) made a false certification herein, or (b) violated this certification by failing to carry out the requirements of Section 8355, that the contract awarded herein is subject to suspension of payments, termination, or both. I further understand that, should I violate the terms of the Drug-Free Workplace Act of 1990, I may be subject to debarment in accordance with the requirements of Section 8350 et seq.

I acknowledge that I am aware of the provisions of Government Code Section 8350 et seq. and hereby certify that I will adhere to the requirements of the Drug-Free Workplace Act of 1990.

SKUSD - CTE PHASE 1 ROUGH GRADING

FINGERPRINTING NOTICE AND ACKNOWLEDGEMENT
(Education Code Section 45125.2(a))

Note: This document must be executed and submitted with the bid.

Business entities entering into contracts with the Owner for the construction, reconstruction, rehabilitation or repair of a facility must comply with Education Code sections 45125.1 and 45125.2. Such entities are responsible for ensuring full compliance with the law and should therefore review all applicable statutes and regulations. The following information is provided simply to assist such entities with compliance with the law.

1. If the Owner determines your employee(s) will have more than limited contact with students, then you must take one or more of the following steps:
 - a. Install a physical barrier at the worksite to limit contact with pupils.
 - b. Have an employee, who the Department of Justice has ascertained has not been convicted of a violent or serious felony, continually monitor and supervise employees. The entity shall verify to the Owner in the Independent Contractor Student Contact Form that the employee charged with monitoring and supervising its employees has no such convictions. (See attached.)
 - c. Arrange, with Owner's approval, for surveillance by Owner's personnel.

If one or more of these steps is taken, you are not required to comply with Education Code section 45125.1.

2. If you are providing the services in an emergency or exceptional situation, you are not required to comply with Education Code section 45125.2. An "emergency or exceptional" situation is one in which pupil health or safety is endangered or when repairs are needed to make a facility safe and habitable. Owner shall determine whether an emergency or exceptional situation exists.

I have read the foregoing and agree to comply with the requirements of Education Code § § 45125.1 and 45125.2 as applicable.

ATTACHMENT

Under Education Code section 45125.1, no employee of a contractor or subcontractor who has been convicted of or has criminal proceedings pending for a violent or serious felony may come into contact with any student. A violent felony is any felony listed in subdivision (c) of Section 667.5 of the Penal Code. Those felonies are presently defined as:

1. Murder or voluntary manslaughter.
2. Mayhem.
3. Rape as defined in paragraph (2) or (6) of subdivision (a) of Section 261 or paragraph (1) or (4) of subdivision (a) of Section 262.
4. Sodomy as defined in subdivision (c) or (d) of Section 286.
5. Oral copulation as defined in subdivision (c) or (d) of Section 288a.
6. Lewd or lascivious act as defined in subdivision (a) or (b) of Section 288.
7. Any felony punishable by death or imprisonment in the state prison for life
8. Any felony in which the defendant inflicts great bodily injury on any person other than an accomplice which has been charged and proved as provided for in Section 12022.7, 12022.8, or 12022.9 on or after July 1, 1977, or as specified prior to July 1, 1977, in Sections 213, 264, and 461, or any felony in which the defendant uses a firearm which use has been charged and proved as provided in subdivision (a) of Section 12022.3, or Section 12022.5 or 12022.55.
9. Any robbery.
10. Arson, in violation of subdivision (a) or (b) of Section 451.
11. Sexual penetration as defined in subdivision (a) or (j) of Section 289.
12. Attempted murder.
13. A violation of Section 18745, 18750, or 18755.

14. Kidnapping.
15. Assault with the intent to commit a specified felony, in violation of Section 220.
16. Continuous sexual abuse of a child, in violation of Section 288.5.
17. Carjacking, as defined in subdivision (a) of Section 215.
18. Rape, spousal rape, or sexual penetration, in concert, in violation of Section 264.1.
19. Extortion, as defined in Section 518, which would constitute a felony violation of Section 186.22 of the Penal Code.
20. Threats to victims or witnesses, as defined in Section 136.1, which would constitute a felony violation of Section 186.22 of the Penal Code.
21. Any burglary of the first degree, as defined in subdivision (a) of Section 460, wherein it is charged and proved that another person, other than an accomplice, was present in the residence during the commission of the burglary.
22. Any violation of Section 12022.53.
23. A violation of subdivision (b) or (c) of Section 11418.

A serious felony is any felony listed in subdivision (c) Section 1192.7 of the Penal Code. Those felonies are presently defined as:

1. Murder or voluntary manslaughter; (2) Mayhem; (3) Rape; (4) Sodomy by force, violence, duress, menace, threat of great bodily injury, or fear of immediate and unlawful bodily injury on the victim or another person; (5) Oral copulation by force, violence, duress, menace, threat of great bodily injury, or fear of immediate and unlawful bodily injury on the victim or another person; (6) Lewd or lascivious act on a child under the age of 14 years; (7) Any felony punishable by death or imprisonment in the state prison for life; (8) Any felony in which the defendant personally inflicts great bodily injury on any person, other than an accomplice, or any felony in which the defendant personally uses a firearm; (9) Attempted murder; (10) Assault with intent to commit rape, or robbery; (11) Assault with a deadly weapon or instrument on a peace officer; (12) Assault by a life prisoner on a non-inmate; (13) Assault with a deadly weapon by an inmate; (14) Arson; (15) Exploding a destructive device or any explosive with intent to injure; (16) Exploding a destructive device or any explosive causing bodily injury, great bodily injury, or mayhem; (17) Exploding a destructive device or any explosive with intent to murder; (18) Any burglary of the first degree; (19) Robbery or bank robbery; (20) Kidnapping; (21) Holding of a hostage by a person confined in a state prison; (22)

Attempt to commit a felony punishable by death or imprisonment in the state prison for life; (23) Any felony in which the defendant personally used a dangerous or deadly weapon; (24) Selling, furnishing, administering, giving, or offering to sell, furnish, administer, or give to a minor any heroin, cocaine, phencyclidine (PCP), or any methamphetamine-related drug, as described in paragraph (2) of subdivision (d) of Section 11055 of the Health and Safety Code, or any of the precursors of methamphetamines, as described in subparagraph (A) of paragraph (1) of subdivision (f) of Section 11055 or subdivision (a) of Section 289 where the act is accomplished against the victim's will by force, subdivision (a) of Section 289 where the act is accomplished against the victim's will by force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the victim or another person; (26) Grand theft involving a firearm; (27) carjacking; (28) any felony offense, which would also constitute a felony violation of Section 186.22; (29) assault with the intent to commit mayhem, rape, sodomy, or oral copulation, in violation of Section 220; (30) throwing acid or flammable substances, in violation of Section 244; (31) assault with a deadly weapon, firearm, machine gun, assault weapon, or semiautomatic firearm or assault on a peace officer or firefighter, in violation of Section 245; (32) assault with a deadly weapon against a public transit employee, custodial officer, or school employee, in violation of Sections 245.2, 245.3, or 245.5; (33) discharge of a firearm at an inhabited dwelling, vehicle, or aircraft, in violation of Section 246; (34) commission of rape or sexual penetration in concert with another person, in violation of Section 264.1; (35) continuous sexual abuse of a child, in violation of Section 288.5; (36) shooting from a vehicle, in violation of subdivision (c) or (d) of Section 26100; (37) intimidation of victims or witnesses, in violation of Section 136.1; (38) criminal threats, in violation of Section 422; (39) any attempt to commit a crime listed in this subdivision other than an assault; (40) any violation of Section 12022.53; (41) a violation of subdivision (b) or (c) of Section 11418; and (42) any conspiracy to commit an offense described in this subdivision.

☐ **OPTION A** - *commit to meeting the full DVBE contract participation requirement.*
Complete STD 840, Section A

☒ **OPTION B** - *performed and documented a Good Faith Effort (GFE) in an attempt to obtain DVBE participation.*

Complete STD 840, Section A (for GFE Steps 4 & 5) and STD 840 (REVERSE), Section B (for GFE Steps 1-3)

☐ **OPTION C** - *submit a copy of my firm's "Notice of Approved DVBE Business Utilization Plan..."*

A. Full information must be provided.

For contract participation commitment, at least one DVBE must be listed. DVBEs must perform a commercially useful function. List the specific goods and/or services with the dollar and/or percentage value(s) that the DVBE(s) commit(s) to provide and the DVBE's tier (prime contractor= 0, subcontractor to prime contractor= 1, subcontractor to Tier 1 subcontractor = 2, etc.). If both the estimated dollar amount and percentage are listed, the higher value supercedes. Attach additional pages to list all other DVBE subcontractors/suppliers (you may use STD 840A).

During contract performance, all requests for substituting named DVBEs must be made in accordance with the provisions of California Code of Regulations, Title 2, Section 1896.64(c).

For Good Faith Effort (GFE), use this section to document your first completed contacts with (Step 4), and consideration of (Step 5), relevant DVBEs. Business reasons for non-selection must be documented. Attach additional pages to list all other DVBE contacts (you may use STD 840A). Copies of all written invitations and delivery confirmations must also be attached and submitted with the bid.

Date Contacted / / DVBE Company Name (If you are the Prime and a DVBE enter your name, otherwise enter the solicited subcontractor.)
